The most recent Community Speed Watch took place to coincide with Road Safety Day at the School. During a one-hour deployment at 11am on a Friday, 125 vehicles went past, of which 32 were above the speed limit. Indeed, some drivers sped by at around 50mph! Further speed watch activity with the School Road Safety Officer and school children on Tollerton Road recorded six offenders in just 20 minutes.

The Latest Boom!

Taiko drumming is literally “booming” across North Yorkshire. *Taiko* simply means “drum” in Japanese but has come to refer to a style of drumming that is characterised by big sticks, large drums, high energy and choreographed movements. You may have seen taiko drummers at the Beijing Olympic Opening ceremony, the Rugby World Cup or even at the theatre in York, but did you know that there is taiko drumming closer to home?

Taiko drumming is often seen as something for athletic, young people, but it is very accessible and has something to offer everyone. It is very easy to start – hit the drums and they make a sound! But there is much more to it. Learning the songs and interwoven patterns is great “brain training”. Moving about and hitting the drums is great exercise. Working with other people as a team and having fun together has wonderful mental health benefits.

Have a go yourself?

Fun, friendly, feel-good taiko at Shipton Community centre, Shipton-by-Beningbrough. The sessions are twice a month, Friday evenings from 7:00 – 8:00pm and cost £5 per session. All are welcome. The aim is to have fun and meet other people.

HUBY SPORTS PAVILION IN CRISIS

As one of the largest villages in North Yorkshire, it is sad that in spite of everyone's best efforts, Hubby's central outdoor leisure facility has deteriorated to its current condition.

For those that don't know, there hasn't been a senior football team playing here for a few years and this summer saw the last of the cricket teams pull up stumps for the final time. Undoubtedly the shift in social habits has made it impossible to field one, let alone two teams each weekend – with few, if any Hubby residents actually participating - so gradually the number of user groups at the pavilion have dropped away, with the consequent fall in income to support the necessary maintenance of the grounds and building.

There have been numerous fundraising activities over recent years, but we have reached a point now where the appetite to continue to put the hard work in to merely apply more and more "sticking-plasters" has gone.

The replacement cost of the pavilion is way beyond our means, so external funding would be required. Preliminary discussions we have had with several funding bodies have been encouraging, but the basis of any contribution comes down to this:

“What facility does the village want and need?”

Nobody will give us funds without a clear understanding of what it will go towards building and who would benefit, so we have decided to put it back to you, the community, to tell us what you want from this.

Other than dog walkers and occasional informal sports activity it isn't known who else uses the sports ground, and why. So:

- **Do you want a sports ground?**
- **Do you want a pavilion?**
- **What, if anything would you rather see here?**
- **Does anyone wish to restart a football or cricket team to be based in Huby?**
- **What new club or activity would you like to see?**
- **Would you be prepared to get involved with fund raising?**
- **What other ideas or suggestions can you provide?**

With no new support, options remain limited with the likely outcome being the whole facility becomes abandoned and derelict, an eyesore and a general wasteland, and the **playing field possibly closed to ALL users.**

Due to insurance implications this would also include the children's playground which would be a terrible shame.

Any suggestions should be left at Barkers of Huby in the box provided or via email to hubyplayingfields_northyorks@yahoo.com , and thank you for your help in shaping the future of this area of open space for generations to come.

DIARY DATE

Come and help us celebrate our 5th birthday as a community owned shop on Sunday 17 May 9 – 11.00am on the shop forecourt. No charge, but feel free to make a voluntary donation to our charity of the year St Leonard's Hospice.

DEDICATED TO LESLEY BARKER

VOLUNTEERS

Running the shop is not like running an occasional or annual event. We need to be able to open every day, handle new stock and fill shelves, serve customers pay suppliers and staff, submit vat returns and ensure we comply with all necessary legislation. We can only do this with the magnificent support and skills of our volunteers. This Spring we have been pleased to welcome Graham and Linda to the team, who moved to the village last year. Some of our volunteers have been with us from day 1 so a very BIG THANK YOU to you all.

If any volunteer would like to consider serving on the management committee, please speak to Denise or email the shop as we will have a vacancy at the autumn AGM.

Sunday Morning Junior Vacancy

The shop supports young people in the village by offering paid work (minimum wage applies) on Saturday and Sunday mornings. We now have a vacancy for someone aged 16 – or 17 to work 8.30am – 11.30am every Sunday morning, alongside a volunteer. Please email hubyandsuttonshop@outlook.com for more information or pick up an application form in the shop.

