## FASCINATING FACTS

Huby's name means 'farmstead on a spur of land', an 8th/10th century Danish name. You can see houses in Main St. have been built on a small ridge.

WW1 plaque set in the wall of the Methodist Chapel by the bus stop gives the names of the 5 men of Huby, J. A. Cundall, W.H. Hebdon, T.W. Hardiman, G. Hayden, & W. F. Yorke. who died in the Great War.

Tom Dresser VC is also commemorated on a stone set in the ground at the front of the Chapel. He was a Huby man and was awarded his medal for his great act of bravery in 1917, in conveying a message, while wounded, to the front line. He survived and died in 1982 in Middlesbrough.

Easingwold Golf Course was opened in 1930, having been designed by Hawtree architects, a renowned family of golf course architects. It is an 18 hole golf course across woodland and heath. There are 15,000 mature trees across the area.

The footpath into Folly Wood and then past Cass Plantation forms the parish boundary between Stillington and Huby.

Sand used to be dug from the area where Oak Tree House, formerly a sawmill, is situated. Easingwold Road or Sand Lane is built mainly on sand.
