Please check the Parish Council website at www.hubyparishcouncil.uk for a copy of all the agendas and minutes and also www.hubyvillage.uk to access the Huby Voice online. Select the Huby Voice tab on the left of the top line menu.

There are currently two vacancies on the Parish Council. If you feel you would like to be co-opted onto the Council or would just like more information on the role then please do email the Clerk.

The Council met on Wednesday 9 September 2025 and on Wednesday 12 November 2025. Seven planning applications were considered across both meetings. Applications for section 106 grants from North Yorkshire Council by Huby Bowls Club and Huby Playing Fields Association were supported.

It was agreed to repair the Tally Hill bench at a cost of no more than £150. A meeting was requested with North Yorkshire Council to discuss a proposal by a resident to have NYC install a mini roundabout at the Main Street / Tollerton Road junction. The Local Government Boundary Commission had released their final recommendations for new North Yorkshire Council divisional boundaries. These would now be put before Parliament and would come into effect for the May 2027 election.

The next meeting is scheduled to be held on Wednesday 11 March 2026 at 7pm in the Village Hall.

Please check the website for the agenda in early March.

Next Edition

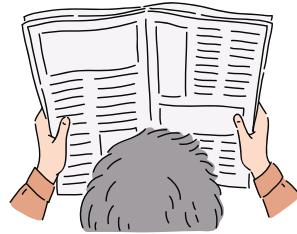

Huby Voice is issued 4 time a year.

If you would like to contribute to the next edition, submit an article or place an advert in the next issue of Huby Voice, please email hubyvoice@gmail.com by 15th April for the May edition.

Hello

Hello everyone, and welcome to the February edition of Huby Voice. This month's issue is packed with local news, updates and information from across our community and I'd like to say a huge thank you to everyone who has taken the time to contribute.

We're delighted to share the fantastic news that Huby & Sutton Community Shop has been awarded The King's Award for Voluntary Service, the highest honour a voluntary group can receive. It's a wonderful recognition of the dedication of the volunteers who support the shop and everything it provides for our villages.

You'll also find updates on the continued fundraising to complete the Pavilion project. There has already been a huge amount of generosity shown through donations from village residents and supporters of the project and we are now looking towards a final big push to help get everything over the line and enable the project to be completed.

As always, there is lots of information from local groups and clubs and a reminder to save the date for the Huby & Sutton Show.

I hope you enjoy reading this issue, and thank you again for supporting Huby Voice.

Best wishes,

Jane

Huby W.I.

Huby Women's Institute is a friendly group of around 25 women who meet monthly to learn, have fun and meet friends old and new.

We listen to speakers, learn crafts and skills and chat to members. We sometimes go out for a trip or a meal together.

We love to welcome new members so come along and give us a try. It's a lovely way to make new friends.

We meet in Huby Methodist Church on the third Wednesday of every month at 7.15pm. You will be made very welcome.

Huby Monday Club

Huby Monday club has been established for 35 years . It is mainly for a group of women but men are very welcome. We meet every 2nd Monday.

We are a very sociable and friendly group and welcome any new members.

We have very interesting speakers and meals out.

Our Christmas Meal last year was a 'Pie and Pea Supper ' with some delicious desserts and everyone had a fun time without having to travel far.

Our next meeting is February 9th at 2pm at Huby Methodist Church

David Banks - ' What the Medieval Monks and Nuns don't want you to know'.

Do come and join us. For more information please contact : Carole Smith 810057

Huby and Sutton Community Shop

The King's Award - join the Celebration!

There's a real sense of pride at Hubby & Sutton Community Shop, after it was awarded The King's Award for Voluntary Service (KAVS), the highest honour a UK voluntary group can receive and the equivalent of an MBE.

This prestigious recognition celebrates the incredible dedication of the shop's volunteers and the vital role the shop plays in our community.

Owned by the community and run entirely by volunteers, the shop is much more than a place to pick up groceries. It provides a valued local service, offering newspapers, local produce, and Post Office services six days a week. It is also a hub of opportunity, supporting local suppliers and providing work experience for young people. Shoppers can enjoy a wide range of goods including bread, milk, honey, coffee, spirits and flowers.

