Parish Council News

Please check the Parish Council website at www.hubyparishcouncil.uk for a copy of all the agendas and minutes and also www.hubyvillage.uk to access the Huby Voice online. Select the Huby Voicetab on the left of the top line menu.

Cllr David Hargreaves was co-opted on to the Council and was thanked for volunteering. There is still currently one vacancy on the Parish Council. If you feel you would like to be co-opted on to the Council or would just like more information on the role then please do email the Clerk.

The Council met on Wednesday 9 September 2026.

- A grant was agreed towards the Huby Playground Appeal of £2,149.
- The various policies of the Council were reviewed.
- One planning application were considered.
- The Parish Council has received CIL (Community Infrastructure Levy) payments when certain developments have been built. Organisations had been made aware of this, and grant applications were expected.

The next meeting is scheduled to be held on Wednesday 11 November 2026 at 7pm in the Village Hall. Please check the website for the agenda in early November.

Nigel Knapton

Clerk to the Parish Council

Next Edition

Huby Voice is issued 4 times a year.

If you would like to contribute to the next edition, submit an article or place an advert in the next issue of Huby Voice, please email hubyvoice@gmail.com by 15th January for the February edition.

Hello

Welcome to the November edition of Huby Voice.

It's hard to believe we're already heading towards the end of another year.

The darker evenings are drawing in, the gardens are settling down for winter and, before we know it, Christmas will be upon us!

As always, there's plenty happening in and around Huby, and I hope you'll enjoy catching up with the latest news, activities and events from our village and local community.

A little note about Christmas

I also wanted to let everyone know that I won't be organising a Christmas Fair in Huby this year. However, there are plenty of lovely Christmas fairs and markets taking place in the surrounding villages and towns, so I hope you'll have the opportunity to visit a few and support the local organisers, makers and small businesses.

Huby Voice is now available by email!

I'm pleased to say that Huby Voice is now available to receive directly in your inbox. The printed version will continue as usual, but this gives everyone another way to keep up with village news.

The email version will be sent out when the new printed edition is published. There will also be an additional mailing on the 1st of each following month for anyone who has signed up in the meantime.

It's completely free, and the printed magazine will continue as usual.

As always, a big thank you to everyone who sends in articles, photographs, news and updates. Huby Voice really is a community effort, and it's your contributions that make it such a lovely way of keeping in touch with what's happening around the village.

Please do keep them coming!

I hope you enjoy this edition.

Best wishes,

Jane

Huby Primary School

After a wonderful long summer, we're all thrilled to be back in school for the Autumn term. Our new nursery and reception children are settling in well and enjoying getting to know each other and the wider school, and all of our house captains, student council and values champions have been appointed for the year ahead.

We've already had a busy half term, with some of our older children heading out to football tournaments, our first visit of the year to All Hallows church in Sutton for our wonderful harvest festival, and a weekly rotation of full days at forest quest for every class – phewf, it's like we've never left!

The PTA have their full calendar planned, and have already held their first popular film night of the year, and are in full swing planning their festive activity evening.

The children are really enjoying playing with the new markings on the playground that the PTA funded last year. Thank you so much!

Huby PTA are looking for donations of new or 'like new' items for a mini Christmas Shopping event, where the children can purchase gifts for family members. We need things for male and female relatives of all ages, from baby siblings, to teenagers, to great grandparents! Please message Amy on 07725000599 if you think you have anything suitable, even if it's only one or two items. Many thanks in advance

We've also had the great pleasure of welcoming our new Head Teacher, Mrs Preston.

Mrs Preston came from Lady Hastings Church of England Primary School, where she was part of the senior leadership team, as well as being the Special Educational Needs and Disabilities Co-ordinator. She brings a wealth of experience, and the children have really enjoyed getting to know her throughout the first half term.

In order to welcome Mrs Preston to our community, we asked the children to come up with some questions for her to answer, so we can all get to know her a little bit more.

