Parish Council News

The permission from the Secretary of State for permission to borrow from the Public Works Loan Board to purchase the community shop is still awaited, this is not unexpected when dealing with a central government department. As soon as this is granted the project can move forward.

Twelve planning applications have been considered by the Council since the last newsletter.

Following a public consultation regarding the future grass cutting in the village a tender process is ongoing to select the grass cutting contractor for the next three seasons. The contractor will be agreed at the March meeting.

North Yorkshire County Council have replied regarding the locations for the relocation of the bus stop sign near the junction of Main Street and Gracious Street. They have a concern regarding the positioning near the junction, so an alternative location has been proposed at the other side of the junction. Their response is awaited.

Designs for a new information sign on Tally Hill to encourage responsible behaviour were produced by the children from Huby Primary School and details of the winning design are awaited from the school.

It has been agreed that a plaque will be erected to mark the history of the Huby Fox. Further details of this should be in an article in this newsletter.

The new Parish Council website has been drafted and it is hoped that this can be online shortly.

The North Yorkshire Police Traffic Bureau had responded regarding the speed tubes on Tollerton Road to assess whether a request for a 20mph zone outside the school would be made. Given the data gathered it was agreed not to pursue the request for a 20mph zone as there was no significant speeding.

Support for the Dementia Friendly Parish was discussed and hopefully an article explain further will be in this newsletter.

Hambleton District Council and North Yorkshire County Council disappear on 1 April to be replaced by a new unitary authority called North Yorkshire Council. A charter is being agreed which will framework the future relationship with the Parish Council and councillors have been invited to an open day in Northallerton to learn more.

The next meeting of the Council will be held on Monday 6 March 2023 at 7.30pm in the village hall.

Nigel Knapton

Clerk to the Parish Council clerk@hubyparishcouncil.uk

Easingwold Home Library and Information Service

Need something to read but cannot get to the library?

This free service, offered jointly by Easingwold Community Library and NYCC, is ideal if you find it difficult to get to the Library, carry books comfortably or if you are a busy carer. You can opt in and out so it is ideal if you are recovering from illness or cannot get out in bad weather. Our friendly volunteers will select items to suit your tastes (including large print, audio books, dvds and children's books) and will deliver directly to your doorstep every two weeks.

We cover Easingwold and all the surrounding villages and operate according to current Covid-19 guidelines.

To find out more, please visit Easingwold Community Library in the Market Place, or ring the library on 01609 534584 or email

ecl.generalenquiries@gmail.com

One of our volunteers will then contact you.

Dog Fouling

There has been a report of several instances of dogs being allowed to foul in private properties.

Please don't allow your dog's wander into private gardens and if they do foul, please CLEAN IT UP!

It is inconsiderate to expect homeowners to clean up after you

If you do bag it up, please put in the appropriate bin instead of leaving it to create even more unsightly rubbish and **polluting the environment!**

Exciting News!

We now have full planning permission to extend our community owned shop into the adjacent house to enable level access for customers, secure stock storage and a better environment for customers, staff and volunteers.

We are so fortunate to have some wonderful people in Huby & Sutton who have regularly volunteered their time and skills during the last 8 years to keep the shop and post office open as a 'not for profit' community owned asset. Without them we would not have a local shop or post office.

And as the local banks have just about all closed, maintaining the Post Office service is more vital than ever. The margin the shop makes each year enables the Post Office staff to open for you 43 hours a week - even though we are only remunerated for 20 hours as part of the national network.

Perhaps just as importantly, the shop has become a lovely hub for volunteers and customers.

The Parish Council will soon complete the purchase of the property and issue a new lease to us, and we are aiming for the building works to commence this summer - which we will have to fund. We are grateful to Hambleton District Council - which has awarded us a significant grant towards the works - but we still need to fund another £75k- £100k to make the alterations needed.

Several customers have already offered to donate towards the works. If you can help us by making a donation – large or small – please do so now so we can finalise our budgets, fit out plans and contractors. We'd prefer a cheque, but there is a separate collection box on the till for cash or cheques (payable to Barkers of Huby).

