Parish News

The Parish Council has now been able to have two meetings face to face which has been a great relief after so many Zoom meetings. Let us hope that it continues. No members of the public had yet been present, everyone is welcome back if they feel comfortable. There is still just one vacancy on the Council. If anyone would like to be considered for co-option, please do email me.

Ten planning applications have been considered since the last newsletter. The Council also met with Jon Berry, the Head of Planning at Hambleton District Councils. Discussion was around how the Parish Council can best influence the outcome of planning decisions. Jon reiterated the importance of a Neighbourhood Plan, and the Council will consider in September whether to resurrect the production of a plan. This would be produced by a separate committee and anyone wishing to be involved please contact the Council.

News came through about the introduction of a Unitary Authority. A new North Yorkshire wide authority will take over the roles of the Districts and County Council from April 2023. Elections for the Councillors for this new authority will take place. No changes will be made to Parish Councils.

A new larger notice board is now in place. This will allow both Parish Council and Community notices to be put up without conflicting. The old board has a new lease of life at the Village Hall.

The Council is requesting that Tree Preservation Orders be made on the trees in Tally Hill and one in Haverbrakes Lane. However there appears to be a wider appreciation of existing trees in the village and if anyone has any suggestions of trees that should be protected, please contact the Council. Two dead trees on Main Street will be replaced by cherry trees at the appropriate time.

The Council is obtaining two new additional benches to be placed on Tally Hill. It also has three benches that need refurbishment. Anyone who would like to tender for the installation refurbishment please contact the Council.

The Council agreed two grants, one of £1,000 to help with the running costs of the Playground and the other of £1,400 to help fund a Community Event in September. It is great to know that community events and activities are back with us after so long.

You will by now have most likely seen the Speed Warning signs in the village which are intended to remind motorists of the 30mph speed limit. There is one on Bell Lane and one near Barf Hill. The signs are moveable and will be relocated from time to time to monitor speeds at various places. The signs collect data which can be analysed to show various statistics about the volume and speed of vehicles through the village. Surprisingly, over 1000 vehicles per day pass the sign at Bell Lane, and nearly 900 per day at Barf Hill. The data shows that about 85% of drivers are obeying the speed limit, and thus keeping the village safe. However, this does mean that about 15% of vehicles travel through the village too fast. Some are just over the limit, but a few are significantly exceeding the posted speed limit. Huby is a busy village with a high volume of traffic. Observing the speed limit helps keep the village safer for all users.

RAVENSDALE FLYBALL

We train just outside of Huby and welcome everyone to join us especially if your dog likes fetching a ball . We offer a trial session to see if you will enjoy it and then we train weekly on a Sunday morning if not competing in which case usually a Thursday evening. We are a competitive team and there are competitions most weekends through the summer so we would hope to have some level of commitment from team members.... obviously not to every weekend!

Flyball is the most unique and exciting dog sport ever invented; it is fast, colourful and noisy, and it's the fastest growing dog sport in this country!

Flyball is an exciting relay race for teams of 4 dogs and their human handlers and it's addictive. Come and join us or email to find out more.

HUBY WALKS GROUP

RIGHTS-OF-WAY PROGRESS

The Walks Group, supported by the Parish Council, are beavering away and will soon be ready to make the formal application to register a Right-of-Way over Brownmoor Lane.

PLEASE will you help us by returning the User Evidence forms to us, if you use this lane. 100 have been issued but some have not been returned. We need enough to go to the County Council to make a strong case. Please fill in the correct lane, Brownmoor Lane, on the map, otherwise we cannot use the form. You can return them to Kathryn Wallis (Cariss House), the Evers (Rose Cottage) or to the shop. We also have spare forms for anyone else to fill in.

We are well on collecting historic documents and maps, which have to go to NYCC too.

If we do not complete this task, then we will lose any rights to use Brownmoor Lane.

Forms for Oxclose Lane and Sparrington Lane will follow.

