Parish Council News

Following the consultation with the village regarding whether the Parish Council should purchase the community shop to secure its long-term future, a resolution has been passed to ask the Secretary of State for permission to borrow from the Public Works Loan Board to purchase the community shop. Once this permission is received then a loan can then be applied for. It is hoped that this process can be completed as soon as possible.

Eight planning applications have been considered by the Council since the last newsletter.

A refurbished bench has now been installed outside the Children's play area.

The grassed areas that the Council cuts are to be registered with the Land Registry to protect these parcels of land for the parish. This may be a protracted procedure, but it will bring the Council records fully up to date.

North Yorkshire County Council are looking at suitable locations for the relocation of the bus stop sign near the junction of Main Street and Gracious Street. Currently visitors and new residents may not be aware where the bus picks up from so this is being addressed.

Designs for a new information sign on Tally Hill to encourage responsible behaviour were produced by the children from Huby Primary School and once the winning design or designs have been chosen the new sign will be installed.

The Council has agreed its budget for 2023/24. Given the current cost of living crisis it was agreed to a zero increase in the precept for 2023/24 and that any shortfall during the year will be drawn from reserves. The amount of each individual household precept contribution may actually fall, due to several new properties been built.

A group set up to look at the new grass cutting contract which will need to be put out to tender before the 2023 grass cutting season and failed to reach a consensus. A consultation through Huby Voice will be undertaken to allow all householders to make their views known so that the Council may make an informed decision next meeting.

The Council agreed to explore dementia friendly initiatives in the Parish and an article on this will appear in Huby Voice.

The next meeting of the Council will be held on Monday 9 January 2023 at 7.30pm in the village hall. (This is subject to change due to New Year booking arrangements so please check the noticeboard).

Grass Cutting in Huby

The subject of grass cutting was raised at a recent Parish Council meeting and some Villagers expressed opinions that they would like to see grass cutting in the village altered to reflect a more environmentally friendly regime to encourage wild flowers and insect life.

The Parish Council is keen to take into account the views of Villagers on this matter.

One proposal is that some grassed areas are cut around the border only, and the centre part is left natural. Where suitable, verges would be cut for half the width, leaving the half nearest the hedge or other boundary to grow.

All natural areas would be cut twice per year. The 'non-wild' areas would be cut every month.

The proposed regime is flexible and can be altered once the effects are seen.

The PC would like to stress that there is no proposal to let all grassed areas grow wild, nor to stop normal use of these areas. Areas containing benches or bins would have access kept clear.

Please let the Parish Council know your views by emailing

clerk@hubyparishcouncil.uk or drop your thoughts into the box in the Village shop.

A simple yes or no to more environmentally grass cutting is perfectly OK, or you can express your views further.

Grit Bins

The PC has ordered three grit bins for the Village to allow communal paths to be gritted in the winter. The gritting is self - help so if you want to help, please grit slippery paths and pavements outside your property.

Used Postage Stamps

A local resident is collecting used postage stamps to raise money for the Bone Cancer Trust

Any stamps can be left at the Post Office in the village shop. Jack will pass on your donations

1st Moxby Moor Scouts, Cubs and Beavers.

You will know that being part of scouting can be life changing for both children and adults. Being part of the Scout family, at any level, brings rewards that last a lifetime. Usually, the limiting factor on membership numbers is the availability of leaders at all levels.

The Executive Committee have debated long and hard about the best way to attract leaders. Sadly, volunteers are hard to come by and many Groups teeter on the brink of collapse because of unforeseen shortages of leaders. That's not fair on your children or the volunteers. We need a plan!

The Committee is seeking help from the wider Scout family – that's you – to bring your skills to bear in helping to prepare a recruitment plan.

We need help from people with HR skills, planning skills, marketing and communication skills and with experience in the voluntary sector. A small sub-committee would be tasked with preparing the plan, advising on its execution and, importantly, ensuring that it remains current, to attract the best talent to bring the thrill of Scouting to all generations in our District.

There are currently vacancies for 2 scout leaders within the Moxby Moor group. There is a lovely group of younger aged children who would love to continue with scouting but cannot do so without continued support in the way of leaders!

