Parish Council News

There is still just one vacancy on the Council. If anyone would like to be considered for co-option, please do email me.

Five planning applications have been considered since the last newsletter. The Council will in March be meeting with Hambleton DC regarding restarting the Neighbourhood Plan process and also designating a Conservation Area. This would give the parish much more protection from inappropriate development which would impact on the nature of the village.

Two grants have been granted by the Parish Council. One for £450 to the Huby Bowling Club towards a diesel generator and £2,615 to the Village Hall towards its cost of repairing the porch roof.

An order has now been laid before Parliament detailing the new warding arrangements for the unitary authority. The parish is expected to be in a new Huby & Tollerton ward. It is also expected that the parish council elections will be brought forward to May next year.

The two new benches for Tally Hill have now been installed. The new bench near the children's play area has been received and has permission from the sports field committee. Once the demolition work is fully completed the bench will be fitted.

The next meeting of the Council will be held on Monday 7 March at 7.30pm in the village hall.

Nigel Knapton

Clerk to the Parish Council

SUTTON ON THE FOREST FILM CLUB SPRING PROGRAMME

at The Grey Village Hall. 7.30PM drinks 8PM performance starts

Entrance by donation on the door. comfort.jeremy@gmail.com 01347 810252

Tuesday 8 March

Dune is a 2021 American epic science fiction film directed by Denis Villeneuve. It is the first of a two-part adaptation of the 1965 novel by Frank Herbert. Set in the far future, it follows Paul Atreides as his family is thrust into a war for the deadly and inhospitable desert planet Arrakis.

The ensemble cast includes Timothée Chalamet, Charlotte Rampling, and Javier Bardem. This eerily vast and awe-inspiring epic, a cathedral of interplanetary strangeness, is better than the attempt a generation ago by an acknowledged master, David Lynch. Guardian

Thursday 21 April

Belfast is a 2021 British coming of age comedy-drama film written and directed by Kenneth Branagh. The film stars Caitríona Balfe, Judi Dench, Jamie Dornan, Ciarán Hinds, Colin Morgan, and newcomer Jude Hill. The film, which Branagh has described as his "most personal film", centres on a young boy's childhood amidst the tumult in Belfast, Northern Ireland, at the end of the 1960s. Branagh has made a masterpiece. Belfast is a deeply soulful portrait of a family in peril, culled from Branagh's childhood. Times.

Tuesday 24 May

King Richard is a 2021 American biographical drama film directed by Reinaldo Green. It follows the life of Richard Williams, the father and coach of famed tennis players Venus and Serena Williams. It stars Will Smith in the title role.

Will Smith is a true movie star, even with bags under his eyes. Though some truths have been manipulated, the story of the Williams sisters and their ambitious father still finds its compelling sources of tension. Independent.

A new fun, friendly
exercise class has
started in Huby!

Aimed at over 60s as all exercises can be done seated or standing. Low impact exercises work on flexibility, aerobic fitness, balance and strength with music and equipment used to add interest and fun.

Huby & Sutton Gardening Club

It's more than likely that you've heard of the sudden death of our Chairman, Willie Anderson on 1st October.

Willie was the Gardening Club. He took over the Club when had only 20 members. Their subs would scarcely cover the cost of a speaker and the hall hire. He was instrumental in encouraging members from Huby to join, by holding alternate meetings there. In addition, he recruited people from nearby clubs that have closed to join. As a result, we now have more than 80 members and a bank balance. He encouraged the Club to organise Opens Gardens and did a lot of the work himself. These events have raised tens of thousands of pounds for charities serving the York area and for village good causes. Local children were encouraged into gardening with potato growing and pelargonium competitions. He had no-nonsense Scottish manner, encouraging numerous locals, often not members to help, in a way they found impossible to resist.

At the request of the Committee, I have accepted the Chairmanship of the Club, but Willie will be a very hard act to follow so I hope members will forgive any lapse in standards.

