Next Edition

Huby Voice is issued 4 times a year.

If you would like to contribute to the next edition, submit an article or place an advert in the next issue of Huby Voice, please email hubyvoice@gmail.com by 15th January for the February edition.

Hello

Welcome to the November edition of Huby Voice.

This issue follows a little sooner than usual so we can share news and updates in good time for the festive season. I hope you'll find plenty of useful information about what's happening in and around Huby over the coming weeks.

Looking ahead, I'd love to include more voices and stories in future editions. Whether you're part of a local group, have a story to share, or would simply like to include a short notice, please do get in touch by email at hubyvoice@gmail.com. Your contributions are what make this newsletter truly reflect village life.

Thank you for reading, and I hope this edition helps you make the most of the weeks ahead.

Huby Christmas Fair - Saturday 7th Dec

🎄 We're looking forward to a lovely festive day right here in the village!

There'll be a wonderful mix of artisan crafts, local food producers, vintage finds and handmade gifts - perfect for a bit of Christmas shopping close to home.

Refreshments will be available throughout the day, including freshly made sandwiches, homemade soup and hot drinks, all served in a friendly, festive atmosphere.

Adding to the cheer, Dynamics Community Band will be performing live, bringing some seasonal music to enjoy while you browse.

Flyers with full details are available in Huby and Sutton Community Shop, so do pick one up and help spread the word.

It promises to be a great community event, we'd love to see you there!

Huby and Sutton Community Shop

The Huby and Sutton Community Shop is a vital part of village life, run by volunteers and owned by local shareholders. It operates as a not-for-profit community enterprise, with all surplus reinvested into improving the shop and supporting the community.

Open seven days a week, with the Post Office operating six days, the shop supports local suppliers by stocking a range of fresh and local produce as well as everyday essentials.

Huby & Sutton Community Shop AGM

To be held on Sunday 16th November at 4pm.

All shop shareholders welcome plus anyone who wants to find out more about the shop.

Refreshments will be provided and it is going to be held in Huby Village Memorial Hall.

Huby Walks Group

The group has decided that it is time to reprint the leaflets again and after six years a small edit was needed. Some details have changed, such as the name of the shop, so a tidy up was called for.

All the rights of way are being re-walked to check all details on each leaflet. The leaflets are all available on the Huby Village website. Also they are for sale in the village shop and the Mended Drum.

Can we just remind walkers that if you find an obstruction to the route which should not be there (an electric fence or a chained gate, for example) please report it. We have been told to refer people to the Footpaths Officer of North Yorkshire County Council, with a photo and description of what you found. It should be dealt with then.

If anyone has any queries about what we have done, or would like to join the group, please contact Kathryn Wallis on 01347 811272.

Over the six years we have made enough money to have reprints done and also make a profit. So we were delighted to donate £50 to the Sports Pavilion Fund for the next phase of the project.

Huby Primary School

Summer Term

Summer has flown by here in Huby, and we've been thrilled to welcome back all of our children, and some new faces too, to the 2025/2026 academic year. It may have only just begun, but we've already had a flying start to the year, and it doesn't look like things will be slowing down any time soon!

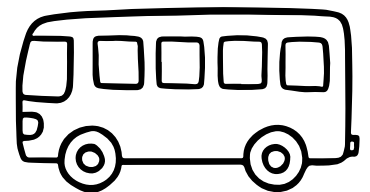

Over the summer, Easingwold Library held its annual summer reading challenge, and we were delighted to present 34 of our children with certificates for completing the challenge. We were thrilled to be told that our school had the highest percentage of children engaging with the challenge of all local schools in the area. We can't wait for some of our classes to visit the library again soon.

Our new school council representatives, house captains and vice captains have been chosen for the year. The school council has representatives voted by the children from each year group, all of whom were asked to prepare something to share with their class explaining why they would make a good representative. This is a wonderful opportunity for the children to develop confidence, responsibility and leadership skills.

We have been very lucky to have introduced two new weekly awards this year, one for reading, and one for multi-sports, both of which were very kindly donated by last year's year six families. Each week, one student will be selected for each of the awards, given to them in our Friday celebration worship.