There is a huge amount of support and pre planned programmes available and help will be given at all times. Please get in touch if you can help! : Akela1stmoxbymoorcubs@aol.com

HUBY PLAYING FIELDS ASSOCIATION- SPORTS FIELD AND PAVILION UPDATE

Since our last newsletter, although all the funding for the project has not yet fully been raised, we now have enough pledged or in the bank to start construction of the new pavilion. With the cost of building materials continuing to rise we took the decision to start building to help with our budget.

With that in mind we have recently engaged an architect, Jim Burns of Robert Burns Design Associates, who is getting our plans to a condition where we can get building control approval. Following discussion with Jim there will be a few tweaks to the original internal layout, but it we are confident the end product will look great and be very user-friendly. After this is agreed and approved, we can then start to dig the foundations and get all the unseen infrastructure in place that will allow construction to fully start. It is anticipated that we'll be digging the first holes in the ground in early Spring.

As ever, the process of fundraising continues, and several new applications have been submitted in recent weeks and will continue to be until we reach our goal.

If there are any business owners out there that feel able to support the project with either skills, advise, expertise or funding directly, please feel free to get in touch.

As a further reminder, we are thinking about potential user groups for the new facility, so would love to hear from anyone interested in setting up a club or society that would take advantage of the indoor and outdoor space available. Any and all ideas will be considered, and no restrictions on age, ability, gender etc – all welcome...

If you have a Facebook account, give us a follow/like – search for Huby Sports Field and Pavilion – where we will be posting updates on activity surrounding the project.

Otherwise, if you have any comments or suggestions then please contact us on hubyplayingfields_northyorks@yahoo.com or go directly to any of the playing fields project group: Simon Bullough Sara White Helen Barnes Paul Eastwood Lynn Wagstaff Jackie Bullough or Tom Birkinshaw.

IN OTHER PLAYING FIELDS MATTERS..... A big thanks to Giles White, Paul Eastwood, Garry Langthorne and Paul Walker-Northwood for their grass cutting efforts through the summer. Without their input it would have been difficult for anybody to continue using the grounds, and a costly exercise to employ third-party grass cutting professionals, so thank you again chaps!

HUBY AND SUTTON AGRICULTURAL SHOW 2023

Huby and Sutton Show is celebrating over 130 years within the community, and we are delighted to be able to do it again for 2023.

With a new show secretary for 2023, plans are already being put in place ready for Sunday 2nd July 2023. The show will be jam packed with entertainment for all the family.

As well as the annual Cattle & Sheep classes plus Horse events, we will have the Alpacas back.

In the main ring for 2023 we have the amazing Fusion Extreme, they are a mixture of Parkour and Mountain Biking, they will have 3 different shows throughout the event and it's something not to be missed.

Alongside this we are going to have some excellent gundog displays from the FarlaVale Gun dogs including a fun dog scurry which is inclusive for everyone.

Joe's owl encounters and exotic animals will be there for you go and have a look at as well as handle some of the animals. These include tortoises, snakes, lizards, owls, falcons etc.

The one thing not to miss seeing is the MEERKATS!

For the children we have the fantastic Professor Dan who is a magician, balloon artist and he has his very own Punch & Judy show which will run 3 times with different shows throughout the day.

A fairground with a mixture of rides and games plus a bungee trampoline.

We haven't stopped there either we have both Junior and Adult have a go Archery, Axe Throwing, Clay Pigeon Shooting and Paintballing (to target). Fun for all the family to get involved and have some friendly competition.

There will be an array of trade stands and catering vans on site as well as a Bar and Beer tent for a sit down. The stands are a great opportunity to support local businesses and buy unique products that are not available in the shops. Many of the traders are small independent businesses or people with a hobby or passion, that they have grown into a small business opportunity.

Please check out our Facebook page for regular updates and our Early bird online tickets are now available on Eventbrite! Just search for Huby and Sutton Show 2023 to find us or follow the link on our Facebook Page.

This is going to be an amazing day out for the whole family.

If you are interested in a trade stand or a sponsorship opportunity, please get in touch with Jess Green (Show Secretary) by emailing tradestand.hubyandsuttonshow@gmail.com

Stillington Surgery

IMPORTANT NEWS

Stillington Surgery are migrating to a new computer system in January 2023. This transition will cause a temporary disruption to our services, and we would kindly request the patience and understanding of all patients during this time, particularly towards all staff members as they endeavour to learn a new computer system whilst keeping up with the increasing demands at the Surgery.

