## Parish News

Hambleton Council are again offering Making a Difference Grants. Each market town & surrounding villages are allocated £25,000 for their grants (minimum award is £1,000 and the maximum award is £25,000) and each grant must have at least 25% match funding from another source. Successful applications need to demonstrate a clear need and make a real difference to the community as well as addressing one of the council's priorities – driving economic vitality, enhancing health and wellbeing, caring for the environment or providing a special place to live. Each application must have endorsement from the ward Council member of the area where the project will be delivered (Councillor Christine Cookman).

If you have thoughts of a project in Huby that satisfy these criteria, then please discuss with a member of the Parish Council or email us directly. Or you can go directly to the Hambleton Council website where Application forms and guidance notes can be downloaded, the closing date is Friday 11 January 2019. Paper application forms can be obtained from Lisa Wilson, Communities Manager at Hambleton on 01609 767149. Grant announcements will follow with projects able to start from 1 April 2019 onwards

Hambleton Council has also finally announced it will publish the local plan in June 2019. The new Local Plan will set out how much land should be provided to accommodate new homes and jobs that are needed within Hambleton up to 2035 and where this should be located. It will consider the need for new homes and jobs alongside the need for associated infrastructure such as shops, community facilities, transport, open space, sport and recreation We first made submissions to this process in 2017 with our views on preferred sites this built upon the work done by the Huby Neighbourhood plan group in previous years.

## **HUBY NEIGHBOURHOOD WATCH**

**It has thankfully been a much quieter period recently with no major issues to report.**

**As the nights are now drawing in it becomes more important to remain vigilant though, and to look out for elderly or vulnerable neighbours. Don't be afraid to knock on their doors to check on them and see if everything is ok.**

**Please also remind them that we have a small team of volunteers (but could always do with more!) that can de-ice drives and collect shopping via the Huby Shop if the weather turns.**

**We continue to be targeted by the doorstep selling groups – please be aware this practice is illegal without the required permit, which we are reliably informed the Police have not issued in some time. A polite refusal should be enough to get them to leave, but the Police have also requested we call 101 and report the groups immediately.**

**With Christmas fast approaching, we are looking for volunteers to carry out the evening foot patrols around the village. For those unfamiliar with it, in conjunction with North Yorkshire Police we provide a visible presence around the village for a couple of hours, usually between 5.00pm and 7.00pm (but is flexible) to deter any potential mischief makers when houses may be most vulnerable. The walks are carried out in pairs so if you and a friend are willing and able to help please get in touch. The dates for this year will be 10<sup>th</sup> – 14<sup>th</sup> and 17<sup>th</sup> – 21<sup>st</sup> December.**

**As in previous years, patrollers will be rewarded with a chip butty kindly donated by Greg at Huby Fisheries and glass of mulled wine to finish with at the Mended Drum – what's not to like??**

**We have decided this Christmas not to hold a Mulled Wine and Mince Pie fundraising raffle but will look to do something in spring 2019. We have donated profits from these past events to the Memorial Village Hall, Huby Sports Pavilion and contributed towards the cost of the defibrillator in the village.**

**Thank you for all your support throughout the year – we hope with everyone's continued vigilance our village will remain a peaceful place to live and work.**

**If you know of anyone not already included in the email alerts, we circulate occasionally please feel free to pass on our details and ask them to get in touch.**

## Love reading but can't get to the library?

NYCC and Easingwold Community Library offer a free service for people of all ages who, because of ill health or disability, find it difficult to get to the library or carry books. The service is also available to carers.

Our volunteers will select books to suit the customer's tastes and they can either be collected from the library by a friend or relative or we can deliver directly to the customer every two weeks. Our delivery volunteers are all DBS checked and cover Easingwold and all the surrounding villages. We offer free access to books (including large print and children's), audio books, DVDs, music on CD and information.

Users can opt in and out so can use the service if they are recovering from an illness or operation or can't get out in bad weather.

### **Know someone who may be interested?**

To find out more please ask the potential customer or a representative to contact Easingwold Community Library on 01609 534584 (rings directly to Easingwold Library) and leave their name and contact telephone number. Someone will telephone back and arrange a visit to explain how to use the service and to find out what sort of books or other materials are required.