What made you choose Huby Primary?

I got a really good feeling about Huby from the moment I walked through the door. The children are so engaged and friendly and the staff are very hardworking. I really thought that I could see myself making a positive impact on an already great school.

Why do you want to be a headteacher?

I really enjoy supporting children and teachers in helping a school to grow and become the best version of itself.

What first made you think of being a teacher?

When my eldest son became critically ill, I gave up my job to support him. I needed to go into his primary school every day to give him his medication and while I was there, I saw how brilliant the teachers were and what a difference they made. This made me realise that I wanted to make the same difference so I retrained as a teacher and never looked back!

Will you keep our traditions?

I'm going to spend the first half term finding out what is important to the children and seeing what things they really want/need to stay the same.

Describe yourself in one word.

Colourful!

What do you dream of?

Where children all have an equal access to high-quality education and every child gets exactly the support that they need to flourish.

Do you speak any other languages?

I grew up in the Netherlands because my dad was in the Army, so I speak Dutch, German, Flemish and French. I'm also learning Italian because my husband's family are from Italy.

What was your dream job when you were younger?

I love animals so I wanted to be a vet

What hobbies do you like and why?

Our family loves rugby (we have all played at different stages). We enjoy watching my youngest son play rugby every weekend and I love to read. Reading helps take me to far away places!

What is your favourite book? Will you read to us?

I have so many favourites! The stories I love reading to children are the Supertato series by Sue Hendra (as I love doing the Evil Pea voice) and I also enjoy reading the Adventures on Trains mystery series to older children.

Do you have any pets?

I have two dogs. One is a 6 year old Newfoundland called Sullivan- he weighs 85kg! The other dog is a 1 year old shar-pei called Walter. They are very much part of our family!

Do you like nature?

I love nature- one of our favourite things to do is to go for family walks in the countryside. We try to go to Center Parcs every year as we love being in the middle of a forest! Soon, the school will be setting up a wildlife club where we focus on turning our wildlife area into an eco-friendly haven for wildlife and plants!

What is your favourite dinosaur?

Ooh saved the hardest question till last! My favourite herbivore is a Triceratops- they remind me of a rhino! I think my favourite carnivore would be a velociraptor because of how clever they think they were.

Huby Church of England Primary School Reception & Nursery Open Evening

For further information please contact our admin team: admin@huby.n-yorks.sch.uk or 01347 665100

We are delighted to invite you to our Reception and Nursery open evening on Wednesday 4th November for prospective Reception/Nursery starters for 2027 from 4pm to 5pm

Our school offers an enriched curriculum and a range of different activities all year round, including:

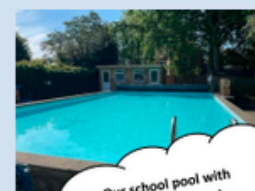

- Swimming lessons in the summer term, three times a week!
- Forest Quest with experienced outdoor specialists.
- A variety of PTA events organised throughout the year.

Come and see our engaging classroom and meet our incredible teaching team.

Fun activities school wide!

Our school pool with recently renovated changing rooms!

Please come and join us for our Open Evening and meet our friendly and supportive early years team. It is a great chance for you to see our fantastic school, ask any questions and offer the opportunity for your child to explore our classroom and areas of provision.

Galtres (Huby & Sutton) Rainbows

We started back in September with 19 girls, they have been enjoying activities from the current theme "Know Myself"

A new Rainbow uniform has been launched by Girlguiding, but they are selling out so quickly not all girls have managed to get one yet.

Next year the Rainbow section celebrates its 40th anniversary, so lots of events planned.

Our waiting list is very LONG!