Volunteer Coordinator Marina Hilditch shared her joy:

"Our volunteers are absolutely delighted that our community shop has been recognised with The King's Award for Voluntary Service. This honour reflects the incredible commitment of our volunteers who give their time and energy to keep the shop running and to serve our villages with warmth and care. It's a celebration of what can be achieved when a community comes together."

Representatives from the shop will receive the award crystal and certificate from the Lord-Lieutenant of North Yorkshire, and two volunteers will also attend a Royal Garden Party at Buckingham Palace next spring.

To mark this fantastic achievement, a community celebration event is being planned in the coming months. More details will be shared shortly and we hope many of you will join us to celebrate together.

A massive achievement for the shop, and a heartfelt thank you to our wonderful volunteers and customers for making it happen, without whom we simply wouldn't have a shop at all.

Huby Primary School

Autumn Term

While Christmas is nothing but a distant memory, we'd love to look back, reflect and share with you some highlights from the last half term. The exciting run up to the festive period is always a busy one for our children, but also lots of fun too. Each year, our year 5 and 6 children head off on their residential adventure. This year, they spent 3 days at Peat Rigg, where they enjoyed games in the forest, rope bridges, problem solving, canoeing, kayaking, mountain biking, zip lining, archery and scavenger hunts. Some even enjoyed a fresh December dip in the nearby stream! The children showed great resilience, love, perseverance and determination, with lots of laughter and fun. They challenged and showed the best version of themselves with everything they did.

Our nursery, reception, year 1 and year 2 children presented a wonderful nativity this year. They work incredibly hard in the weeks running up to it and altogether had 3 performances - one to the rest of the school, and 2 others to parents and families. The performances were brilliant, the singing filled with joy and all of the children really did bring festive cheer to everyone who came to see them.

Our Christmas party day was another fantastic opportunity for everyone in school to really get into the festive spirit, with each class, donning their best party outfits and taking part in lots of Christmas activities throughout the day. Chef Kate and Chef Karen worked really hard to prep and serve up a delicious traditional Christmas dinner, which was very much appreciated by all of our children and staff.

We ended the term, as we always like to, having our annual carol service at All Hallows Church in Sutton with Reverend Steve, as well as inviting all of our families to come and join in. This is something the children look forward to and practice for in the weeks beforehand. It really was a lovely celebration before we all headed off to enjoy Christmas with our families.

Throughout the term, we've had a number of extra-curricular clubs for our children to enjoy, including the recruitment of a gardening and grounds team, who work with Mr Hartley to make improvements to the school grounds, Young Voices club, who are practicing for when they head off to join the world's largest choir in Sheffield in February. Games club, Lego club, Play Leaders and York City come in to school each week to run a football skills club with our children.

Huby Primary PTA News

Our PTA have also been busy, as usual, adding even more activities to the calendar for our children to enjoy.

They held their annual Santa night for all of our children, which included a festive quiz, lots of wonderful craft activities, games and challenges in the hall, from snowball throwing, to wrapping paper challenges. A very special guest settled into our new garden room to meet the children, find out what they'd like for Christmas, and gift them their very own book. We'd like to thank Easingwold Lions, who this year supported Santa by buying the books for the children. It meant that Santa could really give them wonderful quality stories to enjoy. As well as this, they also provided fantastic hampers to be raffled off during our nativity performances.

Recently, thanks to the fantastic fundraising the PTA have done, they have not only been able to continue funding bus transport for our school trips - something they have generously supported for many years now. Additionally, they were also able to add to their incredible swimming pool improvements, by donating £1000 towards a great quality winter pool cover. This will ensure that we can keep our pool in much better condition over winter (our last one had a hole in it!) and maintain the hard work that has been put into this area of the school over the last year, by both the PTA, local community and parent volunteers.

As the PTA look to their next fundraising activities, including their Easter Fun Day, they'd like to put a plea out to the local community for Easter Egg donations for our children to enjoy.

If you'd like to donate an Easter Egg, or know of a local business who may be interested in sponsoring this activity, please get in touch with the PTA on hubypta@gmail.com or drop your donation into the school office.

Any stamps can be left at the Post Office in the village shop. Jack will pass on your donations.

1st Galtres Brownies

The Huby and Sutton Brownie group for girls aged 7-10 has had a great end to 2025. We attended the Remembrance parade in Easingwold in November and before Christmas we all worked on our first aid skills and worked on lots of badges including Games Master, Birdwatcher and Imagination badges. We also enjoyed hosting the Yorkshire Countrywomen's Association to make Christmas cards. We have done this for the past few years and it is always a great to have the different generations chatting and crafting together.

