## FASCINATING FACTS

Huby's name may date from 8-10th centuries and means 'farmstead on a spur of land' from Old English 'hoh' + Old Scandinavian (Danish) 'by'. You can see houses in Main St. have been built on a small ridge.

WW1 plaque set in the wall of the Methodist Chapel by the bus stop gives the names of the 5 men of Huby, J. A. Cundall, W.H. Hebdon, T.W. Hardiman, G. Hayden, and W. F. Yorke. who died in the Great War.

Before Bull Lane Bridge, is a sign to Laund House. Tom Dresser VC was born there, or at the next farm with the same name. Tom Dresser, a Huby man, was awarded his medal for his great act of bravery in 1917, in conveying a message, while wounded, to the front line. He survived, and is commemorated on the stone set in the ground at the front of the Chapel.

Farms named Low Bohemia and High Bohemia are sited on a large parcel of land called Bohemia, on Bull Lane. They were named 'Bohemia' in reference to Elizabeth Stuart, James I & VI's daughter. She and her husband, Frederick of the Palatinate, briefly held the throne of Bohemia during the winter of 1619-20. Elizabeth was popularly known as the Winter Queen. She had celebrity status in Scotland and England during the century, was brilliantly educated and was one of the most important political figures of the day. Every European monarch since then, including Elizabeth II, is descended from her. James I was on a hunting trip in the Forest of Galtres while she was Queen of Bohemia.