We've had a number of school trips already this term, including our Reception, Year One and Year Two children, who headed over to Hushwaite School for an afternoon with six other primary schools, taking part in the Easingwold Cluster FunRun. The sun shone, and all of the children tried their very best and showed a huge amount of determination, teamwork and enthusiasm, representing Huby School and our values wonderfully.

Our Year Three and Year Four children have enjoyed, at Murton Park, learning about the Stone Age, and our Year Five and Year Six children had a super day at Ripon Cathedral, taking in a combination of history, appreciation of architecture, symbolism and meaning, interpreted through Harold Gosney's Sculptures, and clay modelling and stained glass window making.

We're very lucky at Huby School to have such a variety of school trips for our children, which wouldn't be possible without support from parents, volunteers and governors, but we're even more lucky to have children who are super ambassadors for Huby School, and represent us so well while visiting all of these wonderful places.

As well as school trips, we also have a number of visitors into school throughout each half term who add a huge amount of value to our children's learning. We have Alfie the Dog (our PAT dog), and other volunteers, who come regularly to hear the children read; we have Mr Davis come and run PE sessions with all of our classes every week; Mr Wilton who comes to teach our children various brass instruments; representatives from York City who come and run football sessions after school each week; and Open The Book, who come and hold interactive assemblies with our children – this half term we learnt from them that it's never too late to make things right.

Our Year Six children have undertaken their Bikeability training this half term. In Level 1 they worked to develop cycle handling skills in the playground, before venturing out onto the roads of Huby in the afternoon with their instructors, putting all that they had learned into practice.

We were thrilled to be able to hold our annual Harvest Festival at All Hallows Church, in Sutton, again this year. All of our children play a very important part in each of our church services, and lots of time, preparation and practice goes in to sharing what we've learned with our families, who come to watch. This year all of the food we collected was donated to Easingwold Food Bank.

The PTA have held their always popular film night this half term, with hot dogs and sweet treats for all of the children. It's a great opportunity for them to relax and enjoy a film with their friends.

Although the new year has only just begun, we're already preparing for next year with an open evening for new Reception starters in September 2026. We had a lovely afternoon sharing our school and facilities with new families, who are currently investigating different settings for their children to start at next year.

We'd love to share our lovely village school with as many people as possible, so if you weren't able to visit on our open evening but would still be interested in having a look around, please do get in touch with us on 01347 665100 and we can arrange a visit.

Huby Primary PTA News

Huby Primary School PTA has organised another clothing & shoe collection for the village with

Bag2School.

As well as raising much needed funds for our lovely local school, it also helps to divert unwanted textiles away from landfill. As a nation we still send 350,000 tonnes of textiles to landfill every year! This is a great way to raise awareness amongst the children of the benefits of recycling and reusing, and looking after the environment.

By getting involved in our **Bag2School** collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag we will pop through your door during the first week of November – this can include adult and children's clothes, shoes (tied together please), hats, belts, handbags, scarves, jewellery and soft toys, (please refer to <https://bag2school.com> for full details). Please don't include any items of uniform/work wear, books or bric a brac.

If you fill the donation bag and still have more, then you can use any other bag to donate your items. We will collect bags from outside your homes on **Sunday 16th November**, please put them in a visible spot by 11am.

Many thanks in advance for your help with this, we are very grateful for the support of the village with this fundraising opportunity.

Huby Playing Fields Association

Pavillion Project Update - November 2025

Fundraising towards Phase 2 of the project – internal fitout – is well underway.

Following a leaflet drop to every house in the village a few weeks ago, I'm pleased to report we have raised nearly £4500 through donations, so a huge thank you from all of us to those who have generously contributed to the project.

By way of a reminder, in addition to the GoFundMe page we have set up:

you can also email us at hubyplayingfields_northyorks@yahoo.com and we'll send you our bank details to deposit funds directly to us.

We will be submitting other grant applications in the coming weeks to a couple of sports governing bodies, as well as the regional combined authority now new funds have been released, so we're hopeful our project will get a positive response from them.