Our past season ended in March and every weekly meeting had been successfully held via Zoom. Our meetings prior to Zoom and the pandemic had always been held at The Parish Rooms in Easingwold. However during this period we were thrown another curved ball when we were told The Parish Rooms will not reopen again and we will have to find a new venue.

The good news is that our new season which starts on Monday 4th October will be held at The Galtres Centre, our new venue, where we can now gather for our regular Monday evening club meetings. We do intend however to continue with our Zoom adventures as it does enable us to welcome speakers from much further afield.

If you have an interest in photography, camera or phone, please do join us. For more information you can email fogcc@btinternet.com

Our programme for next season can be seen on our web pages:

Tuesday 28 September: Nomadland

McDormand (an Oscar winning performance) stars as Fern, a widow and former substitute teacher in Empire, Nevada – a town wiped off the map by a factory closure – who is forced into piling some possessions into a tatty van and heading off, something she accepts with an absolute lack of self-pity. The people she meets on the road are, mostly, real nomads who have vivid presences on screen and McDormand's modest, equable persona slots easily into this group.

Chloé Zhao's *Nomadland* (best film at the Oscars) is an utterly inspired docu-fictional hybrid, like her previous feature *The Rider*. It is a gentle, compassionate, questioning film about the American soul.

Tuesday 2 November: Samba

Samba is a 2014 French comedy-drama film co-written and directed by Éric Toledano and Olivier Nakache. It is their second collaboration with actor Omar Sy following *The Intouchables* (2012). You may also have seen him in *Lupin*.

Samba Cissé (Sy), a migrant from Senegal to France, works as a dish washer in a hotel. After a bureaucratic slip-up lands him in detention, he is ordered to leave France. With the help of a businesswoman (Charlotte Gainsbourg), he fights to stay in France.

Sy and Gainsbourg do a great job of lending depth and complexity to their characters, while Tahar Rahim is a hoot as Samba's allegedly Brazilian best friend.

Huby Village Hall.

On Wednesday 4th August at 2pm we had the first 'Friends of Huby' get together.

This is a brand-new informal group and is open to everyone.

The hope is that anyone who feels that they have spent too much time on their own for the last 18 months, or just too much time at home, can come along for a couple of hours to socialise, drink tea, eat cake and make new friends in a relaxed and welcoming environment.

The group has had grant support and hope to be able to use this money to do things like subsidise trips out and subsidise a full Christmas Lunch in December.

We have taken the first steps and we have already had some suggestions of things people would like to do and we will take things forward from this first meeting.

Friends of Huby will meet on the FIRST and THIRD Wednesday of the month starting from 15th September 2021 and then onwards into the future.

We hope to see you there.

Friends of Huby

Wednesday 15th September at 2 o'clock in Huby Village Hall. £3 per person

Everyone welcome

Other Village Hall news - The hall is slowly coming back to life and the committee would really welcome new members to help us run the hall, if you are interested please email hubymemorialvillagehall@outlook.com to let us know, we would appreciate the help enormously.

We are very pleased to welcome back all of the regular users who have returned so far. It's good to see you all again.

If anybody would like to book the hall, please use the email address for your enquiries. The cost for hire is £12.50 per hour.

The book swap library is great success. We hope to expand this service and intend to leave the outside doors unlocked one afternoon a week and have a greater selection of books, in a new bookcase, for people to choose from and space for people to leave any they would like to donate. When we are ready, we will let you know on the notice board and on Huby Village Hall Facebook page.

We have our own Facebook page Huby Village Hall

New residents pack.

We like to welcome new residents to the village, if you have just moved in and haven't received your welcome pack, please email: hubyvoice@gmail.com

The next edition of Huby Voice will be in December, please submit your articles to hubyvoice@gmail.com by 15 November, prices for advertising on request

Barkers of Huby

As this newsletter goes to print, we have fingers crossed for good weather on 14 August for

our Volunteers Summer Party in the gardens at Huby Memorial Village Hall.

It is an opportunity to say a huge THANK YOU to every volunteer who has helped during the last 18 months or so of Covid, to keep the shop stocked and open.

It is also the first time since February 2020 that we have been able to get TeamBarkers together!