To put your daughter's name down on the waiting list, please visit:

www.girlguiding.org.uk

For more information please email: firstgaltresrainbows@gmail.com

Huby Playing Fields Association

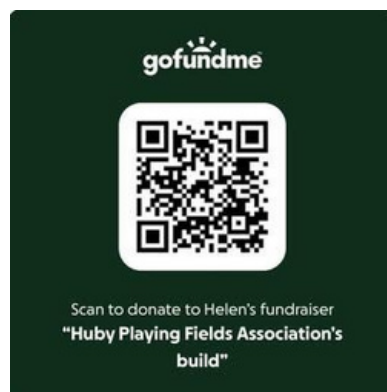

Pavilion Project Update – November 2026

Following the two successful grant applications earlier this year, the electrical first fix was completed in May. Second fix will start once all the various fixtures, fittings, insulation, plaster boarding etc is done, so hopefully some time early 2027. We have now engaged a plumbing contractor to carry out a similar first fix for all the heating, hot water and other plumbing needs for the building. This work should commence mid-November and will be another big step forward in us getting the building ready for use.

We have recently submitted several other sizable funding applications that, if successful, will be an enormous help in achieving our ultimate target, and completion of the building, so we are keeping everything crossed in the coming weeks and months for a successful outcome. We have received a lot of support from within the community, with plenty of interested parties enquiring about using the building once it is ready, and this has demonstrated to us more than ever the need for us to finish it as soon as possible.

A big thank you to all those offering their services and voluntary help as well – it means a lot to us all to have such goodwill around us.

I'm also pleased to note that we are still receiving donations from residents of the Village who have contacted us directly via email at hubyplayingfields_northyorks@yahoo.com so if you are able to support us, please make contact and we'll send you our bank details to deposit funds directly to us. Over £5000 has been raised from within the community as a whole, so thank you all for your generosity.

Alternatively, for those who like on-line platforms for donating, our GoFundMe page is still active.

As ever, please keep an eye on our Facebook page for updates www.facebook.com/hubypavilion

As reported previously, it has been noticed that dog poo continues to be an issue for users of the sports grounds.

If you want to exercise your dog here, please do clean up after them – there is a bin provided in the car park for bag disposal. As a polite reminder, this is a facility for everyone, so your help in maintaining it as a safe and clean environment for the benefit of all user groups is appreciated, thank you.

Villages Together Methodist Church

It's a year since Rev. Alex joined us and we have worked together on different ways of worship and in trying to do things in other ways. We are now part of a mission group including Sheriff Hutton and Easingwold.

We will once again be sharing time with Pupils of Huby school on the 11th December -Remembrance Day at 1pm. we are expecting the children to produce their amazing poems and art work. We then gather outside for 2 minutes silence and the roll call for those who gave their lives from Huby. All are welcome to join us .

We will be holding our usual Family Carols by Candlelight, with lots of Carols, Readings and sketches on Christmas Eve at 6pm.

All services are displayed on the Church notice board.

Rev. Alex Middleton -Laing can be contacted on 074149452299 or alex.laing@methodist.org.uk for Baptisms, Funerals and Weddings or any other concern that you might have.

Nathan's Eggs

We are a small-scale laying hen enterprise local to Easingwold, producing exceptionally high quality, ultra fresh eggs. Typically, our eggs leave the farm under a week after being laid and go direct to our customers. We have a small flock of hens which enables us to give each individual bird the care and attention any animal deserves. Our hens are happy, living in natural flock sizes, with access to the outdoors.

To discuss orders, please contact Nathan.

Huby Corinthians Football Club

Autumn Update

As the late summer sunshine has lingered longer than expected, Huby Corinthians have made the very most of it. Our Friday training sessions have been fantastic, with players enjoying great conditions and plenty of energy on the pitches.

The atmosphere has been brilliant, and it's clear how much the children are thriving with the extra daylight and warm evenings.

Many people in the village have commented how wonderful it is to see the playing fields so alive on a Friday afternoon.

One of the standout successes this season has been the growth of our Mini Corinthians group. Numbers continue to rise, and it's wonderful to see so many young children discovering football for the first time. Their Friday afternoon sessions are full of smiles, friendships, and enthusiastic little footballers learning the basics while having fun.