In other news, we are in advanced talks with a local cricket club that is looking for a second home to accommodate some of its junior, girls and ladies' teams. We are looking at a long-term commitment that would bring cricket back to the village for the first time in nearly 10 years by the time we're ready. Keep an eye on our Facebook page for updates www.facebook.com/hubypavilion

As ever, we are keen to hear from any people who may be able to help us once the utilities are all in place, so if you have contacts with any trades we're going to need feel free to make contact with any of the committee as you see fit.

Many thanks again to all those who continue to offer support and good wishes to us as we embark on what we hope will be the beginning of the end of the project.

Thank you, from the Huby Playing Fields Committee

Huby W.I.

Huby Women's Institute is a group of 25 friendly women who meet together every month to learn something new and meet friends old and new.

We meet to listen to speakers, learn crafts and chat with other members. We sample crafts sometimes and go out for trips and meals.

Coming up in November we have a flower expert who is going to demonstrate arrangements, show how to choose flowers that go together, and complete two arrangements which we will raffle at the end - one free ticket for each person.

In December we will be going out for a meal together.

We love to welcome new members so do come along and give us a try. It is a lovely way to make new friends

We meet in Huby Methodist church on the third Wednesday of every month at 7.15pm. You will be made very welcome.

Huby & Sutton Show 2026

The committee have the greatest of pleasure in announcing that the show will return in 2026!!

We are exploring the best date for the 2026 show and will announce this as soon as we can so you can all get it blocked out in your calendars.

If you would like to help out with the show in anyway we would love to talk to you, so please get In touch.

We need support not only on the day of the show but in the week(s) running up to it, we also would like to hear from anyone who would be interested in joining the committee to help with the planning and preparation

We look forward to seeing you in 2026 for a great day at the Huby & Sutton Show.

Villages Together Methodist Church

We welcomed our new minister Rev. Alex Middleton-Laing at the beginning of September and are enjoying getting to know her and her us.

We had a packed church on her first Sunday at Huby, when Easingwold Church joined us.

We will once again be sharing a time together with the pupils of Huby School on the 11th November Remembrance Day from 10.30am. The children have in the past produced some amazing poems and art work. We then gather outside for the 2 minutes silence and the roll call for those who gave their lives from Huby. Please join us for this time of remembrance.

Next comes Christmas ! We always hold a Family Candlelit service on Christmas Eve at 6pm. With lots of Carols, Readings and sketches .

Moving onto the New Year we will once again join with Sutton for our Covenant Service at 10.30 am at Huby. A time together where we can renew our commitment to God and each other.

All services will be displayed on the Church notice board.

Rev. Alex Middleton-Laing can be contacted on 07414945299 or alex.laing@methodist.org.uk for Baptisms, Funerals and Weddings or any other concern that you might have.

Surviving Winter

All Hallows Church and Easingwold and Villages' Foodbank have a fund to help residents in Sutton and Huby struggling with the cost of heating.

This could be a one off need – perhaps you've had an unexpected repair to your house or car which has left you short of cash this month, or it could be an on going issue.

We can help with the cost of oil, lpg or electric. We can provide electric heaters or electric snuggle blankets so you and one room can be kept warm more economically.

If you know anyone who this could help please encourage them to ring 07724 444 750 in complete confidence – just leave a message

Sutton and Huby Gardening Club

We've started our new season well with an excellent talk on Burnby Hall gardens by their head gardener. There was much more than gardening and plants in Jill Ward's talk. Her job description should have included Civil Engineering, fund raising and publicity so there was much in the presentation to interest everyone.

But now to what's coming up next:

Huby Voice might be out before our next talk, "Picked at Dawn" at 7.45 on 22 October in the Sutton Grey Village Hall. Suzie Rush who grows flowers to cut on a largish scale and makes a great job of it, will give us a glimpse into her floral world and bring plug plants for sale.

On 26 November at the Huby Hall, again at 7.45, Caroline Thomson will be setting the scene for the Festivities with "Perfect Petals" a demonstration and sale of Christmas decorations, so don't buy anything in that line until then....