**We are always looking for volunteers to help with deliveries, particularly to help cover holiday periods. Please contact Easingwold Library and leave your details if you would like more information.**

## Huby & Sutton Agricultural Show

**Next year's show will be on Sunday 23 June**

**Keep checking our website and Facebook page for details of entertainment and events: [www.hubyandsuttonshow.org.uk](http://www.hubyandsuttonshow.org.uk)**

**Tradestands can be booked by emailing:**

**[tradestandhubyandsuttonshow@gmail.com](mailto:tradestandhubyandsuttonshow@gmail.com)**

**We would welcome sponsorship of classes and can offer a variety of benefits those who support the show**

**We would also welcome volunteers to help on the showfield,  
on and before showday**

Rainbows returned after the summer holidays with four new girls joining us and making their promise at the end of the term. As it's Autumn we have been doing activities based around the season and harvest. The Rainbows drew fruit and vegetables they did and didn't like. Then we had an evening tasting a range of fruits such as melon, apple, grapes and mango and the fruits they liked the most were used to make fruit kebabs-these were enjoyed by everyone. We also made some Autumn crafts, making a lantern using leaves. Then using leaf rubbings to decorate a hedgehog.

The Rainbows took part in Remembrance Sunday parade in Easingwold. The girls who took part did a great job walking very smartly despite the rain. At the end of the service they lay poppies round the war memorial which they had made the week before.

Galtres Rainbows are currently looking for adult volunteers, no experience is necessary as training will be given. Whether it's someone looking for some experience working with children, wanting to enhance their CV or just enjoy spending an hour having fun and doing something different each week. If you are interested or know anyone who would be in helping once a week please contact us on [galtresrainbows@hotmail.com](mailto:galtresrainbows@hotmail.com). We meet on Wednesday evenings at Patchwork's nursery 6.15-7.15pm.

## **Galtres Brownies**

We said goodbye to several girls at the end of term, who were moving on to Guides, but we welcomed 8 new girls to join the adventure

Girlguiding is introducing a new programme for us to follow, so we started the term by learning about First Aid. The girls had fun bandaging each other and learning about what is required in an emergency.

Early next year several of our girls are joining other Brownies and Guides from the Hambleton Division on an activity weekend. With the opportunity to try grass sledging, caving in manmade warrens and other adventurous activities.

To register your daughter in Girlguiding please visit: [www.girlguiding.org.uk/join](http://www.girlguiding.org.uk/join)

**Your volunteers are gearing up for Christmas at Barkers of Huby and will ensure we are open for most of the festive period. Subject to volunteer availability, we will be open as follows:**

**Sunday 23 December 9 – 11.30am**

**Monday 24 December 8 – 12 noon (shop and Post Office)**

**Tuesday 25 December CLOSED**

**Wednesday 26 December CLOSED**

**Thursday 27 December – Sunday 30 December – normal hours**

**Monday 31 December – shop open 8am, shop and post office will close 5pm**

**Tuesday 1 January CLOSED**

**Wednesday 2 January – normal hours**

**You can place orders** for Hartley's fresh meat and poultry, Thornton's individual and large pies, Festive Cakes and puddings from Easingwold Country Markets and Sara Ellis, Vegetable Bags from Goodness Growing using the Christmas Order Forms.

**Please** make sure you collect all orders on the date arranged. We don't have a lot of fridge space for meat orders, so will have to stagger delivery of special meat orders over 21, 22 and 24 December.

Christmas Cards depicting both Huby and Sutton villages are available, £1 each, as well as Barkers Calendars £6.50 and a range of festive goodies for last minute presents and stocking fillers.

We have stopped issuing plastic carrier bags. Customers are able to buy a paper bag at cost, (24p) a Barkers hessian bag, or bring their own.

## **News from Huby Methodist Church**

We have had a busy time over the last few months.

We enjoyed a Harvest celebration Service in Sutton village hall together with All Hallows Church. This was followed by a delicious lunch. Thanks to Sutton for all their hard work.

Our next big occasion was the 100-year commemoration of the end of WW1.