Our volunteers range from teenagers to over-eighties and everything in between: but the one thing we all have in common is how much we enjoy being a part of TeamBarkers. We've made new friends, learnt new skills and take great pride in what our collective efforts achieve.

The village would be so much the poorer without our lovely shop, and the reality is, both the shop and Post Office would only be able to open part-time if we did not have the volunteers willing to help behind the till and behind the scenes.

You can find out more about what we do on our website : ww.barkersofhuby.co.uk or speak to our volunteer lead, Terry Wolf, or any of our team if you'd like to get involved.

Our AGM will be held on Friday 8 October at 7pm in Huby Memorial Village Hall, where we will report back to our shareholders. If you are one of our 520 shareholders, you are invited to attend and vote on any matters on the agenda.

If you are new to the village, welcome, and please consider supporting our wonderful community shop by becoming a member and purchasing a £20 share, in addition to doing some of your shopping with us and perhaps even joining our volunteer team!

HUBY AND SUTTON AGRICULTURAL SHOW

Sunday 3 July 2022

We are pleased to announce that Vicki Waite has been appointed as Show Secretary.

We have had very little response to our request for more volunteers to help with the running of the show, we especially need help with the setting up of the show ground in the days before the event, also help with a variety of sections in the programme, from cattle, sheep, horses and classic vehicles

News from Stillington Surgery

Flu vaccinations and Covid Boosters

Stillington, Millfield and Tollerton Surgeries will continue to work together this autumn to offer seasonal flu vaccinations and covid vaccination boosters at the Galtres Centre in Easingwold. We will be giving both vaccinations together assuming that the JCVI recommends that both are given at the same time.

Clinic dates will be announced shortly.

Please keep checking Surgery websites/posters and social media for updated information.

2Ks Walk the Wall

Karen and Kath would like to say a huge thank you for everyone's generous donations towards our charity challenge, "500 miles in 5 weeks". We completed it, and more, covering a total of 628.66 miles.

Our journey involved joining the Yorkie Talkies Walking group, which in turn allowed us to experience some amazing walks across our beautiful county that we were unaware of; this was also a great way to make new friends. Karen continued her impressive Spin and HIIT classes whilst Kath played plenty of golf (sadly, no improvement in handicap) and reacquainted herself with her running machine to get the mileage completed.

For anyone who missed our page a few weeks ago, we have been raising money for St Leonard's Hospice. We have almost reached our target of £3,000, but if people are still wishing to contribute for this worthy cause, here's the link:

Galtres Brownies Huby

We started meeting up again in May, initially meeting outside, but then back to the Methodist Church for socially distanced meetings

Since meetings restarted, we have enjoyed making scarecrows at the Guide allotment, Geocaching around the village, pond dipping and for the last meeting we visited a local Alpaca farm.

If your daughter would like to join the adventure in your village please email:

1st Galtresbrownies@gmail.com for more information

Litter!

There is still a significant amount of litter being dropped around the village, especially in the children's playground. Please encourage youngsters to dispose of their rubbish carefully.

If you are going for a walk around the village, why not take a bag with you to pick some up

News from Huby Methodist

As summer seems to be passing all too quickly, we look forward in the Methodist Church to a new start, a new Church year in September. The York Methodist Circuit has taken a mixed approach in the past few months, with a gradual reopening for indoor worship. We have sung hymns at last, rather than humming the tunes, albeit with the advice of mask wearing, and met people we have not seen for many months, other than on zoom, which has been good.

Services for the village churches will rotate between Stillington, Tholthorpe and Huby, with the addition of zoom services and live streaming. Groups such as Brownies and Rainbows, Community Cafe, Monday Club, Jellybeans and W. I. will restart in September. We look forward to using our newly refurbished chapel, including the outdoor patio space, ideal for sand and water play for Jellybeans, or outdoor coffee and cakes for Community Cafe.

Thank you for all the support we have received from the village during the past eighteen months and to Revd Elizabeth Cushion for all her help.