Our plans have been developed to enable the shop and post office to stay open for you for most of the works - which has inevitably made it a little more expensive to build.

Please help with a donation if you can. We want to ensure the village has a successful shop and post office – providing benefits for everyone - for as long as it is needed.

And last - but definitely not least - please do think about joining TeamBarkers as a volunteer.

The new, expanded shop is going to be wonderful with more than twice the space for the Post Office and retail areas, new shelving and fit out. We will need more volunteers to help serve customers, stock shelves and clean, and look after the garden. We can offer flexible or regular shifts from an hour or more to suit you. Without the 100 plus hours of volunteer time every week, we would not have a shop or post office.

Remember, this is YOUR shop so please don't just read this newsletter and then forget!

- 1) Make a donation
- 2) Become a volunteer

Thank you from Your Management Committee

Neighbourhood Watch

Thankfully there's nothing major to report this time around – there have been a few bits of mischief up at the sports field recently where the Police have been contacted, but otherwise we're pleased to say that the area remains relatively trouble-free.

On an administrative level, Roger Kraemer has recently stepped down from his role as treasurer with the NHW after many years of dedicated service, and we would like to express our sincere thanks to him for his input over that time.

For any new residents in the villages, as a reminder we retain a database of email addresses that we use to notify people of any suspicious or noteworthy activity in the area that North Yorkshire Police advise us. If you would like to be included in this distribution, please contact us on jsbullough@btinternet.com and we'll add you to the list.

Please also be aware that the HUBY NORTH YORKSHIRE FACEBOOK page will keep you up to date with events, recommendations, and news, so give it a follow.

Many thanks.

Simon and Jackie Bullough

An Exciting Year Ahead at the Forest of Flowers in Huby

The Forest of Flowers conservation project on Tollerton Road, Huby had a fantastic 2022, with our 42,000 trees and 74 acres of wildflower meadows all thriving. A myriad of wildlife has found a home here, with many more moving in by the day. (Last year, we were officially Yorkshire's 2nd most populous butterfly habitat!)

Our new small business had a good first year, raising funds to help manage the site more effectively for nature. In 2022, we collected and sold 84 kg of home-grown wildflower seeds, supporting others to create their own wildlife habitats.

We also held 8 public events including expert-led tours, from Dragonfly & Butterfly Spotting to a Wildflower Identification course and Bat Walk. This year we're holding even more events, all aiming to offer visitors a valuable experience, new skills and plenty of inspiration. Some highlights coming up this spring are:

Forest of Flowers - January 2023

Guided Tours - 25th March & 22nd April 10am

Tours will be led by Alwyn Craven, Founder and Kew-accredited Horticulturalist, providing background about the Forest of Flowers project and his motivations. He will discuss the flora now growing in the habitat, and answer questions about how to support wildlife in your green space, regardless of size.

Dawn Chorus Guided Walk - 13th May 4.30am

For just a few weeks each year, the UK's bird life performs a stunning symphony at sunrise. This guided walk offers a true wildlife soundscape as our resident birds wake up and sing to their hearts' content.

The Wonders of the Wild Places - Talk & Guided Walk - 20th May 1.30pm

Easingwold-based nature writer Rachel Lister Jones, author of *The Wonders of the Wild Places*, joins us to offer a talk about the UK's fascinating flora and fauna. She will then lead a walk through the habitat, helping us discover the spring wildflowers and wildlife. As a trained Mindfulness Coach, Rachel will lead some exercises to help us to absorb and appreciate our surroundings.

Our full schedule (with much more to be announced) is available on our Upcoming Events page on our website: www.ForestofFlowers.co.uk

Volunteering

We welcome anyone who might be interested in helping to make the most of this new habitat, and would be very grateful for any assistance! We'll be hosting volunteer sessions with different activities, such as:

- Tree guard removal and collection (4th March) Coppicing and woodcraft (12th March)
- Working with wildflower plants (TBC)

Details about volunteer sessions will be on our Events webpage. If anyone would like to help out more regularly (in between these events) please send us an email: ForestofFlowersYork@gmail.com

Thank you to everyone in the local area who has been so supportive, including those buying seeds from our website, and the Huby & Sutton Gardening Club who kindly invited us to speak at their January event. We hope to meet many more local residents in the year ahead!