In order to ensure that our Patients have sufficient medication during the transition process we will be using your December order request to issue medication for both December and January. Your December medication can be collected as usual, and we will contact you when your January medication is ready. This will be earlier than usual but may not be until early January.

It will therefore not be necessary for you to order your repeat medication for January.

We are also encouraging all patients who are due an annual asthma, diabetes or blood pressure check during January and February 2023 to book in for their review before Christmas. This will assist our nursing team.

Further updates will be posted on our website, social media and in local newsletters in due course. www.stillingtonsurgery.org 01347 810332

Huby Bowling Club – 2022

Although the bowling stopped in September the Grounds Team can be found every Monday and often Tuesday working hard to improve all areas of the green and surrounds. Regarding the rink, they have treated several large areas by spreading a layer of topsoil and reseeded plus continuing with the annual regular grass treatment. Around the green they have been replacing the wooden boards and reseeded and levelled the verges. As the Grounds Team were so busy on everything else, a group of other members volunteered to tackle the annual hedge cutting and although not complete it has made a big difference. The Grounds Team found time to cut out an area of dead hedging and plant new young replacements.

Irrigation System

The Club has been busy fundraising to install an irrigation system for the 2023 season, hoping it will enhance all the hard work achieved by the Grounds Team and improve the playing surface, year on year. The target has now been reached to allow our GT to install the system, with delivery of the parts expected during November.

To that end we must give our heartfelt thanks to the following for their generous donations: -

The National Lottery - £3,000, The Jack Brunton Charitable Trust - £1,500, Fridlington Farms - £1,000, Persimmon Homes - £1,000, Broadacres - £500, Huby Bowls Club Members providing Platinum Jubilee Tea & Cakes etc - £500, Dignity Funerals Directors (Chapman Medd) - £100

The Grounds Team have already completed the concrete base for the water tank and are extending and improving the paved area in front of the pavilion. These areas would not have been possible without the donation of the required materials (sand and gravel mix, grit sand, cement, timber, paving).

To that end we cannot thank enough: - Travis Perkins & Wickes

Picture shows the ground's team progressing with the paving at the front, with the concrete base for the water tank on the left to the rear of the building.)

Annual Luncheon

On the 2nd of November the Club held its Annual Luncheon at Burn Hall in one of the function suites. Burn Hall looked after us magnificently, the room was beautifully decorated and the food/service first class. After the meal trophies were presented to the winners of our Club Singles and Pairs competition. The Ryedale Vets Vivian Booth Singles Runners Up Shield is now in our possession for the first time since 2006. The Membership is currently growing and emphasised by two new recruits for 2023 season joining us for the lunch. The function ended with a fantastic prize draw which added another £120 to the Club coffers. A big thank you for some wonderful prizes donated by all the members but also importantly from the following: -

Barkers of Huby who donated a prize, The New Inn and Mended Drum gave vouchers, Burn Hall donated Afternoon Tea and Bird of Prey Entry. Many thanks to those mentioned for their support for which we are so grateful.

Huby Village Hall

We have a lovely venue to hold parties, meetings and even wedding receptions. The kitchen is fully equipped with oven, fridge, crockery, glasses, and cutlery. The cost of hiring the hall and garden is £12.50 per hour. All we ask at the end of your booking is you leave the hall as you find it, clean, tidy with everything put away properly.

If you are thinking of a celebration or have a meeting to organize in 2023 you are most welcome to come and have a look at our facilities.

We've been having a tidy up outside at the rear of the hall and there's 2 old sheds which we want to get rid of, also a pile of wood if anyone is interested, please send us an e-mail.

We are looking for new committee members to help run the hall if any of you are interested. Please send us an e-mail with your details.

Events:

Sunday 4th December 2022 10am to 2pm, Amy has organized yet another Xmas Fayre, last year it was very successful. It is already fully booked up with tables. There's a wide selection of items for sale for lovely Xmas presents. If anyone would like to pre-order Christmas cakes or brandy mince pies, please drop an e-mail to Sara at bespokecakesbysara@gmail.com

In January 2023 we are going to hold a table-top sale date to be decided.

VILLAGES TOGETHER METHODIST CHURCH

We are slowly getting used to our new partnership with the other village Churches around Easingwold and learning to work together although we have 4 different locations which we will rotate around. The service at Huby will usually be on the first Sunday of the month. The notice board will have all the details of where the services will be. When it is a fifth Sunday in the month we meet with our ecumenical friends from Sutton.