We are so grateful to everyone who hand made the poppies that were displayed outside the church and for the group who tied them all onto the netting. I am sure that you would agree that the finished display was very moving especially with the addition of the soldier silhouette. The children from Huby school once again displayed a mature attitude in the writing of their poems shared with us on the 9<sup>th</sup> November as we remembered especially those from Huby who sacrificed their lives for us.

We now look forward to our Christmas services with our usual Carols by Candlelight on Christmas Eve. 6 pm.

Do come and join us to celebrate 'The Reason for the season'

Huby Remembers

## **“DEFINITELY HUBY”- A BIG THANK YOU**

Saturday 22<sup>nd</sup> September saw Huby Playing Fields Association hold its first music festival and a great day was had by all. Although the weather was kind and kept the rain away, we did have a slight chill in the air and we appreciate all those who braved this to come along and support us.

We had amazing live music performances from Jonny Greenwood, Pavilion, Bang, Bang Bang, Lacy, The Zooms and Rory-Hoy, all compered by Paul Moore. All of which supported us greatly with their attendance and showed us a variation of musical talent we were all able to enjoy.

These events take a lot of organisation, and financial commitment and we would like to take this opportunity to thank our sponsors, without whom the day would not have been possible. So, a huge, heartfelt, thank you to Andrews Auto Base, Cohesion Construction, Mr & Mrs Eastwood, Northmead Developments and Oakland Glass. Not forgetting the numerous contributors to our raffle – I think it is fair to say we had raffle prizes in abundance and something for just about everyone!

A further ‘Thank You’ to The Mended Drum for lending us their outside bar and supporting us on the day. And finally, a huge ‘Thank You’ for all of those who came along to help us with marquees and general setting up and clearing down tasks – many hands really do make light work!

We were overwhelmed with the profit we made on the day and the committee cannot express how grateful we are for the support of the village in our fundraising efforts. We have been meeting regularly to discuss our plans and we look forward to sharing them with you soon.

Thank you also to those who donated bags of clothes for the clothes collection

In the meantime, please see a list of dates for the diary for our upcoming events:

- 8<sup>th</sup> December 2018 – Santa Afternoon (1pm-4pm) including Santa’s Grotto and children’s Christmas crafts
- February (Date TBC) – Comedy Night
- 26<sup>th</sup> April 2019 – Fashion Show

If anyone is interested in helping with future fundraising events, please contact Sara White (07834601476) or Helen Barnes (07935340795).

We also have a Facebook page where you can contact us, search for ‘Huby Playing Fields Association’.

## Forest of Galtres Camera Club

Our new season started on Monday 8th October with a Presentation from Richard and Janet Burden following their recent visit to Greenland. We have also held a couple of workshops as well as our usual club competitions and an excellent introduction to macro photography.

Huby members continue to do well in our club competitions with both Carole Smith and Martyn Pegler having images selected for our finals in March. We have had a number of new lady members this season to the extent that we are holding a Ladies v Gents image battle as our pre-Christmas club night on Monday 3<sup>rd</sup> December. Night photography is our subject for an evening walk round Easingwold on Monday 10<sup>th</sup> December.

We meet on Monday evenings at 7.30 pm in The Parish Rooms, Tanpit Lane, Easingwold. Our Programme can be viewed on our web-pages [www.easingwoldcameraclub.org](http://www.easingwoldcameraclub.org)

New members are always welcome.

Huby Members successful images.

## **Sutton and Huby Gardening Club.**

Our monthly meetings continue, with the venue alternating between Sutton Grey Village Hall and the Huby Methodist Chapel. As I write we've had our first two talks of the season, both very successful and we've enlisted a lot of new members

The latter part of the year starts in Sutton Village Hall on **Thursday**, 13 December at 7.45 - note the unusual (for us) day. This is our annual social with wine, cheese and pickles and a quiz, but the main event is the story of Cooper King, the new gin distillery on the Stillington Road accompanied by a tasting. Their products are already served by some very posh restaurants, so the event should be a great treat.

Back to Wednesday at Huby this time, 7.45 on 23 January 2019 for Steve Wright to help us select bulbs for Summer. He'll also bring seeds of unusual plants for sale.