Tom Hook and Alwyn Craven
Forest of Flowers

Sutton and Huby Gardening Club.

At this time of year, the club is winding down its talks programme and stepping up the visits, in search of yet more ideas to make our gardens more interesting or productive.

The first of the remaining two talks is from our old pal Doug Stewart with “Pruning made simple”, on 22 March at Huby, just in time to stop us making a mess of the roses. He wants us to bring our secateurs, but I hope he’s not going to tell me off for not cleaning mine properly. I know a good cutter clean stops transmission of maladies from one plant to another, but I’m far too idle to do it regularly.

The second talk is from a member of “t Committee”, Pamela Bankes, who will tell us about “The Amateur Beekeeper” on 26 April, when we’ll also have the AGM. I think Pam is more of an expert than an amateur to judge by the honey her little friends produce. Incidentally, Pam is the only committee member from Huby and is feeling a bit lonely, hoping for a few more members from Huby to volunteer to join the committee. We have twice as many committee members from Crayke as from Huby! The AGM is a good time to volunteer but if you are shy, just contact any of the committee members named on your membership card to offer your services. It’s not an onerous job I promise, and many hands make light work.

We’ll certainly need help at the Plant Fair, for the first time ever at Huby. That will be on the Spring Bank Holiday Monday, 29 May, in the morning, so don’t buy your bedding plants till then. Spare us some of the nice outside bits when you divide the overcrowded plants in your borders. You will know the names, but we might not, so don’t forget the labels when you pot them up for us. We hope to provide coffee, tea, and cake for the visitors to the Huby Village Hall - helpers needed!

We have arranged an evening visit to the gardens at Sutton Park on 24 May, when they are at their best, with the Head Gardener to help answer your questions. We’re also off for a day bus trip to the new RHS garden at Bridgewater near Manchester with a guided tour on Saturday 10 June. There might be room on the bus for non-members (£25) but only if we can’t fill the bus with members (£20), and so it’s essential to book with Hilary Kilner (0347810206 but preferably at a meeting). At Bridgewater there are three different places to eat, or you can take a picnic. Let the driver take the strain of the M62 and M56, poor longsuffering chap.

Hilary has organised another evening trip, near at hand again, to the Flowers of the Forest at Huby, following the recent very popular talk. This will be on Thursday 15 June and she will be taking bookings for this too, at our intervening meetings.

Peter William’s talk on “Unnatural Gardening” last October raised lots of interest and the never resting Hilary is trying to organise a visit to his garden as well and hopefully we’ll have the details by the March meeting. Oh, and naturally we are busy helping the local primary schools to contribute to the Village Show on Sunday, 2 July.... and thinking of the speakers for 23/24, starting in September. Suggestions welcome!

What a fantastic Committee - do join us! Derek Jacobs (01347810208)

Huby Bowling Club – 2023

The Grounds Team have not stopped since the 2022 season ended, after spending a lot of time on the green, surrounds and paving they turned their attention to the Irrigation System.

Irrigation System

After the Club successfully achieved its fundraising target, the Irrigation System components were paid for and received, leaving our talented Grounds Team to set forth and install all the equipment. During February they plan to test the system, now that they have installed pipes, sprinklers, control panel, water tank and connected everything together.

(Picture shows the ground's team transferring the water tank from the delivery point to the concrete base the boys prepared)

Cable laying, connections and making live.

In addition, a working party joined the Grounds Team one cold January day, to move an existing cable and connect to a new one. This required a digger to locate the original and create the new channel, plus with hard manual labour from those present to backfill the hole as it moved forward. We are extremely grateful to Greg Milburn for the loan of the digger, John Bird for all his time spent making the connections live and Phil Mead who has been such a great supporter of the club in recent years, not least in generously funding this phase/project. All three have contributed towards our bowling club as we strive to improve facilities for its current and future members.