This term we are focusing on ways to express ourselves and inventiveness. We are looking forward to the weather improving and getting outside to do more activities. We are also excited to be taking around 30 girls on an adventure activities residential trip in April.

A recruitment graphic for Girlguiding Hambleton. It features the Girlguiding logo and the text 'Volunteer with us'. It includes a photo of a group of girls, a photo of a volunteer, and a QR code. Text on the right encourages volunteers and provides contact information.

Huby Playing Fields Association

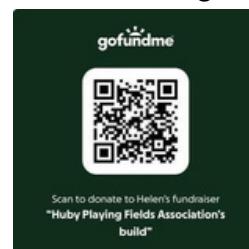

Pavillion Project Update - February 2026

As reported in November, we have now submitted a couple of sizable grant applications which, if successful will give us a huge leg up in being able to start Phase 2 of our project – the internal fit out of the new pavilion. Decision time will be in the coming weeks so hopefully there will be an update in the next edition.

A big thank you to all those who donated following our recent leaflet drop in the village - we have raised over £4500 which will go a long way to helping us reach our overall target for completion.

By way of a reminder, in addition to the GoFundMe page we have set up, you can also email us at hubyplayingfields_northyorks@yahoo.com and we'll send you our bank details to deposit funds directly to us.

As previously mentioned, we are, subject to getting the pavilion finished in time, planning to have cricket back on the sports field in 2027, so there's a lot of groundwork being done to prepare the cricket square and also improve the outfield. A huge thank you goes out to

Giles White and Rich Carr who have already committed a lot of volunteer man hours keeping the grass down to a manageable level and started the preparation of the square. Still much to do, but without their time and energy we'd never be ready, so thank you both

As ever, please keep an eye on our Facebook page for updates:

www.facebook.com/hubypavilion

And finally, many thanks again to all those who continue to offer support and good wishes to us as we embark on what we hope will be the beginning of the end of the project.

Thank you, from the Huby Playing Fields Committee

Villages Together Methodist Church

Looking back briefly on 2025 , we welcomed a new Minister Revd. Alex who has brought with her new ideas and lots of enthusiasm.

We welcomed a larger than usual group of children from Hubby school to our Remembrance day gathering and as always they produced some remarkable poems.

Our Christmas Eve service was well attended. It included a Nativity sketch where Mary, Joseph and baby Jesus were 'shoved' out of the picture and we were reminded what the real 'Reason for the season' was.

We started the New Year with our Covenant Service and were joined by members of Stillington and Sutton Parish Churches. A fitting service to commit ourselves to all that lies ahead in 2026.

We plan to hold another Bacon Buttie morning in February and Cream teas on Easter Monday and May bank holiday.

All services are displayed on the Church notice board, including other events that the Church hosts

Revd. Alex Middleton-Laing can be contacted on 07414945299 or alex.laing@methodist.org.uk for Baptisms, funerals and weddings or any other concerns that you might have.

Surviving Winter Fund

All Hallows Church and Easingwold and Villages' Foodbank have a fund to help residents in Sutton and Huby struggling with the cost of heating.

This could be a one off need – perhaps you've had an unexpected repair to your house or car which has left you short of cash this month, or it could be an on going issue.

We can help with the cost of oil, lpg or electric. We can provide electric heaters or electric snuggle blankets so you and one room can be kept warm more economically.

If you know anyone who this could help please encourage them to ring 07724 444 750 in complete confidence – just leave a message

Sutton and Huby Gardening Club

Hello all Huby and Sutton gardeners. Here is the latest news from our Gardening Club. First of all, I need to introduce myself as Pam, your new Chairman, (the words Chairperson and Chair were bandied about but think I will stick with Chairman). Our treasured Treasurer, John, has stepped aside and so Derek has kindly taken on this arduous task, meaning that I have taken on his role as Chairman, whilst Georgie is now Secretary, aided and abetted by Sue. Hilary and Jane continue to do a wonderful job organising speakers and outings.

... Talking of which, I must thank Jane for organising our Christmas meal at the George in Easingwold. Great venue, good food and lots of chat, some of it about gardening. Jane has also arranged a speaker for Wednesday the 28th of January in Huby Village Hall. The gardener, broadcaster and North Yorkshire Plantswoman Sarah Hopps will be talking about "A Garden for All Seasons" and she will also have plants for sale.