Across the club, six Huby Corinthians teams are now competing in local leagues each weekend, proudly representing the village and showing great teamwork and determination. It's a real milestone for the club and a testament to the commitment of our players, coaches, and families.

We're also delighted to welcome a new coach for our U15 Girls team. With new members joining and excitement building, the squad is hoping to arrange friendlies soon as they continue to grow and develop together.

Our U13 Girls recently played their first ever Cup game, facing strong opposition from Teesside. It was a superb match, with brilliant football from both sides and plenty for the team to be proud of in their debut cup appearance.

And in a special moment for the club, our U11 Blues played the U11 Whites in the league — the first time two Huby Corinthians teams have met competitively. It was a fantastic occasion, full of great football and team spirit, and a sign of just how far the club has come.

The Club would like to thank all our Team Sponsors for their support this season, the new kits are incredible, the coaches are also looking very professional in their new jackets.

Huby Corinthians continues to go from strength to strength, driven by community support, dedicated volunteers, and the enthusiasm of every child who pulls on a Corinthians shirt.

We look forward to an exciting season ahead.

Sutton and Huby Gardening Club

Hello all fellow gardeners

Hopefully your garden has begun to recover from the heat and drought without too many losses. It's amazing how quickly the lawn turns back to green. I have lost a couple of newly-planted trees but the roses didn't seem to mind the heat and flowered better than ever. Another plant that did well was Gaura with their dainty butterfly-like flowers dancing above the other plants in the borders. They are still in flower now so I'm definitely going to get a few more.

We had our first Huby Open Garden event in July when we opened 4 gardens for Club members only. Thank you to Elaine for allowing us to walk around her garden, including the medieval fishponds and wildlife-friendly areas. Thanks also to Terry for letting us view the deep raised beds of fruit and vegetables, including an old pear tree hundreds of years old. Kathryn also opened her garden that she designed herself and that contained raised beds of vegetables and a productive greenhouse. The evening was rounded off with drinks and nibbles in my garden which reflects my inability to resist anything in flower.

We have already started our season of meetings which kicked off with a talk in September by Eileen Shone telling us about suitable perennials for planters. Eileen also brought lots of plants for sale – always very popular!

The next meeting will be in Sutton-on-the Forest at 7.30 pm on Wednesday the 28 th of October. Mark Padgett will be talking about Alpines And Their Uses, and will be bringing plants for sale.

We also have to hold our AGM at this meeting. We are always looking for new committee members, especially those who could take over the role of treasurer, or help us to move tables and chairs at the beginning and end of the evening. Derek is now in his nineties but still does both of these tasks! There must be someone younger and stronger than us, although I must thank all of the members who do stay behind at the end of the evening to put the furniture away.

The programme of speakers continues throughout the winter months so do come and join us as a visitor or member.

We also have Christmas Dinner planned at The George, Easingwold in December and a trip to RHS Harlow Carr for the GLOW event, also in December, so lots going on as usual. Hope to see you soon.

Pam Bankes, Chairman, Sutton-on-the-Forest & Huby Gardening Club

For more information, contact us by email on
suttonandhubygardeningclub@gmail.com

Autumn at the Forest of Flowers

It's been a lovely Autumn so far at our woodland and wildflower meadows in Huby, with mildtemperatures enjoyed by butterflies, dragonflies and bats across the habitat. Autumn colours have started to appear with vibrant berries (especially Guelder Rose, Rowan and Spindle) all brightening up the site's transition from summer. We're looking forward to our Autumn Tree Walk on 7th November, so we can share one of the site's most colourful times of year.

Special Deliveries

We've had a rewarding few weeks, with the culmination of months of hard work. We delivered 4,000 wildflower plants to the wonderful St Nicks in York, including 2,500+ Tansy plants, to be planted across York's green corridors for the endangered Tansy beetle and plenty of other wildlife too. We're at the end of our wildflower seed harvest, and have already provided 40kg of seeds to customers locally and nationwide, including Yellow Rattle and our diverse seed mix with 40+ species.

