## Parish Council News

Please check the Parish Council website at [www.hubyparishcouncil.uk](http://www.hubyparishcouncil.uk) for a copy of all the agendas and minutes and also [www.hubyvillage.uk](http://www.hubyvillage.uk) to access the Huby Voice online. Select the Huby Voice tab on the left of the top line menu.

The Council has met twice since the last Huby Voice, on 12 March and 14 May 2025.

Fourteen planning applications have been considered.

A larger dog waste bin has been installed at Tally Hill and additional signage ordered to be put on the streetlights.

Signage highlighting the dangers of dog fouling on Tally Hill would hopefully be produced in conjunction with the children at the Primary School. It was decided that at the moment the need to enact a dogs on lead byelaw was not necessary but could be considered again if the problem persists.

North Yorkshire Councillor Malcolm Taylor reported on his grants to Huby Corinthians and the PTA as well as the Local Government Boundary Review which could move Huby into the Easingwold Division for the 2027 elections and also the possible Local Government settlement from Central Government.

Having received and considered photographic evidence received from residents it was agreed that the Parish Council should request that North Yorkshire Council introduce yellow lining at the junction of Robin Lane and Main Street due to dangerous parking making children and others vulnerable.

A new volunteer editor was still sought for the Huby Voice. If no one comes forward to take over this very important role to the village then the newsletter will have to cease. Please would anyone interested contact the Clerk.

The next meeting is scheduled to be held on Wednesday 9 July 2025 at 7pm. Please check the website for the agenda in July. Nigel Knapton

# Forest of Galtres Camera Club

Our club is now on its summer break; however, days out have been arranged for members over the summer months and will form part of our new season programme.

Our new season weekly meetings at the Galtres centre resume Monday 6th October. Selwyn Roberts, a Hubby member, has been elected President and other Hubby members were re-elected as club officials. Our opening evening is to welcome new members and review the images from our summer activities.

This will be the club's 60<sup>th</sup> Anniversary season and will include an AV presentation from our founder member Allan Green. Our full programme will welcome new speakers both live and via Zoom, with member presentation evenings where we can see the interests and activities of our fellow members. Our full programme will be available on our web pages along with our club competition images.

The club meet during the winter months at 7.30 pm on Monday evenings at The Galtres Centre, Easingwold where we have all the facilities to view our images as well as wi-fi which enables us to welcome guest speakers and view images via Zoom.

If you are interested in joining us please do make contact. You do not need an expensive camera, many successful images are now being taken on members mobile phones which can produce some high quality images. We do have dedicated evenings related to our mobile phone photography.

Progress has been very encouraging since January and the remaining works of cladding the exterior and building a porch outside the main entrance will be done and Phase 1 – a secure, watertight building – will be completed by the end of May.

Nik and Josh Sadler of Sadler and Rose Builders have done a remarkable job and there has been much positive feedback of how the pavilion looks. As a group we're delighted and look forward to the start of Phase 2.

Work has already started to source materials and engage with trades to get the electrics, plumbing and sewage dealt with as soon as funding allows. As ever this final part remains the most challenging, as over the last few years the availability of grants for projects like ours have become very scarce, so we are leaving no stone unturned in our search for the required funds to get the project finished and allow usage of the pavilion to start as soon as possible.

On that basis if you know anyone with contacts in the supply chain who may be in a position to help us out, please feel free to contact anyone on the Playing Fields Committee to enable us to pursue it.

Similarly, if you are happy to support the project through a donation then we have a range of options available, with GoFundMe and Just Giving sites already set up, and Easy Fundraising activated as well. Full details of links to make a donation to any of these is available on our Facebook page [www.facebook.com/hubypavilion](https://www.facebook.com/hubypavilion). Alternatively, a deposit directly into our account can also be done if you prefer – as some members of the village have already done, thank you - so please contact us via email and we can share our account details with you.

We are in the process of devising ways of recognising donators – either individual or corporate – so watch this space for further news in the next edition.

