## PLANNING APPEALS DISMISSED

Where does the future of Huby lie?

It lies with the community who now need to fully support the Neighbourhood Plan in identifying exactly how the village will look in the future and what facilities will be available.

Urgent attention is needed for the Sports Hall and the Village Hall.

The future of the village is in our hands.

It is hoped the Neighbourhood Plan will be put to the vote early next year.

It is most important that the village now pulls together, regardless of what has happened in the past.

Now is the time to collectively ensure the best possible facilities become available.

Cllr Mike Pannett  
Parish Council Chairman

Copies of the Inspector's decision notice can be obtained from the Parish Clerk and are on the Hambleton District Council website.

## Fibre Optic Broadband finally comes to Huby

We are reliably informed by the Superfast North Yorkshire team that it is now on the way. See a map showing coverage by following this link:

<http://www.superfastnorthyorkshire.com/where-and-when>

The map shows in detail the areas being upgraded and if you then go to the BT website, put in your telephone number, you can register to be informed as soon as it is available to order.

[www.btwholesale.com/includes/adsl/main.html](http://www.btwholesale.com/includes/adsl/main.html)

BT are saying it will be available in Huby by the end of September.

# SUTTON AND HUBY GARDENING CLUB

How quickly Summer passes, we will soon be into our winter programme. The first meeting is at Huby on **Wednesday 25 September, 7.30pm**, (earlier time to allow us to register members). Of course as in previous years we alternate monthly meetings between Huby and Sutton—it is important to us to retain the balance between the two communities—in fact at present the balance is about 50/50. We of course always welcome friends from other villages, eg we have some members from Crayke, Tollerton, Alne and Easingwold. Please bring a friend—I am sure they will enjoy the club.

The September speaker is Ray Creek who is a specialist in Orchids.

I am sure this will be of great interest to many. If you are like me and have been tempted by the great variety on sale at the supermarkets at reasonable prices, then any tips on keeping them growing on will I am sure be appreciated.

Our summer outing to Thornton Hall Garden Darlington was a huge success—many thought it was the best ever—many thanks to Hilary for organising. If you ever get a chance to visit do not decline—not open often—it is so spectacular!. The day's outing was completed by calling in at the Pelargonium nursery near Stokesly—again not to be missed—the displays of Gold winning plants was amazing—the owner gave us a most educational

talk plus lovely cake and tea.

Our evening visit to Goddards on Tadcaster Road—the National Trust former Terry's house was very well attended—a structurally well designed large garden that needed much more detail and colour adding to it, in our opinion.

Pam has got a very interesting programme worked out for this season with much variety and we look forward to seeing all our members and hopefully some new friends, come along, you will love it. Fourth Wednesday in the month, alternating between Huby and Sutton

Willie Anderson  
Chairman

## Huby Playground Appeal – stepping out onto the catwalk!

Huby Playground Appeal is a registered charity made up of a team of mums who work very hard to maintain and improve the well-used village playground. The playground is run entirely by volunteers and receives no continuous government funding or support. Last year we were lucky enough to receive a one off grant from Hambleton District Council to install some long awaited permanent signage to welcome visitors to the playground.

After receiving the grant we ran a competition through both Huby & Sutton on-the-Forest Primary Schools asking the children to come up with a logo to be featured on the new sign. We received a huge amount of entries and after a lot of deliberation we announced the three winners as Leona Mitchell (Sutton-on-the-Forest Primary

School) Eilidh Brown and Thomas Higgins (Huby CE Primary School) who's designs were combined to create the final logo. The Sign was kindly unveiled by Cllr Mike Rigby at the Huby Feast back in July. It was a great fun day for everyone involved and wonderful to see a community coming together in support. The three competition winners are delighted with the sign as is the Huby Playground Appeal who plan to continue to work hard to maintain this valuable village amenity as a fun and safe place to enjoy.

We are already busy planning our next fundraiser where we are bringing the catwalks of Milan to Huby for one night only with our very own **Fashion Show!** The Fashion Show will be held on the evening of **Friday 1st November** in the Village Hall and will feature (not only some very brave models!!!) but also some well-

known brands such as Boden, White Stuff, M&S, Next and many more that will be available to purchase on the evening at heavily discounted prices. Tickets will be £5.00 each and include a drink on arrival and all profits will go towards the maintenance of the Playground. It will be a great fun evening for all so save the date, come along, enjoy the show and indulge in some retail therapy.

If you would like more information, or are interested in getting involved please contact Rachel Barker on 01347 811221 or email: [hubyplayground@yahoo.co.uk](mailto:hubyplayground@yahoo.co.uk). We would like to take this opportunity to thank everyone who has supported us and in particular Hambleton District Council for awarding us the grant and also Huby & Sutton Gardening club for their recent kind donation.

### **Friends of St Monica's Hospital**

I'd like to express my appreciation once again to the people of Huby who have given so generously to the Annual Collection for The Friends of St Monica's Hospital. The sum raised this year is £566 which is magnificent considering we have all had to tighten our belts.

My thanks go to Diana Appleby, Ruth Baines, Doreen Charles, Veronica Green, Donald Hannah and Judy Sands who helped with the distribution of envelopes. I couldn't have done it without them.

We are very fortunate to have a local Community hospital which is helped so much by the support of The Friends of St Monica's.

Once again . thank you.