We also took 7,000+ plastic tree guards for recycling, all collected in the last year at our new woodland.

Wildlife Hero Award

We were thrilled to be nominated at the Yorkshire Wildlife Trust's inaugural Wildlife Hero Awards, and even more delighted to win one! We took home the Business award, which recognises organisations which have nature at their heart, support conservation and create wildlife-friendly spaces. We had stiff competition from across Yorkshire, so were especially pleased to win. We also received a beautiful wooden owl sculpture to bring home!

Angora the Explorer

Last month we welcomed 3 new Angora goats to the project! They're here to help graze our hay meadow as members of our expanding fibre herd. (Of course they're incredibly cute and fluffy too, which might have something to do with us choosing them.) Angora goats produce amazing mohair, giving us a natural fibre that we can put to good use. The goats explored their new paddock straight away and have settled in well. They're very friendly and great with people - hopefully a new highlight of our guided tours!

Upcoming Events

Our events calendar continues, with tea, coffee and homemade cakes included at all events. Tickets are limited and booking is essential via www.ForestofFlowers.co.uk

Date	Event
Saturday 7th Nov, 10am	Autumn Woodland Walk
Saturday 21st Nov, 10am & 1.30pm	Nordic Willow Star Workshop

Our trips will be going to Northallerton in November and for a Christmas meal in December. Fare £20 each trip. Departing 10am from Easingwold.

We have a new group called Welcome to Easingwold and the villages, an informal group to welcome people new to the area, held in the Community Hub, Easingwold from 09.30am until 11.00am. If you have any burning info you need, or wish to meet new people, come along, we will have leaflets available from some organisations. 16th November.

There will be a new Menopause Support group that will meet at the Olive Branch, Easingwold. Initially a chance to meet others for a chat and bite to eat, there may be speakers in the future. We are planning a meeting in November, date to be advised.

- Our EDCCA coffee morning takes place on Tuesday 10th November from 10am until noon, free to attend, complimentary refreshments
- Virtual CAB (Citizens Advice) session held in the office on Thursday 19th November 09.15-12.30, phone for appointment.
- CAB (Citizens Advice) minibus in the small Galtres car park Friday 20th November from 09.30am - 11.30am.

Hello

I run the Carscheme for Easingwold District Community Care Association (EDCCA.) We are currently trying to recruit more drivers to help us take elderly, ill, disabled and vulnerable people in our community to hospital and other medical appointments.

The volunteer drivers use their own cars so they are able to claim travel expenses to cover their costs. People can volunteer as much as they want- some people help as weekly and others just do a few trips a month or just volunteer on certain days.

However much - or little - people can do it is all very helpful to people in our community, many of whom are unable to access public transport or patient transport.

If anyone is interested they can either contact myself or our Volunteer Co-Ordinator, Sam Wilson. We just need to organise a DBS check and I need to check someone has an MOT etc in relation to their vehicle and then they are ready to volunteer. I just send out a list weekly so people do not get bombarded with emails.

Tel: 01347 822598/ 822875

email: carscheme@edcca.org.uk

Surviving Winter Fuel Fund

All Hallows Church and Easingwold and Villages' Foodbank have a fund to help residents in Sutton and Huby struggling with the cost of heating.

Prices for oil and lpg just keep going up, so if you need to fill up now and are struggling please DO ask for some help.

We can help with the cost of oil, lpg or electric.

Also heated blankets, freestanding radiators, hot water bottles etc

If you know anyone who this could help please encourage them to ring 07724 444 750 in complete confidence – just leave a message

Stillington Surgery.

Stillington Surgery thank all the patients who have supported our seasonal vaccination campaigns.