If you are in a position to offer help with the project in anyway, please feel free to contact us: [hubyplayingfields\\_northyorks@yahoo.com](mailto:hubyplayingfields_northyorks@yahoo.com)

Thank you, from the Hubby Playing Fields Committee

# **Huby and Sutton-on-the-Forest**

## **Neighbourhood Watch**

Following the closure of the area Neighbourhood Watch scheme in Easingwold, and also the sad passing of our Treasurer Roger Kraemer, we have taken the decision to close the Neighbourhood Watch in Huby and Sutton-on-the-Forest, with immediate effect.

Thankfully we live in a relatively low crime area, and the lack of activity in recent years has effectively made our scheme redundant anyway, but it was felt that alternative media, particularly Facebook, was a more efficient way of alerting the community of any activity deemed serious enough to share, and it didn't need a designated body to circulate that information other than the administrators of the village Facebook pages.

Equally, the Facebook page has more followers than we had email addresses, so it seemed a logical evolutionary step to make.

So, thank you to all those volunteers from down the years who have contributed in some way. All funds that had been accumulated in recent years have also been distributed locally to the Huby Village Hall and the Huby Sports Pavilion project, and a final run of wheelie-bin stickers have been printed – available free of charge in the Village Shop for anyone who wants or needs them.

Don't forget you can still contact North Yorkshire Police for any serious issues by dialling **101 and reporting it directly**. As previously mentioned, the **HUBY NORTH YORKSHIRE FACEBOOK** page will keep you up to date with events, recommendations and news – as well as incidents to be aware of locally - so give it a follow.

Many thanks. Simon and Jackie Bullough

### **Help with living costs**

**All Hallows Church and Easingwold and Villages' Foodbank have a fund to help residents in Sutton and Huby struggling with the cost of heating.**

**This could be a one off need – perhaps you've had an unexpected repair to your house or car which has left you short of cash this month, or it could be an on going issue.**

**We can help with the cost of oil, lpg or electric. We can provide electric heaters or electric snuggle blankets so you and one room can be kept warm more economically.**

**If you know anyone who this could help please encourage them to ring 07724 444 750**

**in complete confidence – just leave a message**

## LOCAL HEROES WANTED!

### **VOLUNTEER TODAY**

Not all superheroes wear capes, some wear aprons!  
Become a local hero by joining our team.  
You could make a big difference.

**Be part of something amazing and volunteer at your local community shop.**

You can do as many or as few hours as you want to. You can do a regular time and day or as and when you can make it. There is no long-term commitment but once you join you become part of a warm and friendly community of people from Huby & Sutton.

To find out more, call into the shop, collect an information pack or get one from the website (<https://hubyandsuttoncommunityshop.co.uk/volunteering/>) or email Marina our volunteer coordinator via [hubysuttonvolunteers@outlook.com](mailto:hubysuttonvolunteers@outlook.com)

### **PARKING ON PAVEMENTS**

**Vehicles are being parked on the footpaths around the village**

**It is inconsiderate and can potentially cause problems for parents with pushchairs and wheelchair users**

**PLEASE park with more thought!**

Huby WI

**Huby Women's Institute is a group of 30 friendly women who meet together every month to learn something new and meet friends old and new.**

**We have speakers on various topics - coming up we will be hearing about hearing dogs for deaf people, and finding out about the work of a textile artist. We try crafts and have trips and meals out. Some of us are going to a 1920's Jazz afternoon tea in June and we will be having other trips and meals out. We love to welcome new members so do come along and give us a try. It is a lovely way to make new friends**

**We meet in Huby Methodist church on the third Wednesday of every month at 7.15pm. You will all be very welcome.**

## **Huby & Sutton Show 2026**

***Calling all supporters of Huby & Sutton Show***

***Could YOU help us put on a superb show in 2026 and in years to come:***

***We have a number of roles on the committee that require enthusiastic and passionate show supporters that we want to continue, but help is needed to do this***

***List of roles:***

- ***Livestock entries secretary***
- ***Carparking***
- ***Gates***
- ***Raffle***
- ***Support needed before and on the day***

***We are a small hardworking committee that now needs new members to ensure we can continue to put the show on***

***Huby & Sutton Show has a great reputation, but help is needed to continue this local tradition.***

# Brownies

## 1st Galtres Brownies

The Huby and Sutton Brownie group for girls aged 7-10 has had a great start to the Summer term. We have been working on the 'Aviation' badge which has involved finding out facts about female aviators, making different types of paper aeroplanes and making and flying kites. Two of our girls also attended the VE Memorial Service at Sutton on The Forest and laid a wreath made by the girls.