Our meetings in 2022 as usual, alternate between Sutton and Huby village halls and start at 7.45. They are advertised on the notice boards of both villages and members are reminded by e-mail. You can join at any meeting and so obtain concessions from several local gardening goods suppliers or just come as a visitor.

I'm happy to answer any questions you have about the club, preferably by e-mail (dji3@btinternet.com) or if you prefer by phone, 01347 810208.

Here are our meetings for the rest of of 2022:

23 February at Sutton Grey Village Hall "Gardeners' question time" with Martin Fish and Sarah Hopps. Please bring your gardening questions.

23 March, Huby, Mark I'Anson "Gardening month by month"

27 April, Sutton, Barbara Hickman, "Helmsley Walled Garden" and AGM

There's still time to book our outings, details at the meetings.

We start again in September.

Let's hope we have a great gardening year - we deserve it!

Derek Jacobs.

Dr McPherson's retirement

Thank you to everyone who contributed to the gift for Dr McPherson, several presents have been bought, including a Fortnum and Mason Hamper, Champagne tea for two at the Ivy, a book and an orchid

Volunteering is good for you and your community!

A few months ago, Barkers of Huby was visited by assessors for the Queens Awards for Voluntary Service and they were taken aback by the shop, the range of produce and the amazing volunteers who keep the shop open 7 days a week. The shop has over 50 volunteers and all of them have interesting back stories about why they have got involved: to put something back, to keep connected, learn new skills and meet like-minded people and make new friends.

Graham and Lynda Jones are two of our volunteers, they had got to know Barkers of Huby from stopping by on their house-hunting trips and always thought it was a great feature of the village. Recent retirees, they moved to Huby in September 2019.

“We hadn’t been here long before Janet in the Post Office said we should volunteer because it was a good way of getting to know people. Someone else pointed out that the shop was a great place to pick up the village gossip – or start the gossip if we wanted to!”

“We’d enjoyed volunteering for things in the past, so decided we could do an hour or two a week. We gave ourselves a few months to settle in and signed up early in 2020. That was shortly before the first lockdown when the shop became a lifeline for the village. Suddenly we were busy with shifts in the shop plus shopping for people shielding, but that way we got to know more people more quickly than we would have done otherwise.”

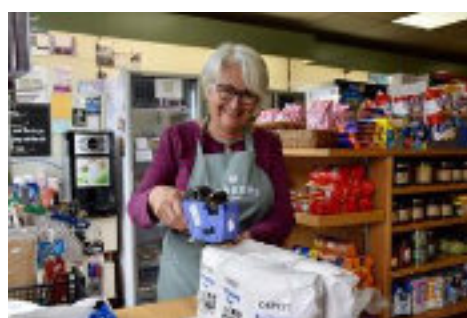

“It’s been good to learn new skills like how to operate a till, and it’s fun meeting the cross-section of Huby/Sutton residents and passers-by who use the shop, especially when there’s chance for a chat. And it means when we pass people in the street, we often know them from seeing them in the shop. We’ve also made some good friends among the other volunteers and enjoyed the volunteer socials.”

The shop is a great asset to Huby and Sutton and it’s good to be playing a small part in keeping it going.”

Whilst the shop does have a great team of volunteers, we are keen to encourage more local people to get involved and share the load. It can be for a couple of hours a week but is flexible so there’s no sense of obligation to always do a certain time, etc. And as well as serving in the shop, there are other roles where more hands are always welcome, like picking up stock, bits and pieces of light DIY and maintenance. All volunteers are made very welcome, with training, lots of support and a buddy at the beginning. We also do regular volunteer socials, and of course you hear the odd bit of news first over the shop counter!

To find out more visit the shop or contact Terry Wolf on volunteers.barkers@outlook.com

DIARY DATE : Sunday 15 May we will celebrate our 7th year as a community owned shop with a BBQ Breakfast on the shop forecourt. Drop in for a bacon buttie and slice of birthday cake anytime between 9am and 11am.