The Green, surrounds and Robin Lane

During the coming weeks the Grounds Team attention will return to preparing the playing surface ready for the new season. Any bare patches will be reseeded, and the green fed. Greg Milburn has kindly offered to cut the top of the hedge, where we couldn't reach with hand tools, for which we are extremely grateful. Stone will be ordered and laid to fill in the potholes in Robin Lane prior to the new season.

Lawn Bowls

The new bowls season is looming fast with social bowling due to begin on or before Easter Monday (10TH April). Full details of social bowling dates and times, leading up the start of our Rydale Vets Season on the 26th April and the Huby & District Triples Bowls League the next day will appear on our page in the Huby Village Website during March.

If you are interested in finding out more about lawn bowls in Huby during 2023, please contact me: -

Freddie Alnutt - email fred.hubybowlsclubsec@btinternet.com

Villages Together Methodist Church

In our new group we are looking at different ways that we might do things. We are learning that some things might have to change as we take on other people's ideas as we grow together.

We were pleased to welcome the top class of Huby school to the Chapel as part of their curriculum about exploring both the Christian faith and other religions. Rev David Bidnell explained the different Christian symbols and how important it was to carefully consider why people have faith and what it means to them.

There is a team from Huby church and also from Sutton that go into Huby school to act out Bible stories with the help of the children. It's called 'Open the Book'

We are pleased that we are able to offer Hubys' premises for the school during the week whilst 'repairs' are completed in the schools outside classroom.

Jellybeans continues to welcome pre-school children and their carers for a morning of activities and fun with homemade cakes and healthy snacks, enjoyed by everyone.

OUR MINISTER is Revd David Bidnell who can be contacted on: 01904 345429 or david.bidnell@gmail.com

Local contacts: Carole Smith 01347 810057 or Jean Abbey 838593

If you wish to hire the premises call Carole Smith or email carolesmithuk@yahoo.co.uk

Used Postage Stamps

A local resident is collecting used postage stamps to raise money for the Bone Cancer Trust

Any stamps can be left at the Post Office in the village shop. Jack will pass on your donations.

HUBY VILLAGE MEMORIAL HALL

Saturday 6th May 2023,
to Celebrate the Coronation of
King Charles III, the Village Hall is hosting a Ceilidh with
'The Dark horse Ceilidh Band'.

The cost of the band has been funded by Huby Parish Council so the event is free, for all ages, you bring your own drinks and snacks and be prepared to dance.

Doors open 7pm - 11pm

To enquire about booking the hall for parties etc,

please email: hubymemorialvillagehall@outlook.com

Financial Help to Keep Warm

By now you should have received £200 credit to your electric account from the Alternative Fuel Payments scheme. This is being paid to 2 million households who are not on the gas grid. If you haven't received yours please look on gov.uk website for more information or call Easingwold and Villages Food Bank 07724 444 750 for help.

But remember the Surviving Winter Fund is also there to help you: financial emergencies happen - cars break down, boilers need repairing, the Surviving Winter Fund has been set up to help residents in Huby & Sutton Parishes with fuel costs and ways to keep warm