The next month brings us back to Sutton on 27 February 2019 when Peter Mathers will tell us of some "Municipal Marvels". Keith Abel will guide us through "the Year in our Garden" at Huby on 27 March. The talks part of the Club's year will conclude with Sarah Sigsworth on 24 April at Sutton telling us about the Bumblebee Conservation Trust, with the AGM on the same evening.

That's not the end of our activities by any means for we have our two outings in the Summer. We have an evening visit to a nearby attractive garden and the club provides free transport for our day out to two gardens with lunch somewhere nice in between, details nearer the date.

As though that wasn't enough, next year is the year for Sutton Open Gardens, run on a biennial basis, and members help with the plant stall to add to the charity fund raising. Bear that in mind when splitting your plants or making cuttings and sowings, remembering always to pot them up and label them.

### Beavers (Turquoise Ninjas)

The ninjas have had a fabulous start to the Autumn term, with lots of new games to learn and outdoor activities to take part in. We have had a continued interest in joining the group and recently invested 6 new beavers in one evening!

We've had night hikes by torchlight, baked and decorated biscuits and buns for the village Macmillan Coffee Morning (all of which sold very quickly), we've harvested our vegetables and planted winter veg ready for Spring and had a fantastic bonfire night round the firepit, with 'magic flames', sparklers and jacket potatoes cooked on the fire, with lashings of butter. Delicious.

The Beavers had a special guest visit who came along from the Bird of Prey centre at Burn Hall. Matthew Slater brought along his Harris Hawk, Ranulph and we learnt lots of interesting facts about birds of prey. All the Beavers had their photographs taken wearing the special protective glove and holding Ranulph. It was a huge success. We have plans to visit the centre in Spring next year to see more birds and learn more facts about them.

Each of the Beavers painted a rock and we had a trip around the village hiding them as part of the new village 'Huby Rocks' activity. We continue to track our rocks whenever they are found, some have made it as far as Scotland and Warwickshire!

We are currently travelling around the world using our new Beaver passports and visiting a number of countries, including China, Spain, India, Greece and the Netherlands. At each visit the Beavers learn to speak a sentence in that language, write common phrases, find the country on a map and locate the capital city, recognise the map and answer some questions. This series of evenings was planned by our Young Leader Holly and it has been a brilliant and informative experience for the children.

We are looking forward to introducing our beavers to scuba diving in the Spring term and are already fully booked for the three sessions we have been given!

### Cubs

The cubs have had a fantastic term so far, they've been collecting for a reverse advent calendar to support those in need and have been bringing tinned goods, chocolates and gifts to go in the box. It will help tremendously with local organisations. Akela has planned a talk with the Easingwold Food Bank and how we can better support them. The cubs have had several evenings engaged in conker fights, with treated and untreated conkers to see if there is any difference in the outcome. We have learnt several new games, especially the fabulously fun Human Hungry Hippos, involving large skateboards, ropes, baskets and lots and lots of small plastic balls. Our new favourite game it would seem! There have been many nights at Snowball learning and developing outdoor skills, culminating in an evening of traditional campfire songs where the cubs taught parents how to make and enjoy s'mores!

Scouts

I'm not sure where to start with scouts and all they have achieved this year. We have had the busiest year to date, culminating in the most fantastic trip to the International Scout Centre in Kandersteg, Switzerland with two other scout groups in the District. It was an amazing adventure, we spent 10 glorious days with around 1,500 other scouts and took part in some incredible activities. We climbed mountains, slept in mountains huts, slid down enormously high mountains on rubber tubes, swam in melted glaciers and attended several international events and camp fires where we met and mingled with people from many different countries. This international trip was a first for Easingwold District and was such a resounding success that we are planning a trip to Belgium next year, with a repeat visit to Kandersteg in 2020.

We have started regular scuba diving sessions with our scout group, where we are learning new skills and having a brilliant time. The scouts were also introduced to the calming influence of yoga recently, it is a lot harder than it looks but most of the scouts proved to be well balanced, demonstrating inner strength and poise. The instructor was really impressed!