March In The Park

It's that time of year to help out our beloved and much used Huby park. Last year, this event raised an amazing £1135, which kept the park open.

This year we would love to buy new equipment! Can you help? Walk, run, skip, bike, scooter – however you do it, Huby park will be ecstatic. Collect your sponsorship forms from Barkers of Huby village shop or the park, in a concealed container from 24th February.

Thank you!

Help with Electricity Price Rises

We've all heard the recent headlines about increasing electricity prices and the stark choices many people will have to make. Few of us know exactly how this will affect us and if you find you are struggling, please remember that the Surviving Winter Fund is there to help you now – not just in Winter.

All Hallows Church and Easingwold Food Bank set up the Surviving Winter Fund to help residents in the Parish with fuel costs, but no one realised then what increases were coming. The fund is made up of contributions from people who receive the annual Government Winter Fuel payment to over 65s but feel they do not need their payment so look to donate it. The fund is not just available in winter though – you can access it anytime of the year if you need help.

How can we be sure that beneficiaries are truly in need? Due to the complete confidentiality of the fund, only Frank from the Food Bank, and sometimes the vicar, will know who the recipients are. We ask that you believe us when we say people do not ask for help easily. It takes courage and true need to approach a food bank for help; and Frank's experience of working with people in the area gives him an understanding of need and how to encourage people to accept offers of help.

If you need help with your fuel bills please apply in confidence via
Easingwold and Villages Food Bank 07724 444 750

Huby Methodist Church

.Today we had our Church Council meeting and discussed possible future plans for the coming year. We continue to rotate between the village churches for our Sunday services, Huby, Stillington, Tholthorpe, Alne and Huthwaite. The current monthly plan is always displayed on the notice board.

We started the new year with a joint Covenant Service, shared with All Hallows, Sutton on the Forest. This is always a wonderful beginning to the year. Recently the funeral of Mr Frank Pratt was held in Huby Methodist Church. It was a very moving service conducted by Revd. Elizabeth Cushion and especially appropriate as in 1894 a member of the Pratt family built the Chapel and Mr Pratt and his family have always been great supporters.

We hope to hold a Lent Course beginning on Monday, 7th March. at 2.00pm in the Chapel, led by Revd. Elizabeth Cushion. On Good Friday, 15th April we plan to gather outside Huby Methodist Church at 3.00pm for a short outdoor service, preceded by a Walk of Witness between Sutton on the Forest and Huby, hopefully with our friends from All Hallows Church, Sutton on the Forest. On 17th April, Easter Sunday, there will be a Communion Service led by Revd. Ruth Duck at 10.30am.

Most of our Church groups have now restarted, and it is hoped Community Cafe will be held on Saturday, 2nd April, with full details on the notice board.

Contact details – Our Minister, Revd. Elizabeth Cushion, is available on 821460, if you have any concerns you wish to discuss, and for baptisms, weddings, and funerals.

Stewards – Carole Smith (810057) and Jean Abbey (838593).

The next Messy Church will be on Sunday 6th March at 4pm in the village hall.

Please join us for arts and crafts, stories and fun for all the family, followed by a home cooked meal. A Welcome!

Huby CE Primary School – Spring Term 2022

We've had a really busy start to 2022. The children have been enjoying a variety of experiences to enrich their academic studies.

We started the term with a Times Tables Rockstars Day. The children (and staff) dressed up and took part in a day of maths competitions and activities. Multiplication is the main tool for many forms of maths such as algebra, fractions, equations and more. The ability to rehearse and understand multiplications up to and including 12 by the end of Year 4 of primary school, enables children to confidently and skilfully tackle more complex mathematical concepts.

This term, the children in Owls' Classes (Year 3 and 4) are learning about the Romans in history. In January, they visited Murton Park where they were able to experience life in the Roman times first hand.