Please don't be cold this winter

Apply in confidence via
Easingwold and Villages Food Bank 07724 444 750

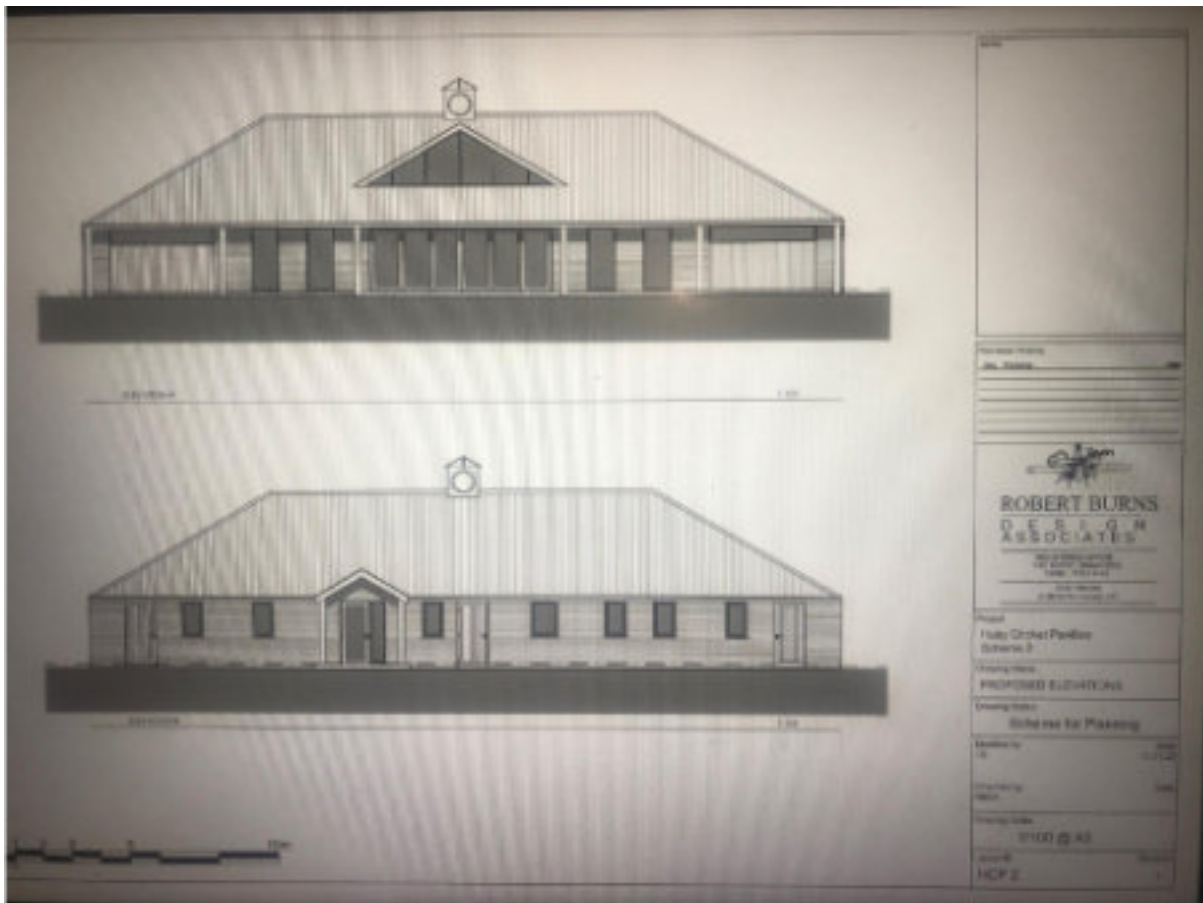

Surviving Winter Fund set up by All Hallows Church and administered by Easingwold Food Bank

HUBY PLAYING FIELDS ASSOCIATION SPORTS FIELD AND PAVILION UPDATE

Progress is being made to get building control approval for our new design, and we expect this to be achieved in time for us to start building work in the next month or so.

We continue to work in the background to raise the funds required to complete the build – with nearly £250,000 raised we are about £80,000 short of our target so if there is anyone out there with access to grants or funds, PLEASE feel free to get in touch with us so we can explore all avenues. In the meantime though, we have sufficient to start construction and aim to get a secure, watertight building up by the end of the year, if not sooner.

This is how the pavilion will look from the front and back, with much more natural light inside due to the bi-fold doors that will overlook the playing fields.

As a further reminder, we are thinking about potential user groups for the new facility, so would love to hear from anyone interested in setting up a club or society that would take advantage of the indoor and outdoor space available. Any and all ideas will be considered, and no restrictions on age, ability, gender etc – all welcome...

If you have a Facebook account, give us a follow/like – search for Huby Sports Field and Pavilion – where we will be posting updates on activity surrounding the project.