Our Remembrance display this year continues as a visual reminder for people and this year's Remembrance Parade and Service was attended by 59 of our children across all three sections. We paraded from Huby to Sutton church to attend their local service alongside the Royal British Legion. It was a very heartfelt and memorable occasion and every one of our members was smartly turned out and respectful. Many of those present, the clergy and church members, the armed forces and the general public commented on our presence. We have been invited to attend a memorial service to the Canadian Airforce next May, which of course has special links to the Huby Memorial Hall as it was gifted to the village by the Canadians. It is a great honour to be invited.

The whole group look forward to Christmas approaching. We have evenings booked for the annual decorating of chocolate logs and making Christmas decorations.

We are also holding our 'annual' Christmas market at the village Hall on December 1<sup>st</sup>. Do come along to support your local scout group raising much need funds for activities and equipment. We have a large number of different stalls this year, you can even do your Christmas shopping and buy that elusive special gift, as well as indulging in hot soup, and bacon rolls!

Finally may I offer our sincere congratulations to Janet Greenwood, one of our Assistant Beaver Leaders, who has been selected to attend the World Scout Jamboree in Gdansk, Poland in 2020 as a Contingent Leader. Brilliant news!

As always, please feel free to contact me, should you wish to get involved with the group or would like a place for your child in any of our three sections.

## Huby Memorial Village Hall

This summer the Huby Memorial Village Hall Committee took on the mammoth task of updating the inside of our village hall, along with the support of local volunteers and local businesses.

The hall has been redecorated throughout, and we must say the colour has given the hall the lift it needed, providing a light and airy space.

The main hall floor has been sanded and resealed, making it look like a brand-new floor. The side annexe has received a softer finish, following the fitting of carpet tiles.

We have also divided the side annexe with a partition wall to keep the chairs & tables stored out of full sight.

New soft furnishings, curtains and blinds, have been installed to the windows. And finally, we have installed new internal oak doors, which add to the light feeling within the whole hall.

It has been a busy few months, but the whole committee are proud of their achievements, to which we have received positive feedback from our hall users.

We aim to continue improving our hall, with the next addition hopefully being new front entrance doors and new fire exit doors. However, in order for this to happen we need to keep raising cash with our fund-raising events and applying for local grants.

We have received grants from Hambleton Council Make a Difference scheme, Huby Parish Council, Huby Women's Institute, Huby Neighbourhood Watch Team and local individual residents who have given in our quest to update our village hall. Without support from local bodies and individuals we would not be where we are today – we thank you all for your invalid support.

This year we have been kindly donated a Christmas tree by Dawnay Farm Christmas Trees, which shall take pride of place outside the village hall. We shall be erecting the tree on Saturday 24<sup>th</sup> November at around 11am. If anyone is able to lend a hand to install and dress our Christmas tree, please pop along to the hall to help. Or pop along to come and have a look inside our newly refurbished hall!

We shall be hosting our Carol's around the Christmas tree on Friday 21<sup>st</sup> December, at 6:30pm, which is supported by Huby Parish Council. This is a free event for all local residents to attend and we shall be serving mulled wine, soft drinks and mince pies after the carol's – so wrap up warm, bring a torch and come join us to sing in the festive season!

Our hall was alive with crowds of people and live music on Saturday 27<sup>th</sup> October, held as a fund raiser for our village hall. The cast, Paul Moore, Poppy Moore and special guests, put on a show to be proud of. Lively dancing, with fantastic music and a great participating audience provided a spectacular night. The event raised over £300 which helped towards costs for our internal refurbishment works. Thank you to everyone who attended and supported this event.

We are sure our local residents will have seen cars and people congregating at the village hall over the past few weekends, which is a sign of the local AmDrams rehearsing for their annual show. This year's panto is "Goody Two Shoes" showing Wednesday 27<sup>th</sup> February to Saturday 2<sup>nd</sup> March, inclusive. Put the date in your diary and don't forget to get your tickets in time, to watch the spectacle unravel!

Tickets can be purchased at Barkers of Huby.