The Kingfisher Class (Year 1 and 2) have been learning about Judaism and what Jewish people believe. Last week, they visited Etz Chaim Synagogue in Leeds. This week, they have been baking challah bread which is a traditional Jewish bread that is eaten at ceremonial occasions such as Shabbat and major Jewish holidays.

After two years of not being able to go away overnight, the Red Kite Class (Year 5 and 6) finally got to go on their first residential visit. Twenty-two children and three teachers spent three days at Robinwood in Todmorden. They threw themselves into the numerous activities, including crate challenge, night line, trapeze, zip wire, piranha pool, caving and canoeing. The children were all a credit to the school and everyone had a wonderful few days.

Galtres (Huby) Rainbows

The village Rainbow unit reopened in September and now is full, with a waiting list.

We are currently enjoying the “Express Yourself “theme and have just completed the Drawing badge

To put your daughter’s name down on the waiting list, please visit:
www.girlguiding.org.uk or more information please email:
firstgaltresrainbows@gmail.com

We would love to hear from anyone who would be interested in helping at the unit and possibly training as a leader, please email above for more

HUBY AND SUTTON AGRICULTURAL SHOW

Sunday 3 July 2022

Sutton Park, Sutton on the Forest YO61 1DP

Sponsorship packages available

Gold, Silver and Bronze packages give a variety of benefits

or sponsor an amount of your choice.

Contact the show secretary, Vicki, for more information.

If you would be interested in volunteering with the show contact Vicki

Entries for classic and vintage vehicle classes:
vehiclesathubyandsuttonshow@gmail.com

For information on tradestands, sponsorship and classes: vickicwaite@gmail.com

Brownies

The village Brownie unit recently visited York Dig as part of their Archaeology badge.

We had a thoroughly enjoyable morning learning about finds from Victorian, Medieval, Viking and Roman periods in the York area. Various exhibits were discussed and it was explained how the lifestyle of the period can be discovered from these, including the largest known Viking pool in Britain (a replica!). There were also reconstructed digs for the girls to enjoy learning how the excavations are done and what could be found at them. This badge forms part of the current theme award "Have Adventures" which the girls chose for this term.

If your daughter would like to join the fun, please email Galtresbrownies@gmail.com or visit the Girlguiding website to register

We recently welcomed Zoe to our team of Leaders and she was given the name "Midnight Owl" by the Brownies

Forest of Galtres Camera Club

Our new season, which started in October, is now well under way and will conclude at the end of March with our Awards Night and AGM. Our new venue this season has been The Galtres Centre, Easingwold which has been a big hit with our members. The Huby contingent within the club remains high.

Our move to the Galtres Centre has enabled us to meet again as a group, but also welcome members via Zoom if they still feel uneasy about meeting in person. The other bonus of Zoom is that we have been able to welcome new speakers from far and wide and welcome new friendships with other clubs in more distant parts of the UK.

Our online open competition has just concluded where members are the judge. Members images are viewed on our webpages with each member awarding points out of 20. The event is always well supported by members and the results can be viewed on our website:

www.easingwoldcameraclub.org

If you have an interest in photography, camera or phone, please do join us. For more information you can email fogcc@btinternet.com or our programme for next season can be found on our web pages.

David Higgins, secretary

1st Moxby Moor Scouts, Cubs and Beavers.

Another new year and one that has brought with it lots of new activities, challenges and fun for the Moxby Moor Beavers, Cubs and Scouts.

Beavers have spent the last few weeks learning lots of new skills and have been working towards their Money skills badge. They have had great fun focusing on Leadership and Teamwork and even had a game of Human Hungry Hippos – this went down a treat and lots of fun was had by all.

Cubs and Scouts attended a winter camp in Walesby Forest. They slept in tents, took part in shooting and climbing activities, and had a great adventure too. This was a fantastic opportunity for 2 new Cubs to be invested, and one Cub was awarded the Chief Scout Silver Award. There were also two Scouts presented with the Chief Scout Gold Award. These were very well deserved, that's for sure!