As you see, the club alternates between the two village halls and there are always refreshments and a raffle to help the funds. The Committee is busy organising outings for members for next year and we'll let you know about them as soon as we can. The subs have remained at £10 for some time now, with concessions for the over 80's and students go free. Visitors pay £2.50 each visit so you can see it's best to sign up for the year. If you are interested in the club's activities, why not get onto our e-mail list by e-mailing me at djj3@btinternet.com? That way, we can get an accurate e-mail address.

Having mentioned the C word, this year we are breaking with tradition by having a lunch at the George in Easingwold on 10 December to celebrate the season. Most of those signed up have paid their £10 deposit for the meal and the Treasurer has made the needed downpayment to confirm the date, but there will be a further chance to make sure you can come by coughing up the deposit at the next meeting.

As for next year, keep the following evenings free for our meetings; 28 January, 25 February (Sutton), 25 March (Huby) and 22 April (Sutton).

Huby Corinthians Football Club

Huby Corinthians Kick Off the Season in Style

There's a buzz in the air at Huby Corinthians as the club launches into the new football season with five teams proudly competing across the York Football Leagues. Friday night training has become a true community event - more than just drills and warm-ups, it's a gathering of families, friendships, and football. We are sure that everyone in the village can agree that the field comes alive on a Friday afternoon, with laughter, encouragement, and kids having fun with their friends. It's a sight that captures everything the club stands for, inclusion, development, and joy in the game.

The club continues to go from strength to strength, building not just teams, but a culture of support and resilience. As a club we are still looking to recruit new players to the club in the following areas:

- We have a small number of spaces available within our playing squads, covering school years 3-5 for boys and years 3-7 for girls.
- During the summer school term, we came close to being able to field a 6th team, for Year 8-9 girls, but we did not quite have the numbers to do this. Our "U14 girls" team continue to train and we welcome additional players to join so that we can look to start playing matches against local teams.
- One of the key aims for this season, is to make the club more sustainable by continuing to recruit players at a young age to feed into future teams. We continue to welcome players from ages 4-6 into our Mini Corinthians.

In addition to players, we are also in need of volunteers to help with various aspects of the club. We are always grateful for anyone you can help with refereeing the games, if this is something that you wouldn't mind spending an hour on a weekend doing please do get in touch. We are also in need of someone to paint our pitch lines every week. Your involvement will make a significant difference and help us continue to grow and thrive. Together, we can achieve great things and continue to build on the legacy of Huby Corinthians.

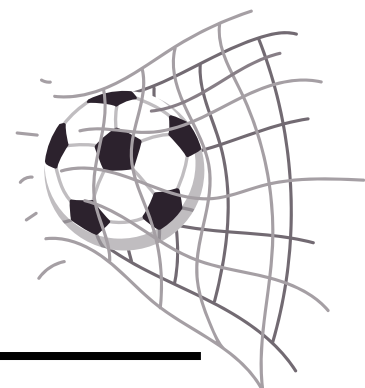

For more information on how to get involved, please contact us at communication.hubycorinthians@gmail.com.

As the nights are drawing in can we ask that we are all mindful of Robin Lane on a Friday evening as there are a number of members walking down the lane and near the junction.

Finally the committee would like to thank our team sponsors for the season: The Curious Coffee Company, Lightning Elite Group, Scruffs to Fluffs, Pickering Construction; Huby & Sutton Community Shop.

Our sponsor's support enables the club to buy the equipment we need to make training safe and fun, while keeping costs for our members low. Thank you for your support. As the season unfolds, Huby Corinthians remains a shining example of grassroots football at its best - where every player matters, and every weekend feels like a celebration.

Let's come together as a community and support our beloved football club.

Go Huby Corinthians!

November Excursions

5th November we head to Northallerton where you can pick up a bargain at the market, go to the cinema or browse the shops.

20th November York Designer Outlet, why not do some early Christmas shopping.

The cost of each trip is £20.

We will be having a stall at the Galtres Christmas Fair on Saturday 6th December, we will have our renowned bottle tombola plus knitted items. We look forward to seeing you there.