Marie Lacy

## The Hubby Community **Neighbourhood Plan**

### **Have you had your say yet?**

We are inviting anyone with a stake in Hubby's future to come along to tell us more about your vision for Hubby's future at an event at Hubby Village Hall:

**Friday 27th September 7.30pm – 9.00pm  
with a glass of wine and nibbles**

**Saturday 28th September 9.00am – 12 noon  
with coffee and cake**

There will be information about what people have told us so far, as well as an opportunity to speak privately with members of the working group or to comment in writing.

If you can't make this date and would like to speak to someone, please contact [neighbourhoodplan@hubbyvillage.org.uk](mailto:neighbourhoodplan@hubbyvillage.org.uk).

This is your opportunity, don't waste it

### **Have a hand in helping to shape the future of Hubby**

#### **HUBBY AMATEUR DRAMATICS & MUSICAL SOCIETY**

The members of Hubby Amdrams are currently planning the production of the next Pantomime in February. This will be the 70<sup>th</sup> Anniversary of the Society and we hope to put on a bigger and better show than ever.

We are interested in from hearing from anyone would be willing to help with the production, ie scenery. lighting, choreography or helping behind the scenes in anyway. We would also welcome anyone who would be interested in treading the boards

If we don't have enough support this year this may well be the last show!

If you think you would to come along and join us please contact Karen 810494 or Lynn 810655

# HUBY & SUTTON SHOW

Message from the President, Willie Anderson

Although the day dawned worryingly wet, by 8.00am the weather had improved dramatically and apart from two heavy showers we had a pleasant day. The gate was down on two years ago, which was a record, we had a very successful show. I am very grateful to all the volunteers who again gave sterling service, but we could do with more help and we are going to make an extra effort to encourage more people to join us next year—believe me you will enjoy helping. We are going to from a standing committee this winter to look at ways of providing fresh ideas to take the show forward. We are aware, as the show gets bigger, we must improve our organisation and we will always welcome new ideas. The show is of course, now a very important event in the community and we are ware of our responsibilities.

# Huey the Hare brings the good times back to Huby at the Feast.

After a gap of two years the village of Huby finally came back to life during it's annual Feast week with the help of our newest inhabitant, Huey the Hare. The good people of Huby were determined to make the most of our collective gathering this year and this was clearly evident on the Wednesday evening prior to the event, when no fewer than thirty adults were supported by our Moxby Scout group to erect the marquees on a balmy summers evening.

After the Huby first X1 Cricket team had played New Earswick the Saturday evening entertainment was soon into full swing. A dance evening "Through the Decades" and Hog Roast supper had been has been in the planning for many a week as a fund raising event by the New Hall Group. This event turned out to be the best events the village of Huby has seen in many a year. With over 150 tickets sold and nearly two hundred revellers present all had a great time and the villagers responded very generously resulting in a whopping four-figure sum being raised. Sincere thanks go to Lynn Burton, Sara White and Helen Barnes for your sterling work.

Sunday 23<sup>rd</sup> June was the Feast Day and with leaden skies and a torrential downpour at 11am the omens didn't seem in our favour. However, this soon blew over and despite a few showers we were even blessed with sunny intervals at times. After an extensive advertising campaign we had our best public attendance to-date. The Feast finally got going around 11.30am with Huey the Huby Hare welcoming all the

children with big hugs and waves, the beautiful Decap Dance Organ sprung into life together with the Traditional Children's Fun Fair and teenage attractions.

The Feast was officially opened by one of our local Huby lads Tom Platt, who has recently distinguished himself by signing professional forms to play for York City FC. Tom is clearly very proud of his village roots and in his opening address stressed the need for first class sporting and social facilities in our village if we are to attract our youngsters to our sporting, recreational clubs and societies. Tom's words couldn't have been more poignant as he stood in front of what is now a totally dilapidated Sports Pavilion. We thank Tom for giving up his time to open our Feast and we wish him well in his sporting career. The Playground Group too centre stage at 1pm to unveil their new playground sign, which had been designed by local children, and very striking it looks too.

Early in the afternoon a swathe of thirty to forty tractors converged on the Feast and put on a super display as they used the Feast as a stop off point on their tractor run to Strensall. One of the drivers found the Feast so entertaining he ended up staying the whole afternoon with us!

Musical entertainment played a key role in this years proceedings with Dynamics delighting us with their Big Band Sound and for those of a younger generation local band Hello Operator played Rock and Roll from the 60's to

modern times.

Other attractions through the afternoon featured Russell King, children's magician/entertainer who had the little ones in stitches of laughter and Minster Falconry displaying their wonderful birds of prey and giving educational talks to interested groups. Our local band Hello Operator brought proceedings to a close just before the Heavens opened once again with a torrential down pour which lasted for hours. Yes we were very lucky with the weather but then again someone may just have been looking after us! A fantastic day was had by all, which included some very Hare Raising experiences! I would just like to say a big thank-you to our very hard working Feast Organising Group of Ema & Mike Broadhurst, Julie & Steve Colquhoun, Lorraine Garth, Anne & Roger Kraemer, Marion & Mark Smith, and Sue & Tony Suddes who put in a great amount of hard work and fund raising through the Winter months so we can present our village with it's traditional free day every year.

A big thank-you is also due to the many people in our local community who turn up and give their support to us before and after the event, which is so much appreciated. It just goes to show the amount of good will and community spirit that exists in our village and what can be achieved with the right incentives.

Brian King,  
Huby Feast, Chairman