As always, the leaders have been working super hard behind the scenes to make sure all activities are risk assessed and ensuring appropriate covid safe measures are in place. As the warmer weather and lighter nights approach, there are lots more exciting things planned for Beavers, Cubs and Scouts. We always welcome new scouts so please get in touch if your young person would like to join our wonderful groups.

Huby Bowling Club – 2022

It may be the close season for outdoor bowls, but our hard-working ground maintenance team continued to work. They have replaced wooden boundary boards, re-seeded parts of the surrounds, replaced hedging and levelled the path to name just a few jobs. Meanwhile sport continues at the club, as we moved our carpet bowls from the Huby Sports Club in September and have been playing in the clubhouse for several weeks (observing Covid regulations by wearing masks and keeping doors and windows open). Mainly playing on Tuesday afternoons we will continue until we can return to the green in April.

As mentioned in the December issue our electricity supply was to be disconnected prior to the demolition of the Huby Sports Club and therefore we decided to obtain a generator. This was not viable without the assistance of grants for the purchase and installation. We were extremely thankful for the grant from the Friends of St Monica's Hospital but hoped for a further grant in January to enable the project to go ahead.

To that end HUBY BOWLING CLUB would like to put on record their heartfelt thanks to: -

1. <u>Huby Parish Council</u>
Huby BC are very grateful to the Huby Parish Council who awarded £450.00 at their January meeting. This allowed us to pay for the generator, which at the time of writing is due for delivery in mid-February.
2. <u>David Tompkins Ltd</u>
Many thanks for supplying materials to safely house the new generator.

NEW BOWLS SEASON 2022 FROM APRIL.

Fingers crossed we are hoping for a return to a normal season in 2022. Social bowling takes place on a Monday afternoon from 2-4pm (with a break for tea/coffee and biscuits around 3pm) this will start no later than Easter Monday the 18th of April. Why not come along and give it a try?

Huby & District Triples Bowls League

Huby Bowls Club are founder members of the Huby and District Triples Bowls League and will play fixtures from 28th April until end of August on Tuesdays and Thursdays evenings. We are hoping all 8 teams can participate and we play each club 3 times during the season. Our opponents are Easingwold, Harome, Hutton-le-Hole, Malton, Stillington, Terrington and Wigginton. Follow the fixtures, results, reports, and table in the Easingwold Advertiser.

Ryedale & District Veterans Bowls League (50+)

The above league has been revamped due to the loss of several clubs and we now find ourselves in Division 2 with 6 other teams who will play home and away on a Wednesday afternoon from 27th of April through to 7th of September. The clubs are Harome, Hutton-le-Hole, Sheriff Hutton, Stillington, Swinton and Thornton-le-Dale. We are also in two cup competitions and have been drawn at home against Strensall in the Sundella and away to Helmsley in the Ossie Ashcroft.

If you are interested and want to know more, please contact me: -

Freddie Alnutt - email fred.hubybowlsclubsec@btinternet.com

PREScription COLLECTION GUIDE

Short-term prescriptions for things such as antibiotics can generally be collected the same day as your appointment subject to stock availability.

If you are re-ordering medication from a repeat prescription, please allow 3 working days from placing your order before calling to collect it, to allow our Dispensary staff time to order and prepare it. Please see the chart below.

ORDER DAY BEFORE NOON	COLLECTION DAY
Monday	Thursday
Tuesday	Friday
Wednesday	Monday
Thursday	Tuesday
Friday	Wednesday
Saturday	Thursday
Sunday	Thursday

If you sign up for the text message service, we will send you a message as soon as your medication is ready.

Stillington Surgery

Offering remote Personal Training sessions for one to one or shared sessions.

I specialise in Weight loss as well as exercise and nutrition for Pre & Postnatal ladies. However I work with a range of clients, male and female so get in touch to see how I can help you.