As well as existing club members, we invite visitors and new members. Visitors pay only £2.50 per visit whereas members pay £10 for all 8 meetings. With refreshments included, this is very good value! Meetings start at 7.45 pm.

On Wednesday the 25th of February in Sutton we have Alice Maynard with "The Outside In". A talk about houseplants.

On Wednesday the 25th of March in Huby, Kevin Foster will tell how to propagate and care for Exotic and Unusual Plants. Both of these speakers will also have plants for sale.

Finally, on Wednesday the 23rd of April, Mike L'Anson will be Talking about Gardening Disasters! I'm sure we will be able to share similar experiences at this meeting. By this time we will hopefully have seen the worst of the weather and will be finding out if the purchase of that "almost hardy" plant was wise.

Meanwhile, Hilary is planning Club outings for the summer. Don't know how but she is always finding new gardens to visit. I will let you know more once details are confirmed. In the meantime, if you want to know more, please join our mailing list by e-mailing Derek at djj3@btinternet.com

Huby Corinthians Football Club

Huby Corinthians having a great season

Huby Corinthians have had a great start to the season with all five of the teams in the York Football Leagues having a great start and coming together to play some incredible football.

Friday night training has continued into the darker (and much cooler) months, with the pitches lit up by the floodlights that have been purchased through grants from the Football Foundation and fundraising from the club. The children love that they have continued to train on Friday nights, with the most popular session being one with a coating of snow. The club now has a refreshments stall offering hot and cold drinks as well as some treats for the players after training, or for the parents and guardians braving the cold side lines as well!

Huby Corinthians has grown a lot in the last couple of years and it is incredible to see the community that the club has generated. Friday night training is a hive of activity down at the field and everyone there lends a hand with the sessions, whether that's setting up, running the stall, collecting the odd ball from the ditch or tidying away the flood lights. It is wonderful to have a club that is cared for by its members.

As a club we are always happy to welcome new members and are still looking to recruit new players to the club covering school years 3-5 for boys and years 3-9 for girls, and we continue to welcome players from ages 4-6 into our Mini Corinthians.

We continue to be grateful to all volunteers for their hard work, and if there is anyone who would like to be part of the club please do reach out to us at:
communication.hubycorinthians@gmail.com

There are games most weekends now, and between all five teams there is always a good chance one will be at Huby so please keep an eye out for home games, the children love the support when playing down at the home ground.

The committee and all our members would like to thank our team sponsors for the season: The Curious Coffee Company, Lightning Elite Group, Scruffs to Fluffs, Pickering Construction and Huby & Sutton Community Shop.

Finally, our club is holding a **Race Night** at The Mended Drum

Saturday 28th February, from 8pm.

This will be a great night, lots competitive fun and a fantastic raffle on the night.

Please pop along for a great evening, supporting both the club and our amazing village pub.

Huby Walks Group

How it all began - 9 people originally got together to create the 11 Huby Walks leaflets. We all knew the lanes well but thought that others might like a map and clear instructions describing our rights-of-way. We spent 4-5 years between 2014-19 doing the work before being ready to print. Over this time we walked each of the rights of way in both directions, checking on clarity of instructions and whether waymarkers were needed. We liaised with the Footpaths Officers at NYC on these, they supplied them and we asked landowners if we could put them up. We added Huby history to the leaflets to make them more interesting. After printing them on a home computer, we got a grant from the Parish Council for a print run. Income now pays for reprints.

NYCC asked us to look at Brown Moor Lane, a route to Skelton, and Sparrington Lane with Oxclose Lane, routes to Sutton. As major thoroughfares, they are on maps of 1771, 1806 and 1841 as 'ancient lanes'. We applied to clarify their usage and status, a legal process. Evidence about Brown Moor Lane was deposited at Council offices. We had no need to proceed for the other two lanes because the dates showed hundreds of years of usage. Also NYCC said they are all protected by being on the List of Streets, a legal document. So the rights-of-ways on these lanes are protected. This means that these lanes can be used like rights of way, as they always have been...

If anyone has any questions or would like to join the group, please contact Kathryn Wallis on 01347 811272.