There will be a trip to a venue to enjoy a Christmas lunch, we are in the process of arranging the date and location, contact the office for information.

Summer at the Forest of Flowers, Huby

It's been a productive and momentous autumn here at our nature reserve on the outskirts of Huby. Our harvesting efforts are coming to a close, with our most diverse wildflower seed mix ever, a bumper honey harvest, and more apples than we know what to do with! All this while surrounded by some spectacular autumn colour in our woodland and our ponds looking much healthier after some much-needed rainfall.

Wildflowers for York's Green Corridors

We recently delivered over 3,000 wildflowers to the fantastic charity St Nicks in York. Our volunteers have worked hard all year to get these plants ready. It's wonderful to see them going to a great home. They will be planted out across York's green corridors, providing a vital biodiversity boost. 2,200 Tansy are included, providing much-needed habitat for the endangered Tansy Beetle, among lots more wildlife.

Sweet Spot

It's been a spectacular year for our bees, with lots of sunshine meaning a vast amount of flowers and nectar in our meadows. This autumn, we finished a bumper harvest and overall our 8 hives have produced around 1,000 jars of honey - a record year and double our usual crop! Our wide range of wildflowers, shrubs and trees in full bloom this year has made for a delicious, well-rounded honey, which is already going down well with customers. We sell it locally, including at the **Huby and Sutton Community Shop**. All proceeds go to our conservation project, so a huge THANK YOU to everyone who supports us by purchasing our honey and wildflower seeds. Hopefully these will make great gifts for the upcoming festive season too!

Tube by Tube

Last winter we removed around 8,000 plastic tree tubes from the woodland, after they served their purpose in protecting our young saplings. Lately we took all these to be recycled - the final stage of the process.

We couldn't be prouder of our volunteer team who contributed so much to the collection effort. We now have an empty shed ready to be filled with more tubes from our 74-acre woodland this winter.

If you would like to be part of our volunteer team, our friendly and welcoming group meets every Monday 9.30 – 12, often with a choice of tasks, followed by well-deserved coffee and cake.

Please get in touch for more details.

Forest of Galtres Camera Club

Our 60th Anniversary season began its weekly meetings at the Galtres Centre on Monday 6th October and will continue until 23rd March 2026. Selwyn Roberts, a Hubby member, has been elected President and other Hubby members are re-elected as club officials. Our opening evening welcomed new members and there was a review of images from our summer activities.

Our 60th Anniversary season includes an AV presentation from the club's founder member Allan Green and our full programme welcomes new speakers to the club, both live and via Zoom, with club member presentation evenings where we can see the interests and activities of our fellow members. Our full programme is now available on our web pages along with our club competition images. www.easingwoldcameraclub.org

The club meets during the winter months at 7.30 pm on Monday evenings at The Galtres Centre, Easingwold where we have all the facilities to view our images as well as wi-fi which enables us to welcome guest speakers and view images via Zoom. If you are interested in joining us please do make contact. You do not need an expensive camera, many successful images are now being taken on members mobile phones which can produce some high quality images. We do have dedicated evenings related to our mobile phone photography.

Tuesday 25 November: The Penguin Lessons

Based on Tom Michell's memoir, the story of a British teacher in 1970's Argentina, who rescues a penguin and smuggles him into his school, changing the lives of students along the way.

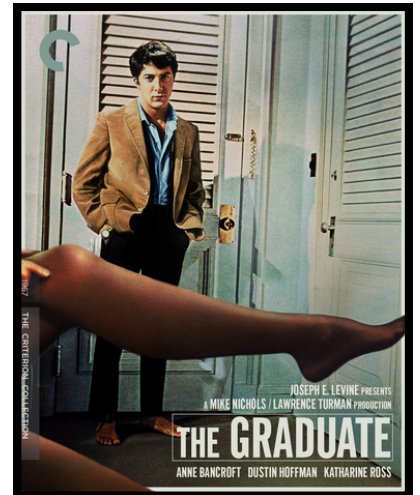

The Penguin Lessons brings warmth by focusing on the bond between the teacher and the penguin that is hard to resist. While it doesn't explore the political climate of Argentina fully, the penguin becomes a symbol of hope amidst uncertainty. A film which takes a step back from the larger political narrative to focus on the small, personal impacts of kindness and companionship. The Courier