Finally, we would like to thank everyone who attended the Macmillan Coffee Morning, which was held on Friday 28<sup>th</sup> September. We raised £305.20 for such a worthy cause, so Thank you for your support.

If you wish to hire our hall, be it a private party, fund raising event, dance classes, or baby & toddler groups, please get in touch. Our hall charges are as follows, with contact details:

Room	Hourly Rate	Minimum Charge
Village Hall	£12.50	£12.50

## Huby Pantomime 2019

‘Rehearsals are underway for the 75th Huby Panto which will be presented in Huby Memorial Village Hall between 27th February- 2nd March 2019. ‘Goody Two Shoes’ incorporates the old fairy story with ‘The Old Woman Who Lived in a Shoe’. Once again Paul ‘Elvis’ Moore will be playing the Dame and Robert Thompson, The Villain, the Duke D’Anger, Russel to his friends; yes, I bet you’ve got it already - he’s ‘D’angerRuss’!

As well as many stalwart performers we have several new juniors joining the Company to play the Old Woman’s children, fairies, Councillors, Woodland Sprites and a cuddly Teddy Bear.

Tickets will be available in January from Barkers of Huby and Stillington Post Office so we hope you’ll support your local pantomime’

## Huby Primary School

We have had a very busy first half term at Huby CE Primary School

In September it was lovely to greet our new Reception children who settled in so quickly with the wonderful help of their Year 6 buddies. It was lovely to see the older children being such good role models to the young children. It is also lovely to welcome Mrs Rushton, Mrs Morris, Mrs Brooke and Miss Brown to our hard-working team.

We have been out about this term, enriching our learning beyond the classroom. Class 3 as part of their topic on World War 2 visited Eden Camp and enjoyed experiencing aspects of the war first hand. Children in Year 1 and 2 visited Ripon Cathedral and all the children visited the Etz Synagogue in Leeds as part of their Religious Education.

In sport the children have been competing in the Cluster Netball , Football and Tag Rugby tournaments, and though we did not win the children displayed excellent sportsmanship and were a credit to the school. In PE lessons the children have been learning judo and kick boxing which are 2 new sporting activities that the majority of the children have never experienced. All the children have said how much they have loved learning these new sports. The children have also enjoyed a whole day skipping workshop and Miss Brown has started a skipping club as the day was such a great success. The children have been busying raising money for charity. We all came dressed in our jeans to celebrate Jeans for Genes day and raised over £100. The children on the last day of term organised a Race for Life in aid of cancer research and raised over £1,000 with sponsor money still coming in. Many thanks to all the parents and carers who came to cheer the children on, on a very cold Friday afternoon and for all their kind donations. We are all gearing up for the Christmas term and we will soon be busy practicing our Christmas plays and looking forward to the Christmas parties. We will be holding our KS2 dress rehearsal of 'An Out of This World Christmas' on Monday 10<sup>th</sup> December and we would like to welcome all the senior members of our community to come and watch our performance. If you would like to come and watch the show, then please come to the school's front entrance at 1.50pm. We look forward to seeing you then.

## Huby Bowling Club

(The picture is from the left Michael Waite, the runner up, with Stuart Burton the winner of the Huby Bowling Club 2018 singles title.)

The season has finished, during the end of August and into September we held our 2018 club competitions. Stuart Burton snatched the singles title with the last wood of the game against Michael Waite to win 7-6. Pauline Grimes took the Ladies title, when she defeated the defending champion Elizabeth Piercy. Nev Howell and Pauline Grimes took the Pairs competition with a comfortable victory over Freddie Alnutt and Elizabeth Piercy. Finally, Peter Abnett, Tony Cork and Freddie Alnutt overcame David Barker, Michael Waite and John Piercy to take the Triples.

On the 18<sup>th</sup> October we took a coach party to Helmsley for the Ryedale Vets Annual Luncheon and cheered as Norman Clarkson (our Vets Captain) received the Division 3 Winners Shield on behalf of the team.

The Club held their AGM on 12<sup>th</sup> November and reflected on a very successful season, after first enjoying some delicious refreshments.

The following officers were re-elected:- Jim Almond (President), John Piercy (Chairman and Huby League Captain), Norman Clarkson (Ryedale Vets Captain and Greenkeeper).