We have been trying to make the most of the recent good weather and getting out in the field to play games. We hope to end the term with our usual trip to the park.

If your daughter is interested in joining us find out more and sign up at [girlguiding.org.uk](http://girlguiding.org.uk).

We would love to hear from any local people that are willing to visit us to share a skill or from anyone willing to help in any way. Get in touch at [galtresbrownies@gmail.com](mailto:galtresbrownies@gmail.com)

## Sutton and Huby Gardening Club, June 2025

Winding down the Club's year, we have the last outing, a day out in the RHS garden at Harlow Carr for which we've organised a bus and a guided tour. It's on Saturday, 28 June and there are a few places left on the bus. The bus is free to members, but the tour is £4. Non members will be asked for a donation towards the cost of the coach. More info, including pick-up times from Hilary on 01347810206 or, better e-mail her on [hilarykilner@hotmail.co.uk](mailto:hilarykilner@hotmail.co.uk)

You can keep abreast of all the events by being added to the e-mail circular we produce by e-mailing me at [djj3@btinternet.com](mailto:djj3@btinternet.com)

We start our talks season again at Huby Memorial Hall at 7.45, Wednesday 24 September with a talk on "Garden Disasters". We've all had those!

**Stillington Surgery Patient Participation Group (PPG)**

**Annual General Meeting**

**Thursday 31 st July at 6pm in Stillington Village Hall**

**All Stillington Surgery registered patients are invited to attend**

**“Stillington Surgery guideline for prescription orders is to request repeat prescriptions 5 working days in advance of when they are needed.**

**Recently, prescription medicines have often been available in advance of the guideline.**

**However, due to a combination of long term illness, holidays and difficulty obtaining trained temporary staff to cover, for the next few months, it is likely that dispensing some prescriptions will take the full 5 working days.**

**Please support our Surgery staff and avoid your own inconvenience by getting your prescription requests in well in advance.”**

**Galtres (Huby) Rainbows**

**The girls are currently enjoying their “Have Adventures” theme award**

**We have been bug hunting, following trails set by our Young helpers, building dens and learning about the universe.**

**Several of the girls have completed all their challenges and have been awarded their GOLD award**

**We would love to hear from anyone who would be interested in helping at the unit and possibly training as a leader, please email as below for more information**

**The village Rainbow unit in Huby meets on Wednesday evenings from 5-6pm, for girls aged 5-7 years.**

**Our waiting list is getting quite LONG! to put your daughter’s name down on the waiting list, please visit: [www.girlguiding.org.uk](http://www.girlguiding.org.uk)**

**For more information please email: [firstgaltresrainbows@gmail.com](mailto:firstgaltresrainbows@gmail.com)**

## Girlguiding Hambleton needs you!

Girlguiding units in Easingwold and the surrounding villages are likely to close in the next year without additional volunteers.

By becoming a Girlguiding volunteer, you can make a real difference to help more girls aged 4-18 know they can do anything. This is an opportunity to help girls build their confidence, create friendships, have adventures and learn new skills. We have great fun as volunteers and also gain skills for life.

We would love to hear from any individuals or groups of friends interested in joining our community. Ideally we are looking for adults aged 18+ that can commit to weekly meetings.

No experience is necessary. Full training is available along with lots of support from current volunteers.

Get in touch for more details or to arrange a meeting.

Contact Zoe at [hambleton@girlguidingnyne.org.uk](mailto:hambleton@girlguidingnyne.org.uk) or register your interest at [girlguiding.org.uk](http://girlguiding.org.uk)

## Huby Memorial Village Hall

The Village hall is available to book for just £14 per hour.  
Please email: [hubymemorialvillagehall@outlook.com](mailto:hubymemorialvillagehall@outlook.com)  
for all enquiries.