Contact details – Our Minister, Revd. Elizabeth Cushion, is available on 821460, if you have any concerns you wish to discuss, and for baptisms, weddings, and funerals.

Stewards – Carole Smith (810057) and Jean Abbey (838593).

VX at Huby Memorial Village Hall

VX is a VExcellent game for anyone over 14 years of age of any gender and ability. It helps if you'll enjoy racing around the village hall on a Monday evening between 7.30 and 9 pm trying to hit other players using a Vstix and low pressure tennis balls.

Why don't you come along and try it out? First session free; thereafter £3 per session and £35 pa membership fee

(We can't have the hall the first Monday in September and November though)

Huby Playground

The Huby Playground Committee would like to say a huge thank you to all those volunteers and little helpers who came down to the play area on Sunday 25th July for our gardening and tidy up day. It was great to see familiar faces and new faces from the village. I'm sure you'll agree the play area looks great and thanks to a kind donation we were able to paint the fence to add a splash of colour as well.

The play area is managed by volunteers and is maintained through donations, with this in mind please consider buying a raffle ticket ahead of our Big Huby get together on Saturday 4th September. Raffle tickets cost £1 or you can get a strip for £4. Tickets are available to buy from the Mended Drum or drop us a message on our facebook page 'Huby village playground appeal'. With prizes ranging from a family pass to Beetle Bank farm, Vouchers for afternoon tea and even a fly-fishing tutorial you be disappointed if you don't!

Kind regards *Fiona Barker*

Death isn't something most of us want to talk about or think about. And why would we?

But what we DO want is for our loved ones to be looked after when we're gone.

And yet, nearly half of us don't have a will or even a plan for our estate when we die. It's something many just don't get round to - despite knowing that we should.

I understand just how much people struggle with this topic because I am in the business of will writing and estate planning. Helping people to organise their estate in the quickest and easiest way possible is exactly what we do at Squiggle. It is something we take seriously because we believe people need good advice in this area so they can take the decisions that will have the most impact when they are gone.

Huby Bowling Club – 2021

The 2020 season was cancelled, other than pre-booked socially distant practices by a few members.

2021 was going the same way until restrictions were lifted in July and a reduced league season began. By the time you read this our league fixtures will have finished, leaving a few club tournaments and social bowling to continue during September, until the grounds staff decide they want to put the green to bed.

NEW MEMBERS WELCOME

The Club always welcomes new blood to carry on the traditions of Lawn Green Bowling in the village. If you are interested and would like to know more about the Club, why not join us on a Monday afternoon during early September, we play between 2-4 pm, with drinks break at 3pm. If you work or have other commitments and cannot make the afternoon, please contact me in order to make alternative arrangements. Freddie Alnutt - on 01347 811081 or email fred.hubybowlsclubsec@btinternet.com

HUBY BOWLING CLUB would like to put on record their heartfelt thanks to: -

SPORT ENGLAND

For the Return to Play award which covered the purchase of 8 new bowls collectors.

The Club currently play in 2 competitions: -

1) Huby & District Triples Bowls League:-

- Normally played on either a Tuesday or Thursday evening, from late April until the end of August.
- This year matches were every Tuesday and Thursday in order to play each team twice during July-August.
- Stillington made their debut in the competition, but unfortunately Hutton-le-Hole dropped out. So, in addition to Stillington the other 6 Clubs are; Easingwold, Harome, Malton, Terrington, Wigginton and of course Huby.

2) Ryedale Vets Triples Bowls League

- Played on a Wednesday afternoon, from May until August. This year it was also condensed into July and August with all Cup Competitions cancelled.
- In our case we were reduced to 2 friendlies against Harome, as Division 3 lost Easingwold A, Hovingham, Sheriff Hutton and Welham who withdrew due to lack of players.
- The 2022 season may require a revamped league system if these teams cannot return.

HUBY SHOWCASE EVENT – 4th September 2021

Huby Bowling Club are pleased to support and participate in this event, we will be open from midday till 4.00pm to provide Tea/Coffee and cake plus bowling taster sessions.

Please join us and experience Lawn Green Bowling for yourself.