Heartfelt thanks were expressed for Paul Kendrick who stood down as Treasurer after several years' service, but continuity was guaranteed when his wife Sue agreed to take on the mantle. Paul of course is a legend at Huby as he was the driving force behind the new Clubhouse.

The season may have finished in September, but a lot of work has since taken place on the green and surrounds to prepare for the 2019 season. Next year we will be in Division 2 of the Ryedale Vets, with matches home and away, against Easingwold A, Wigginton A, Strensall, Stillington and Swinton, quite a bonus as our Division 3 opponents came from further afield. The Huby League welcomes Malton to the fold to join; Easingwold, Harome, Hutton-le-Hole, Terrington, Wigginton and ourselves.

League matches commence on the 1<sup>st</sup> May and go through to the end of August. You can follow our progress through the Easingwold Advertiser, or better still why not come to our social bowling on Monday afternoons and most Thursday evenings. See the next edition of the Huby Voice for the start date of our social bowling and our league fixtures.

**Jim and Betty Almond**-Huby Bowls Club would like to add our congratulations to Jim and Betty on their Diamond Wedding Anniversary (on 22<sup>nd</sup> November). Jim is our Club President and with Betty turn up to support the team during many of our matches during the season.

In addition, for many years they represented the Bowling Club as players, our various honour boards testify to their prowess.

### Tuesday 11 December: Some Like it Hot

Often voted the funniest film of all time, this classic is just right for these gender fluid times. Made in 1959 and set in 1929, directed and produced by Billy Wilder, starring Marilyn Monroe, Tony Curtis, and Jack Lemmon, the film is about two musicians who dress in drag in order to escape from mafia gangsters whom they witnessed commit a crime inspired by the Saint Valentine's Day Massacre. It is not only a marvellous film but also incredibly tolerant and challenging for its time.

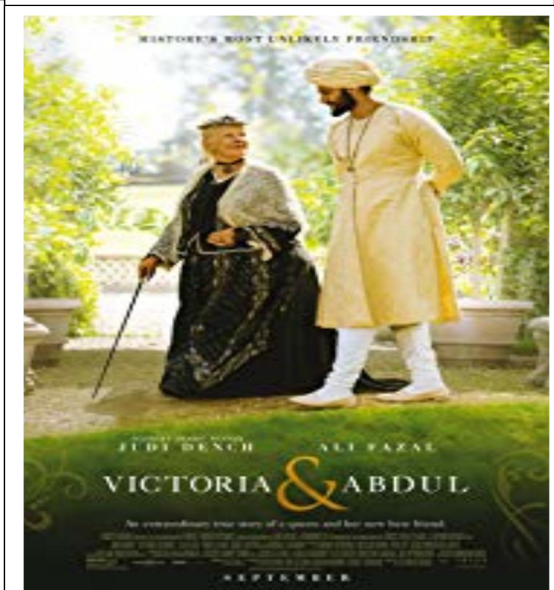

### Thursday 24 January: Cold War

Paweł Pawlikowski won the best director award at Cannes in May for this sweepingly intimate love story about a star-crossed couple falling together and apart, through the iron curtain of postwar Europe. In less than 90 minutes, we're taken right through the main staging posts in the two lovers' lives. Whatever they endure, whether separation, betrayal, alcoholism, the ravages of ageing or even imprisonment, they never give in to self-pity. Reflecting the two leads, the film retains a quiet humour throughout.

### Thursday 21 February: Victoria and Abdul

Stephen Frears (Philomena, The Queen) directs this tale of the unlikely intergenerational friendship between Queen Victoria (Judi Dench, regal as ever and clearly having a blast) and an Indian servant named Abdul Karim (Ali Fazal). Abdul is "the tallest man here" and so is shipped from Agra to England to present Her Majesty with a ceremonial coin in celebration of the golden jubilee. "I thought the tall one was terribly handsome," says the Queen, and so Abdul is promoted from bearer of wobbling royal jellies to her personal footman and, eventually, her "munshi" or spiritual guide. Dench is captivating as the cantankerous queen, Guardian