At present we have regular weekly classes which include:

Zita Yoga - Monday and Wednesday  
Torashin Karate Club - Tuesday and Thursday  
Rainbows - Wednesday Evening  
Gardening Club - 4th Wednesday  
Parish council - 2nd Wednesday bi-monthly  
Move it or lose it with Karen Hill - Thursday  
Cultured Canine Dog Training - Friday

The hall can be booked for presentations, Wedding receptions, Children's parties ( bouncy castles fit into the hall really well ), craft fairs and lots of other get togethers, including fund raising evenings. The list of possible uses is long, this list also includes the hall being used by one family as their Christmas Lunch venue every year.

Maintenance, bookings and all other necessary admin is looked after by a very small group of volunteer committee members.

More volunteer members would be very welcome on the committee to help share the load and, in time, to take over so that the hall will continue to be for many more years to come.

Please contact if you would like to join us.

## Spring at the Forest of Flowers, Huby

This spring has brought us some glorious weather, with our wildflower meadows and new woodland constantly bathed in sunshine. This has meant fantastic conditions for pollinators, with our tree blossom, willow and wildflowers out in force, providing an amazing source of nectar and pollen.

On the down side, the dry weather has meant that our 18 ponds are dwindling with some already dry. This could impact our wildlife which relies on a good water level, not least our amphibians, dragonflies and mayflies. Let's hope some rain will be on its way soon.

Butterflies have been one of the main winners from the warm weather lately. Our weekly surveys began in April, and we've seen a significant rise in numbers on last year. (One week in May had more than 3 times the sightings we had in the same week in 2024.) We've also seen more Small Tortoiseshells so far this year than in the whole of 2024!

The icing on the cake has been a brand new butterfly species to the site: Dingy skipper! This gives us 25 species and counting. This one breeds on Bird's-foot Trefoil, which is abundant in our meadows (the same reason we saw the return of the Common Blue, which also relies on this wildflower). The Dingy skipper is scarce in the UK and particularly in Yorkshire, so it's fantastic to see it and we hope it makes a permanent home here.

We've had more new arrivals recently, with the birth of our first goat kid for 3 years. Meet Henrietta! She is half Golden Guernsey (now Royal Golden Guernsey), a rare breed which we love. Our small herd of 6 goats give us lovely milk and cheese (plus a bit of mischief now and then!). Our Open Farm Sunday event and general Guided Tours include a visit to see the goats and pigs for anyone who'd like to meet them.

Also in our smallholding are 10 bee hives, which are producing honey at a fantastic rate due to the sunshine and abundance of wildflowers to forage on! We have recently finished our first harvest of the year and have lots of delicious spring honey now in stock. If you'd like some, it's now available at Huby and Sutton Community Shop, and at our events. All funds raised support our project for nature conservation across our 100-acre habitat in Huby.

### Upcoming Events

Our events calendar is well underway, with lots more to come. Tea, coffee and homemade cakes are served at all events. Tickets are limited and booking is essential via our website. We hope you can join us!

What a brilliant season we have had at Huby Corinthians. The club is **going** from strength to strength with more members coming along every week. I am sure many people in the community are now aware of the club training on a Friday afternoon/evening down at the Playing Fields. The girls kick off training at 4pm and there is such an amazing atmosphere down at the field, with the girls and Mini Corinthians training, the lads (and some keen parents) from the village having a friendly kick about and many families in the park as well. Following this, the boys then train at 5pm. The community that the club is creating is one we are very proud of, with members joining from around the whole of York.

This season our Boys U9 team have been playing in the league and have progressed so much. They have taken on all the skills taught in training and put them together on the pitch, really coming together as a team. I know the supporters have loved watching their achievements throughout the season. Their hard work paid off when they got to the League Trophy Final Day at Poppleton. They played a truly gripping game of football against Fulford, they did not quite get the trophy but they walked off the pitch after shaking hands with the opposition, with their arms around one another and laughing with their teammates. Watching the team receive their medals and have a final team huddle for the season was the highlight for many supporters there.

As our training season is coming to a close in the next month, our Club will be hosting the annual presentation evening in the village hall. This evening is a fun-packed night and the members are all celebrated for their achievements throughout the year followed by some dancing – not sure the kids keep up with the parents at that point!

Looking further ahead, Huby Corinthians is keen to keep growing, with the club expecting to field additional teams in the City of York league next season. This is a massive step for the club and one we are incredibly proud of the growth in such a short space of time.