We regularly invite patients to book in for their annual review. When you receive your invitation, please book in promptly and attend your appointment. Our teams spend a considerable amount of time following up patients who have either not booked in or who simply do not attend their appointment costing valuable nursing time. Any non-attendance can delay the issue of your medication and can cause unnecessary delay for others wishing to access our services.

Thank you for your continued support
Drs Metcalfe and Keen

FREE PRESCRIPTION COLLECTION & HOME DELIVERY

Supporting residents in Huby and Sutton on the Forest

Our free, volunteer-run service collects prescriptions from the pharmacy and delivers them directly to residents' homes.

Established at the beginning of the Covid pandemic, the service continues to support anyone who may find it difficult to collect their medication.

The service is:

- Completely free of charge
- Run by local fabulous volunteers
- Available for prescription collection and home delivery
- Open to residents of Huby and Sutton on the Forest

If you need help collecting your prescription, or know someone who may benefit, please get in touch.

To arrange a collection, contact: Jackie or Simon Bullough
01347 810873 | 07974 994718

Please spread the word so that anyone who needs support can access this valuable community service.

With thanks to all our dedicated volunteers.

Tuesday 17 November: Wondrous Oblivion

A charming and moving film, in which David Wiseman (Sam Smith), a 10-year-old Jewish boy, mad on cricket but hopeless at games, is coached by a Jamaican immigrant, Dennis Samuels (Delroy Lindo), into becoming the best player in his school.

The setting is south London in 1960, Mr and Mrs Wiseman are hardworking assimilated German refugees whose families perished in the Holocaust, but they are viewed with suspicion by their anti-semitic working-class neighbours. Another family of outsiders moves into the terrace house next door- they're the Samuels from the West Indies, and they attract outright hostility. The first thing Mr Samuels does is put up a cricket net that completely fills the small back garden, and he invites the shy David to practise with his 10-year-old daughter.

It's warm, kindly, and has a heart the size of the Oval. Guardian

Tuesday 15 December: The Taste of Things

This film is unusual with very long scenes of beautiful food being prepared in a lovingly filmed French chateau in the late 19th century. Juliette Binoche plays the cook and Benoit Magimel her employer and renowned gourmet and chef himself. They work together with two young assistants preparing wonderful dishes for his friends. The loving care put into the food preparation is also a metaphor for the love they have for each other.

There is little dialogue and we observe how they show their love through their love of food. I'm not a foodie but I thought this was beautifully filmed with a pace of its own.

In French with subtitles

Tuesday 19 January: The Odyssey

Christopher Nolan's telling of Homer's epic. Starring Matt Damon as Odysseus it faithfully follows his return home after the Trojan War. The journey takes 10 years and includes the Lotus Eaters, Cyclops, Circe, the Sirens and Scylla and Charybdis.

It presents Odysseus' choices, laudable and horrible, just as things that happened and leaves it to the audience to judge.

A long film which never lets up and makes you want to revisit the original.

A mighty epic, Roger Ebert

New Residents

Welcome Pack

If you have recently moved into the village and not received your Welcome Pack, please email: hubyvoice@gmail.com and we will arrange a delivery of the information

Stay Connected Online

Huby has a village website to help residents and visitors stay up to date.

Website

www.hubyvillage.uk

Visit our village website for more information about:

Clubs and community groups - Local pubs and shops - Village walks and rights of way
The Neighbourhood Plan - Parish Council updates - and much more!

We also have 3 active Facebook groups, which are stand alone groups and not associated with the Parish Council.

HubyNorthYorkshire is the main Facebook group, used to share village news, promote events, support local causes and welcome visitors to our community

Huby (York) Buy, Swap and Sell is a fun and friendly Facebook Group for residents to sell items, share recommendations, and connect with others. It's also a great way for local makers and small businesses to advertise (local traders only, please, we love supporting our local talent!)

Huby Village Community

A new Facebook group for everyone living in Huby and the surrounding area. A place to keep up with what's happening locally, ask for recommendations, share useful information and generally help keep our village connected.