Tuesday 9 December: The Graduate

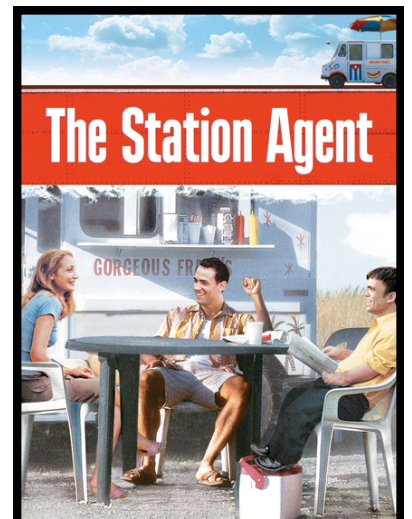

We re-watched this classic and absolutely loved it. A sensation on its original release in 1967. A cinematic portrait of America which captured the mood of disaffected youth with the marvellous portrayal of Benjamin by Dustin Hoffman.

With the music of Simon & Garfunkel and a superb performance by Anne Bancroft as Mrs Robinson. It won Mike Nichols a deserved best director Oscar.

Tuesday 20 January: The Station Agent

After a standing ovation and several prizes at Sundance, this quiet little film about a very small man who gets so fed up with people's reaction to his tiny size that he decides to live in total solitude, has made its way around the world as an example of the kind of American cinema you now hardly ever see. He meets a little black girl who asks him: "Are you a midget?" No, he says, I'm a dwarf. He also meets an eccentric lady who has lost a child and a hot dog vendor who is equally lonely but determined to make contact. Slowly but surely, the four odd souls begin to bond.

Explore Your Local Markets

North Yorkshire is home to a vibrant mix of markets, from small, community-run village events to bustling weekly markets and artisan showcases. Each one offers something unique, with plenty of reasons to stop by, shop local, and soak up the atmosphere.

Village Markets

Run by dedicated local volunteers, our village markets are a real community effort. With traditional outdoor stalls and smaller indoor setups, you'll find a wonderful selection of handmade, homegrown and locally produced goods, from preserves and crafts to fresh produce, meat, fish, and baked goods.

Every market also includes a Community Café, perfect for a cuppa and a chat.

Held monthly in the villages of Hovingham, Sheriff Hutton, Crayke and Husthwaite.

Please check out their Facebook pages for dates and times and their Christmas Markets.

Artisan Markets

For something a little different, visit the monthly Little Bird Artisan Markets, a colourful celebration of independent makers, artists and producers. It's not just about shopping, but discovering beautifully made goods and enjoying the buzz of a creative marketplace.

The closest Little Bird Market is in Easingwold, with others held in Thirsk, Acomb, Wetherby, and beyond.

Find upcoming dates and locations at: www.littlebirdmade.com

Easingwold Weekly Market

Don't miss the much-loved Easingwold Friday Market, held weekly in the town's Market Square. It's a brilliant place to pick up the freshest fruit and veg, fish, flowers, cheese, speciality mushrooms, eggs, bread, clothing, antiques, and more. With a mix of friendly regulars and guest stalls, there's always something new to discover.

Easingwold Christmas Light Switch on takes place on Thursday, November 27th, from 3:00 PM to 8:00 PM in the Easingwold Market Place. The event will feature the official switch-on, an artisan market hosted by Little Bird Markets, live music, and festive food and drink.

Vintage and Antiques Fairs

Love cool old things? Don't miss [The Yorkshire Flea](#), held at Thirsk Auction Mart.

With around 100 quality traders offering everything from antiques and retro finds to quirky vintage treasures, it's a fantastic day out for collectors, interior decorators, and bargain hunters alike.

You could also try [Jaguar Fairs](#) who hold regular antiques and collectors fairs at Wetherby Racecourse throughout the year. A quality indoor and outdoor event.