Winter at the Forest of Flowers, Huby

It's been a spectacular winter so far at our woodland and wildflower meadows, with crisp weather brightening up the place and lots of wildlife enjoying the habitat here in Huby.

We've been taking stock, including with our annual New Year Plant Hunt, which showed a record number of species in bloom. Our harvest mouse survey was also successful, with 8 nests found – a new record for the site and double last year's findings! Amazing to see this struggling species doing so well here at FoF.

Wisps o' the Willow!

Our 2026 volunteer sessions started brilliantly with groups of 10+ helping us each week. One of the main jobs has been harvesting from our willow coppice, cutting the lovely straight stems grown in the last year. Once cut, we stack all the material for it to dry, and we're hoping to use it for weaving in a few months' time.

Each week is different for our volunteers, who help every Monday 9.30 - 12.00 (with coffee and cake served afterwards as a thank you!). If you'd like to join a Monday taster session, just email info@forestofflowers.co.uk or we have weekend sessions on Saturdays 24th January and 21st February (1.00 - 4.30pm), which you can register for on our website.

Upcoming Events

Our first events of 2026 have been announced! There's lots to look forward to, including Bird, Tree and Wildflower Walks, plus our second performance by the wonderful Adderstone, a local duo (pictured), telling the amazing story of Hildegard of Bingen (12th century nun, visionary and all-round rebel!), all in the natural backdrop of the Forest of Flowers coming to life in Spring.

Tea, coffee and delicious homemade cakes are included at all events. We hope you can join us!

Date	Event
Saturday 14th Feb	Winter Bird Walk
Sunday 15th Feb	Winter Tree ID Walk
Saturday 25th April	Spring Wildflower Walk
Saturday 9th May	Dawn Chorus Guided Walk
Saturday 16th May	HILDEGARDeners: A Performance by Adderstone

Tuesday 24 February: The Choral

Written by Alan Bennett and directed by Nicholas Hytner. As war rages on the Western Front, the Choral Society in Ramsden, Yorkshire has lost most of its men to the army. The Choral's ambitious committee, determined to press ahead, decides to recruit local young males to swell their ranks. They must also engage a new chorus master, and despite their suspicions that he has something to hide, their best bet seems to be Dr Guthrie (Ralph Fiennes) – recently returned from a career in Germany. As conscription papers start to arrive, the whole community discovers that the best response to the chaos that is laying waste to their lives is to make music together.

Tuesday 24 March: One Battle After Another

One Battle After Another is a 2025 American black comedy action thriller directed by Paul Thomas Anderson. The film stars Leonardo DiCaprio, Sean Penn and Benicio del Toro. It follows an ex-revolutionary who is forced back into his former combative lifestyle when he and his daughter are pursued by a corrupt military officer.

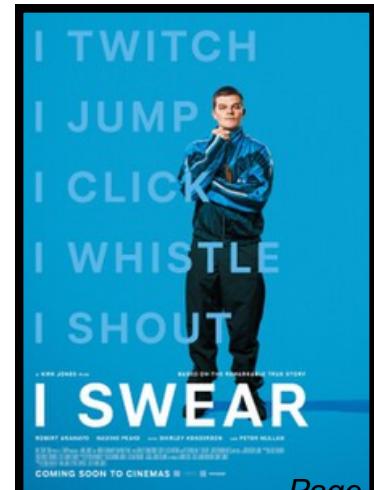

Anderson's phenomenal screenplay is a timeless story of resistance but it's also a remarkably propulsive, fun, and eventually moving piece of work about the human beings caught up in the chaotic machine. Roger Egbert

Tuesday 21 April: I Swear

Kirk Jones's terrifically warm, generous film is about real-life activist John Davidson, who is from Galashiels in the Scottish Borders and has Tourette syndrome, with its tics, compulsive behaviour patterns and random obscene shouts. He was awarded an MBE in 2019 for his work educating the nation about the condition. *I Swear* contains a great performance from Robert Aramayo, full of intelligence and charm. This is an absorbing, compassionate film.

Huby North Yorkshire is the main Facebook group, used to share village news, promote events, support local causes and welcome visitors to our community

Huby (York) Buy, Swap and Sell is a fun and friendly Facebook Group

for residents to sell items, share recommendations, and connect with others. It's also a great way for local makers and small businesses to advertise (local traders only, please, we love supporting our local talent!)