This club is run by volunteers and we are very grateful to them for their time and effort, from tirelessly keeping on top of the field, line painting and revamping the 'club house', to coaching, sending emails and ferrying children to training and games – thank you to all our volunteers, parents and members.

# **PICK UP AFTER YOUR DOG!**

**THIS INCLUDES THE EDGE OF THE FIELDS**

**THE INSTANCES OF DOG FOULING IN THE VILLAGE, ON THE SPORTS FIELD AND ON TALLY HILL ARE INCREASING.**

**DOG WASTE CAN CARRY DISEASES WHICH MAY CAUSE  
**BLINDNESS.****

**It is an offence under the Dogs (Fouling of Land) act 1996 not to clear up after your dog. The act states that being unaware or not having a bag are not excuses to not pick up.**

**Being found guilty of dog fouling may result in a fine of up to  
£1000.**

**There are plenty of dog waste bins in the Village. You can put securely bagged dog waste in your normal black bin, but not the recycling or garden waste bin.**

***Please do not allow your pet to foul on agricultural land, this will potentially end up in the food chain  
then YOU may eat it!***

## **New Residents Welcome Pack**

**If you have recently moved into the village and not received your Welcome Pack, please email: [hubyvoice@gmail.com](mailto:hubyvoice@gmail.com) and we will arrange a delivery of the information.**

**Huby Monday Club** was established 30 + years ago and still meets every 2nd Monday in the month, in the Methodist Church.

We are a very friendly group. We have good speakers and meals out together and social occasions.

New Members are always welcome. We meet at 2pm in the winter months and 7pm in the summer months.

For more information please phone Carole Smith on 810057 or email [carolesmithuk@yahoo.co.uk](mailto:carolesmithuk@yahoo.co.uk)

### **Villages Together Methodist Church**

We have enjoyed a busy time in the last three months with all our friends in the villages group and met with other churches in the area.

We hosted a joint service in April with 3 other churches and Revd. Andrew Foster led a very moving service. This led onto our Easter Celebrations. Our Walk of Witness carrying the cross was very well attended this year. We held our second Easter Monday Cream teas event and all the tables were quickly filled up. We intend to hold another one on the May bank holiday Monday and the August Bank holiday Monday 2-4pm. All are very welcome.

We were very fortunate in receiving funding for Solar panels and they have been swiftly installed.

We will be sad to say goodbye to our minister Revd. David Bidnell who is moving up to Scotland. We have a new Minister Revd. Alexandra Middleton - Laing joining us in September.

David will be with us until the end of July and can be contacted on 019044345429 or [davidbidnell@gmail.com](mailto:davidbidnell@gmail.com)

### Tuesday 25 June: A Complete Unknown

In the early 1960s, 19-year-old Bob Dylan arrives in New York with his guitar and revolutionary talent, destined to change the course of American music. Forming his most intimate relationships during his rise to fame, he grows restless with the folk movement, making a controversial choice that reverberates worldwide.

It's a remarkable performance. Star of the moment Timothée Chalamet inhabits the loose-limbed, live-wire physicality of the young Bob Dylan and makes an impressively good fist of capturing the frayed hessian of his distinctive voice.

Hit after hummable hit, the soundtrack is a tribute to Dylan's incredible creativity during this period of his career, and the impact the songs had on his audiences. Guardian

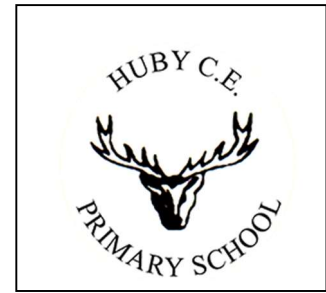

### Tuesday 22 July: A Real Pain

A Real Pain is a 2024 comedy-drama film written and directed by Jesse Eisenberg. A coproduction between Poland and the United States, the film stars Eisenberg and Kieran Culkin as mismatched cousins who reunite for a Jewish heritage tour through Poland in honour of their late grandmother, but their old tensions resurface against the backdrop of their family history.

*A whip-sharp comedy driven by the rattling verbal sparring between uptight, neurotic David and his outgoing, unpredictable cousin Benji. Guardian* Culkin won an Oscar for his performance but so could Eisenberg for writing, directing and acting.