Surviving Winter

We are very thankful to everyone who has so kindly donated to the Surviving Winter fund which was launched in November by All Hallows with Easingwold Food Bank and support from the Two Ridings Foundation.

We are now in a position to support residents with help towards fuel bills or to make their homes a little warmer: maybe you know someone who needs some draught excluders, a new warm blanket or a hot water bottle? Maybe your neighbour is confined to one room and a little extra heater and a contribution to the electric bill would make all the difference when the temperature drops outside.

Please do spread the word and if your friend, neighbour or relative needs a little help it is easy to apply - just leave a message on the Food Bank number 07724 444 750. All applications are CONFIDENTIAL.

Tuesday 10 March: Wild Rose

Jessie Buckley lights up the screen as Rose-Lynn Harlan; a 23-year-old firebrand, fresh out of jail, wearing an electronic tag beneath white cowgirl boots. Her redoubtable mum, Marion (Julie Walters), wants Rose-Lynn to settle down and take care of the kids she's been minding while her daughter was in prison. But Rose-Lynn has a wanderlust that not even a strictly enforced curfew can quell.

A fiery Glaswegian singer and single mother dreams of Nashville glory in this gritty feelgood feature (Guardian)

Tuesday 14 April: First Man

Director Chazelle makes the moon landing the climax and the glorious main event. It is a movie packed with wonderful vehemence and rapture: it has a yearning to do justice to this existential adventure and to the head-spinning experience of looking back on Earth. Ryan Gosling gives a performance of muscular intelligence and decency as Armstrong, a man of calm and restraint; he stays cool and focused in the spacecraft under conditions that would reduce most people to a blinding panic.

Tuesday 19 May: Official Secrets

Based on the true case of Katharine Gun, a translator working for the British security services at the GCHQ surveillance unit in Cheltenham. In 2003, she was astonished to receive an email making it plain she was expected to find out incriminating personal details in the lives of UN representatives from small countries so that they could be blackmailed into voting for the war in Iraq. Keira Knightley gives a focused, plausible and sympathetic performance as the whistle-blower Gun, who herself was prosecuted under the Official Secrets Act

It has thankfully been another quiet period since our last newsletter, with little or nothing to report of any significance other than occasional mischief.

I'm pleased to say the email distribution continues to function well, with a couple of vehicles reported patrolling around Sutton on the Forest and Huby during the last year but a quick email on the "round-robin" raised awareness, several people reported sightings and then thankfully nothing more was seen. It is this vigilance that has stood out over the last few years as one of the reasons why the crime levels in the area remain low, with a good network for sharing information and the community as a whole being prepared to report things quickly for everyone's benefit.

With a growing village if anyone new to the area would like to be included on this email process please let us know on jsbullough@btinternet.com and we'll add your details for any future newsworthy activity. Similarly, if you know of someone that ought to be included, please let us know

For a number of reasons, some personal, some Police related, the Christmas patrols didn't take place last year, but we hope to resume them again this year – more news on that nearer the time.

Our AGM will be held in March and is open to anyone who wishes to come along so please look out for the notice in due course.

Thank you for all your support throughout the year – we hope with everyone's continued vigilance our village will remain a peaceful place to live and work.

Simon and Jackie Bullough

Forest of Galtres Camera Club

The Christmas break saw the halfway mark to our season, meeting at the Parish Rooms in Easingwold 7.30 pm on Monday evenings. The first meeting in the new year we welcomed Chris Shepherd with her collection of 'now and then' images of York which proved to be fascinating. There is still a strong Huby contingent in our membership and we very much hold our own in all the club competitions.

Details of our programme, which includes guest speakers, competitions and group activities can be found in full on our web pages. Our club activities continue with three print competitions, our online open and members Portfolio.

In today's digital world many members, and even visiting speakers, are using a more compact / bridge camera or even their phones for taking their images instead of a more cumbersome SLR camera. Also, an important part of photography these days is knowing how to improve your image on your computer or tablet.

If you want to improve your photos you will be most welcome to visit the club and see what we are up to. Contact details and our full programme can be found on our web pages, plus images from our members can be viewed. www.easingwoldcameraclub.org.

Huby CE (VC) Primary School

We've had a wonderful start to 2020. Miss Pugh has joined us and is teaching the children in EYFS and Year 1 and we also welcomed three new children to Huby. The children, as usual have been out and about enriching their school experiences.