We welcomed 50 children and staff to our Remembrance service on the 11th of November. They had produced some beautiful poppy pictures and read very moving poems. Our new Minister Rev David Bidnell had the children singing and responding well to his questions.

We now look forward to our Christmas preparations and celebrations. We will start a series of 3 Advent studies led by David, on the 23rd November. 12 -2pm

Starting with a bring and share lunch. All are very welcome. On Christmas Ev we will celebrate a 'Carols by Candlelight' which will include drama and song.

Our minister is Revd David Bidnell who can be contacted on: 01904 345429 or david.bidnell@gmail.com

SUTTON ON THE FOREST FILM CLUB AUTUMN PROGRAMME
at The Grey Village Hall. 7.30PM drinks 8PM performance starts

Tuesday 13 December: Where the
Crawdads Sing

2022 American drama film based on the 2018 novel of the same name by Delia Owens. It was directed by Olivia Newman. Daisy Edgar-Jones leads the cast. The story follows an abandoned yet defiant girl, Kya, who raises herself to adulthood in a North Carolina marshland, becoming a naturalist in the process. When the town's hotshot is found dead, she is the prime suspect and tried for murder.

It's always a difficult act to follow a much-loved novel, but this film captures the setting beautifully and tells the story compellingly.

Audiences seem to respond, love this more than critics! (97% on rotten tomatoes)

Tuesday 17 January: Emily

Another difficult act to follow but this film doesn't try to be close to the actual life of Emily Bronte. Instead, it captures a short period in her life leading up to the writing of Wuthering Heights and seeks to understand where this incredibly romantic but dark novel could have come from.

Emily herself is strongly played by Emma Mackey and the other two key roles: her brother Branwell and lover the curate William Weightman are also very well acted.

beautifully acted, lovingly shot, fervently and speculatively imagined. The Guardian

Soft Plastic Recycling in Church

There is now a recycling bin for all your soft plastics in the Sutton Church porch. Soft plastics are the ones that when you scrunch them, they spring back, for example crisp and biscuit packets, peel back lids from plastic fruit containers, bread bags etc. We can't put these in our blue wheely bins so they have had to go in the black bin or you have had to remember to take them to Easingwold to put in the little bins in either of the Co-ops. Co-op have provided us with yellow bags and as long as we take the full bags to Long Street Co-op, they are happy to take it on for recycling. It didn't take long to fill our first bag which was delivered to Annie, Co-op's Community Champion, on 15th October.

Huby WI members and visitors have enjoyed some really interesting and entertaining meetings over the past few months. With Christmas coming up soon we are looking forward to our theatre trip to see “Oliver” in York in late November and our usual Christmas dinner in December.

In February 2023 Huby WI will be celebrating its 90th birthday. Once again we will be looking through our archives to see what we have achieved over the years. In case you are unaware the WI was founded in Canada well over 100 years ago to help improve the lives of women. The first institute in the UK was started in LlanfairPG in 1915. The WI was very active in wartime, but in recent times the emphasis of our activities has move towards campaigning on important issues of our age; e.g. to keep post offices open or to provide better treatment for those suffering from physical or mental problems.

Hopefully later in the year we will invite you all to come and help us celebrate our birthday with tea and cakes. In the meantime, please watch the notice boards for information on our forthcoming meetings. Ladies, you are always welcome to come and join us on the third Wednesday of the month in the Chapel, but until January, we wish you a very Happy Christmas

Every year at the shop AGM, the members nominate a charity for our collection box next to the till and at our AGM in October Easingwold Food Bank was selected as our counter-top Charity of the Year for 2023. At the same AGM we celebrated and shared huge thanks to Sara Ellis who has served as treasurer for 7 years as she stepped down from the Management Committee. Sara will continue as a volunteer and helping with the wholesale ordering as well as providing delicious bakes for us to sell. Max Thomas was appointed to the Management Committee and has taken over the role of Treasurer.

By the time you read this newsletter, we hope to be ready to apply for planning permission for the shop improvement works and extension. Keep a look out on our dedicated shop notice board (on the log shed) for updates and news.

We'd like to wish all our volunteers & customers a Merry Christmas and a Happy New Year.