Otherwise, if you have any comments or suggestions then please contact us on hubyplayingfields_northyorks@yahoo.com or go directly to any of the playing fields project group: Simon Bullough Sara White Helen Barnes Paul Eastwood Lynn Wagstaff Jackie Bullough or Tom Birkinshaw.

Huby Playing Fields Association Committee

Prescription Collection Service

Saturday 6 May Village Ceilidh celebrating the King's Coronation

Sunday 2 July Huby & Sutton Agricultural Show

1st Moxby Moor

The time has come, Our local 1st Moxby Moor Beavers and Cubs are preparing for their first camp of the season, and for many, their first camp ever. Excitement is high as they have been in preparation for camp, learning to pack up their bags and working towards their bronze and silver chief scout awards!

With particular thanks to Trustspan, who have sponsored the group for the past 9 years, this Walesby camp is particularly exciting as they have an opportunity to stay in heated lodges. Activities include obstacle courses, rifle shooting and climbing to name a few. They'll get chance to experience a campfire experience finished off with a disco! Focus will be on teamwork and building life skills.

A huge thanks goes to all of the Leaders for all their hard work and preparation to make this camp possible. Unfortunately, there is currently no Moxby Moor scout group due to lack of leaders. This is a huge loss to our local community, so please spread the word loud and wide, if anybody may be interested in taking on the role and jointing this wonderful section. Get in touch with Akela if you can help:

Forest of Galtres Camera Club

Our season is has resumed since our Christmas break, resuming our weekly meetings in January. We have welcomed new speakers via Zoom and held member presentation evenings where we can see the interests and activities our fellow members. Our full programme can be viewed on our webpages along with our competition images.

The club meet 7.30 pm on Monday evenings at The Galtres Centre, Easingwold where we have all the facilities to view our images as well as wi-fi which enables us to welcome guest speakers and view images via Zoom.

Our Club competitions are now all completed for this season.

The two most recent challenges were 'Ancient and Modern' and 'Climate Change' both being well captured by our members and stretching our imagination.

If you are interested in joining us please do make contact. You do not need expensive equipment; many successful images are now being taken on members mobile phones which produce some high quality images. We do have dedicated evenings related to phone photography.

David Higgins - Secretary email: fogcc2022@btinternet.com web: www.easingwoldcameraclub.org

Stillington Surgery

The team at Stillington Surgery would like to thank all patients for their understanding during our move to a new computer system.

Whilst we adapt to our new way of working, we would request that you allow us 5 working days to process and dispense your medication.

If you order your repeat prescription online, please note that Patient Access is not compatible with our new system. We would recommend that you use the NHS App. If you have having problems setting up the App or require a new linkage key, please get in touch with us and we will be happy to help.

If you currently order your prescription using a paper re-order slip or via email your ordering process will not be affected.

Thank you

SUTTON ON THE FOREST FILM CLUB AUTUMN PROGRAMME
at The Grey Village Hall. 7.30PM drinks 8PM performance starts

Thursday 23 March starts 19.30:

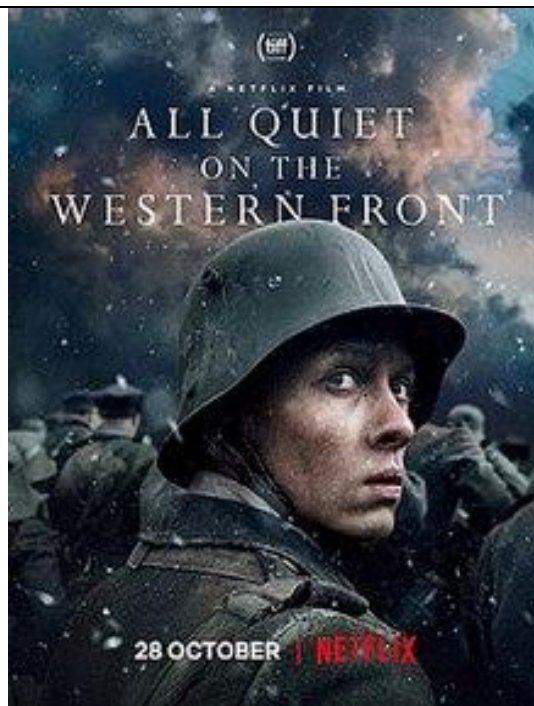

All Quiet on the Western Front

2022 German epic anti-war film based on the 1929 novel of the same name by Erich Maria Remarque. Directed by Edward Berger, it stars Felix Kammerer, Albrecht Schuch, Daniel Brühl.