On the very first day of term the school choir travelled down to Sheffield Arena to join 5000 other children from across the region to sing in one of the biggest choir concerts in the UK, Young Voices. We all had a brilliant time and it is always a highlight of the school calendar.

Professional musicians, from Sowerby Music also came into school and led a day of musical activities. The day began with a concert for all the children, followed by workshops for the children which culminated in the children performing their own compositions at the end of the school day.

Children in Key Stage 2 spent the day at the Castle Museum, York as part of their topic on the Victorians and experienced a Victorian school lesson. All the children unanimously agreed that they preferred school as it is now!

Children in Key Stage 1 and EYFS will be going to Bolton Castle next week as part of their topic on 'Castles'.

The School Council has been raising funds for local charities and encouraging the children and parents in school to think of ways they can help reduce waste and power usage in their efforts to reduce Climate Change. The school raised £ 207.44 for St Leonards Hospice and £265.32 for Candlelighters. We are all very proud of the efforts the children have made to support local causes and to take steps to fight Climate Change.

GALTRES BROWNIES

The girls have recently been busy making up bird nesting boxes, they had a fun evening hammering nails resulting in some spectacular boxes, which have now been taken home to put in time for the Spring.

The “Be Well” theme badge was completed at the end of last year and we have now started “Express Yourself”, we have already tried sign language and learnt how to spell our names and to sing a song.

As part of the theme we are having a show on Wednesday 11 March including singing and reciting poems. The girls are also making buns and cakes to sell to raise money for a charity of their choice “Guide Dogs for the Blind” All welcome to join us at 6.30pm in Huby Methodist Church

After over 30 years of being involved with the unit, Brown Owl has decided to retire and hang up her “wings” in July. If anyone is interested in coming along to join the fun and adventure with the other Leaders and girls, please email: galtresbrownies@gmail.com

★ ★★ DOG WALKERS OF HUBY ★ ★★

Please can all those who use the Playing Fields to walk their dogs make every effort to ensure all dog mess is cleared up.

We are receiving a large amount of complaints about dog mess on the field and it is becoming an issue for a lot of people using the area.

We do understand the perpetrators are a very small minority of users but as we aren't sure who is at fault, we have to send this to all.

School Governor Huby School

Huby CE Primary School is looking to appoint a new Foundation governor to join their hardworking and dedicated governing body. Being a school governor is a challenging but hugely rewarding role. As a governor you will help provide strategic leadership and accountability, helping set aims and objectives for the school to ensure its on-going success. A Foundation Governor represents the link with the original establishment of the school through the church and its religious ethos. It is the role of the foundation governor to put discussions within the context of the Christian foundation of the school.

Huby CE primary School was rated 'Good' by Ofsted in June 2019. If you are interested in the role and would like further information then please contact Mrs Rushton or Mrs Pannett, the school administrators for more information on 01347810432 or email admin@huby.n-yorks.sch.uk.

Norman Clarkson and his team put the green and the surrounds to bed last autumn, but not before completing a great deal of hard work in preparation for the new season. As mentioned last year, improvement to the playing surface takes time over several seasons, but we now have a great addition for this task.... a scarifier.

HUBY BOWLING CLUB would like to put on record their heartfelt thanks to:-

EASINGWOLD LIONS and HUBY PARISH COUNCIL,

For the grants which covered the purchase of our new coveted piece of equipment.

The Club currently play in 2 competitions:-

1) Huby & District Triples Bowls League:-

- Played on either a Tuesday or Thursday evening
- With the new addition of Stillington it now consists of eight clubs the others being; Easingwold, Harome, Hutton-le-Hole, Malton, Terrington, Wigginton and of course Huby.
- On the 30th April, the season starts and we are away to Easingwold, then on the 5th May we are home to Stillington.

2) Ryedale Vets Triples Bowls League

- Played on a Wednesday afternoon
- We play in Division 3. After dropping down from 2 with Easingwold A.
- On the 6th May, the season starts and we away to Sheriff Hutton, before a home game a week later against Hovingham. The other 3 teams in our division of 6 are; Easingwold A, Harome and Welham.
- In addition to the league games we play in various cup competitions.

SO WHY NOT COME AND JOIN US, RECEIVE A WARM WELCOME.

IT IS GOOD FUN AND A GREAT WAY TO SOCIALISE. WE'D LOVE TO SEE YOU.

Happy Easter, Kind Regards, Freddie (contact details above).