## **Huby C of E Primary School**

**What have we been up to?**

**Last term was jammed packed for students, staff and volunteers at Huby Primary School.**

**Our nursery and reception children welcomed chicks to their class this term. The eggs were put in a special incubator, where the children were able to study and monitor the progress the eggs made. After hatching, the chicks stayed in the classroom for about a week, where they enjoyed lots of cuddles with children from all classes (and some parents too!) before heading back to the farm the eggs came from to enjoy their life there.**

**We were very proud to see our year 5 and 6 children have success with tag rugby. The first tournament was held here at Huby against our local cluster of schools, and we won! The very next day the team headed to Thirsk for the next stage, which they went on to win too. The next stage is in Scarborough, and we can't wait for the students to represent us there.**

**We also had fantastic representation at cross country competitions across the region, with 8 students qualifying at the Askham Bryan cross country competition and therefore heading to the county cross country championship at Giggleswick school.**

**Phenomenal sporting achievements across the board and we couldn't be prouder!**

**In March we celebrated our brand-new Garden Room when it was officially opened by Reverend Steve of Huby and Sutton Church. Thanks to a very generous donation from Huby and Sutton PCC, we now have this fantastic breakout space for our students to enjoy, whether it be music lessons, extra-curricular activities, or for some quiet reflection time.**

**Huby Herons, our before and after school wrap around club has been a hive of activity as ever, with lots of crafts, activities and yummy snacks to be had. As a**

small school, all of our children are close, and so Huby Herons is a great opportunity for them to catch up with their friends of different ages from different classes.

We also welcomed this terms cohort of nursery children in January, and they have all settled in well. Our nursery is open to all those aged 3 and over, and is a wonderful way for them to learn new skills and make new friends. For more information, please contact our office on 01347 665100.

**Parent Teacher Association (PTA)**As a school, we could not be more lucky or proud to have the wonderful support of our PTA. They work tirelessly throughout the year, not only to raise vital funds for us to continue to enhance the experience of each and every one of our students, but also offer a wide variety of extracurricular activities for our students, their families, and the local community to take part in and enjoy, which last term included easter egg hunts, easter bonnet competitions, and an adults quiz night, as well as funding transport for our school trips.

You may remember our fantastic school carnival and parade last summer, organised by the PTA, which many of you came along to and enjoyed. Thanks to not only this event, but also a hugely generous donation to the PTA from Huby WI, the PTA have been able to donate the money to pay for much needed new, safe and clean changing facilities for our children when using the swimming pool. Not only this, but thanks to a voluntary team of highly skilled and generous parents, and the support of British Gypsum and GH Brooks, the PTA have also been able to facilitate the build of these changing rooms too, saving a huge amount of money and time, and allowing our children to make the most of the new changing facilities this year.

**Things coming up :** The PTA are hard at work organising the school's first Colour Run, as well as bringing back their now famous Ice Lolly Fridays for children and their families to enjoy a cold treat at Friday pick up.

Each year, every class gets the opportunity to enjoy weekly Forest Quest sessions over a half term. This half term, our reception and year 5 and 6 classes will be going every Friday, where they will learn key skills and enjoy spending time with their friends in nature.

Our swimming pool will be opening, and every class will have 3 sessions each week in the pool, learning how to enjoy water safely as well as lifesaving skills. On Monday 23<sup>rd</sup> June, we will also be offering some 'come and try' swim sessions for

parents with nursery aged children (open to all, not just our own students). For more information, please contact our school office on 01347 665100

Our wonderful year 6 students will be leaving us this term, and although we will be very sad to see them go, we couldn't be more proud of each and every one of them, and are very lucky to have them representing Huby School in their next big step to secondary school. We can't wait to celebrate you all over coming weeks!

We have a caretaking vacancy for 2.5 hours per week,  
and we'd love to hear from anyone who think it might be for them.

## **Litter**

**We take a pride in our village and the surrounding area**

**Please use litter bins that are placed around our village or take your rubbish home**

**If you are going for a walk, why not take a bag with you to pick up any rubbish you see and help to make the village a pleasant place to live**