It has taken the Germans a long time to make this film but the result is worth waiting for. Much more moving and realistic than the original Hollywood versions.

It is slated to win multiple awards at the Oscars and Baftas.

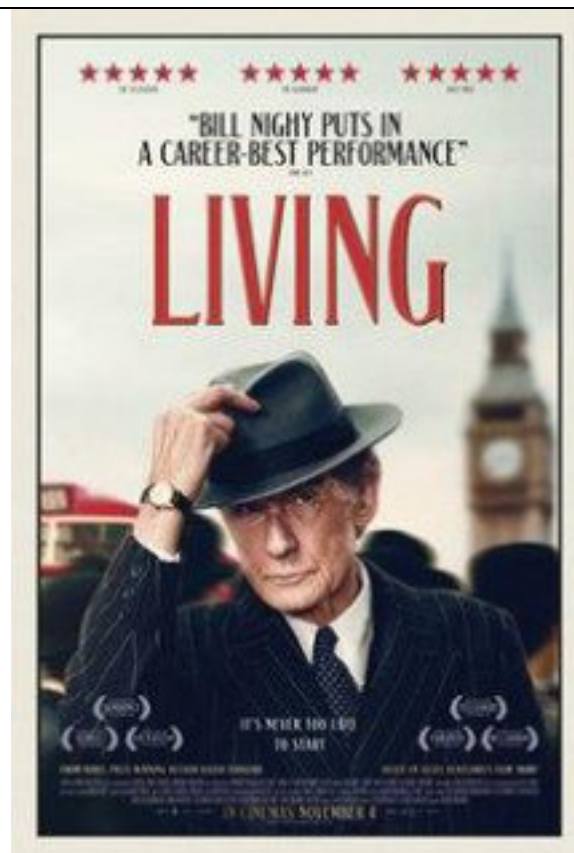

it's a powerful, eloquent, conscientiously, impassioned film (Bradshaw

Tuesday 25 April starts 20.00: Living

Living is a 2022 British drama film directed by Oliver Hermanus from a screenplay by Kazuo Ishiguro, adapted from the 1952 Japanese film Ikiru directed by Akira Kurosawa, which in turn was inspired by the 1886 Russian novella The Death of Ivan Ilyich by Leo Tolstoy. Set in 1953 London, it depicts a bureaucrat in the county Public Works department (played by Bill Nighy) facing a fatal illness.

Sentiment and understatement meet in this beautifully melancholy (end-of-) life drama. Deeply affecting performances from national treasure Bill Nighy (nominated for best actor Oscar) and rising star Aimee Lou Wood (Kermode, Guardian)

Soft Plastic Recycling in Church

There is now a recycling bin for all your soft plastics in the Sutton Church porch. Soft plastics are the ones that when you scrunch them, they spring back, for example crisp and biscuit packets, peel back lids from plastic fruit containers, bread bags etc. We can't put these in our blue wheely bins, so they have had to go in the black bin or you have had to remember to take them to Easingwold to put in the little bins in either of the Co-ops. Co-op have provided us with yellow bags and as long as we take the full bags to Long Street Co-op, they are happy to take it on for recycling. It didn't take long to fill our first bag which was delivered to Annie, Co-op's Community Champion, on 15th October.

We hope to have a facility in the village shop to collect soft packaging once the new extension has been completed

The Huby Voice is delivered quarterly to residents of Huby, if you would like an article or an advert in the next edition, please email: hubyvoice@gmail.com by 15 May.

If there is anyone interested in producing the newsletter, please contact via the above address.

A reminder that we have two village facebook pages and a website, look out for up-to-date news on these pages:
